**Part III.** Provide the information below in subparts A, B, and C if the bill referenced above is a Limited Tariff Benefit.

**A. Anticipated Beneficiaries**

E.I. du Pont de Nemours and Company

**B. Purpose of the Limited Tariff Benefit: Financial Benefit Certification**

To extend temporarily the duty suspension on (S)-Cyano(3-Phenoxyphenyl)Methyl 4-Chloro-2-(1-Methylethyl) Benzeneacetate (Esfenvalerate Technical), which is an active ingredient DuPont uses to formulate an insecticide sold under the tradename Asana®. DuPont uses a contract formulator located in Greenville, Mississippi to produce Asana® insecticide. Suspension will support direct and contract manufacturing operations involved in the production, packaging, distribution, sale and support of the downstream product. DuPont competitors in this market are primarily offshore; consequently, it seeks the suspension to remain competitive with them and to create additional opportunities for business growth in pyrethroid insecticides.

X I hereby certify that neither I nor my immediate family has a financial interest in the above described limited tariff benefit.
