Rx PARTNERSHIP

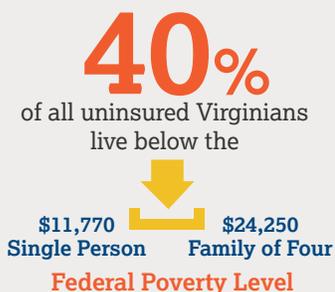

Leadership for Medication Access in Virginia

The Problem:

Uninsured Virginians Are Forgoing Necessary Medication

Source: The Commonwealth Institute

Source: Virginia Health Care Foundation's 2015 Profile of Virginia's Uninsured

The Solution:

Rx Partnership, a public/private partnership, exists to increase access to medication for Virginia's vulnerable populations, and serve as a resource to the organizations that support these populations.

Note From Executive Director

The past year has been a time for extensive planning and growth as Rx Partnership completed work on our new 2016-2019 Strategic Plan. We appreciate all the support from individuals and organizations that have made our success possible and invite new partners to join us in 2016 as we work toward the lofty vision of ensuring *"Every Virginian has access to the medications they need"* – we've come a long way, but there's more work to be done!

Strategic Plan for Rx Partnership Goals

2016-2019

1

Provide more access to medication to more patients in need.

2

Maintain and increase the focus on medication access in the Commonwealth.

3

Promote Rx Partnership's value to increase engagement and encourage partnerships.

4

Ensure resources are available to successfully achieve organizational sustainability.
