

MEMORANDUM

TO: Reporters and Editors
RE: Senator Ted Kennedy
DA: Wednesday, August 26, 2009

Senator Chuck Grassley issued the following comment regarding Senator Ted Kennedy.

“The United States Senate will never be the same without Ted Kennedy. His presence was enormous. He fought hard, debated intensely and worked tirelessly for what he thought was right. Senator Kennedy and I had a different point of view on most every issue, but he was an ally like few others when he was on your side. Senator Kennedy leaves a legacy as a public servant and policy maker, and my wife Barbara joins me in sending our deepest sympathy to his family.”
