PERSONAL RESPONSIBILITY AND WORK OPPORTUNITY RECONCILIATION ACT OF 1996

JULY 30, 1996.—Ordered to be printed

Mr. KASICH, from the committee of conference, submitted the following

CONFERENCE REPORT

[To accompany H.R. 3734]

The committee of conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 3734), to provide for reconciliation pursuant to section 201(a)(1) of the concurrent resolution on the budget for fiscal year 1997, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

That the House recede from its disagreement to the amendment of the Senate and agree to the same with an amendment as follows:

In lieu of the matter proposed to be inserted by the Senate amendment, insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Personal Responsibility and Work Opportunity Reconciliation Act of 1996".

SEC. 2. TABLE OF CONTENTS.

The table of contents for this Act is as follows:

TITLE I—BLOCK GRANTS FOR TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

SEC. 101. FINDINGS.

The Congress makes the following findings:

(1) Marriage is the foundation of a successful society.

(2) Marriage is an essential institution of a successful society which promotes the interests of children.

(3) Promotion of responsible fatherhood and motherhood is integral to successful child rearing and the well-being of children.

(4) In 1992, only 54 percent of single-parent families with children had a child support order established and, of that 54 percent, only about one-half received the full amount due. Of the cases enforced through the public child support enforcement system, only 18 percent of the caseload has a collection.

(5) The number of individuals receiving aid to families with dependent children (in this section referred to as "AFDC")

has more than tripled since 1965. More than two-thirds of these recipients are children. Eighty-nine percent of children receiving AFDC benefits now live in homes in which no father is present.

(A)(i) The average monthly number of children receiving AFDC benefits—

(I) was 3,300,000 in 1965;

(II) was 6,200,000 in 1970;

(III) was 7,400,000 in 1980; and

(IV) was 9,300,000 in 1992.

(ii) While the number of children receiving AFDC benefits increased nearly threefold between 1965 and 1992, the total number of children in the United States aged 0 to 18 has declined by 5.5 percent.

(B) The Department of Health and Human Services has estimated that 12,000,000 children will receive AFDC benefits within 10 years.

(C) The increase in the number of children receiving public assistance is closely related to the increase in births to unmarried women. Between 1970 and 1991, the percentage of live births to unmarried women increased nearly threefold, from 10.7 percent to 29.5 percent.

(6) The increase of out-of-wedlock pregnancies and births is well documented as follows:

(A) It is estimated that the rate of nonmarital teen pregnancy rose 23 percent from 54 pregnancies per 1,000 unmarried teenagers in 1976 to 66.7 pregnancies in 1991. The overall rate of nonmarital pregnancy rose 14 percent from 90.8 pregnancies per 1,000 unmarried women in 1980 to 103 in both 1991 and 1992. In contrast, the overall pregnancy rate for married couples decreased 7.3 percent between 1980 and 1991, from 126.9 pregnancies per 1,000 married women in 1980 to 117.6 pregnancies in 1991.

(B) The total of all out-of-wedlock births between 1970 and 1991 has risen from 10.7 percent to 29.5 percent and if the current trend continues, 50 percent of all births by the year 2015 will be out-of-wedlock.

(7) An effective strategy to combat teenage pregnancy must address the issue of male responsibility, including statutory rape culpability and prevention. The increase of teenage pregnancies among the youngest girls is particularly severe and is linked to predatory sexual practices by men who are significantly older.

(A) It is estimated that in the late 1980's, the rate for girls age 14 and under giving birth increased 26 percent.

(B) Data indicates that at least half of the children born to teenage mothers are fathered by adult men. Available data suggests that almost 70 percent of births to teenage girls are fathered by men over age 20.

(C) Surveys of teen mothers have revealed that a majority of such mothers have histories of sexual and physical abuse, primarily with older adult men.

(8) The negative consequences of an out-of-wedlock birth on the mother, the child, the family, and society are well documented as follows:

(A) Young women 17 and under who give birth outside of marriage are more likely to go on public assistance and to spend more years on welfare once enrolled. These combined effects of "younger and longer" increase total AFDC costs per household by 25 percent to 30 percent for 17-year-olds.

(B) Children born out-of-wedlock have a substantially higher risk of being born at a very low or moderately low birth weight.

(C) Children born out-of-wedlock are more likely to experience low verbal cognitive attainment, as well as more child abuse, and neglect.

(D) Children born out-of-wedlock were more likely to have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

(E) Being born out-of-wedlock significantly reduces the chances of the child growing up to have an intact marriage.

(F) Children born out-of-wedlock are 3 times more likely to be on welfare when they grow up.

(9) Currently 35 percent of children in single-parent homes were born out-of-wedlock, nearly the same percentage as that of children in single-parent homes whose parents are divorced (37 percent). While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, nevertheless, the negative consequences of raising children in single-parent homes are well documented as follows:

(A) Only 9 percent of married-couple families with children under 18 years of age have income below the national poverty level. In contrast, 46 percent of female-headed households with children under 18 years of age are below the national poverty level.

(B) Among single-parent families, nearly 1/2 of the mothers who never married received AFDC while only 1/5 of divorced mothers received AFDC.

(C) Children born into families receiving welfare assistance are 3 times more likely to be on welfare when they reach adulthood than children not born into families receiving welfare.

(D) Mothers under 20 years of age are at the greatest risk of bearing low-birth-weight babies.

(E) The younger the single parent mother, the less likely she is to finish high school.

(F) Young women who have children before finishing high school are more likely to receive welfare assistance for a longer period of time.

(G) Between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at $120,000,000,000.

(H) The absence of a father in the life of a child has a negative effect on school performance and peer adjustment.

(I) Children of teenage single parents have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

(J) Children of single-parent homes are 3 times more likely to fail and repeat a year in grade school than are children from intact 2-parent families.

(K) Children from single-parent homes are almost 4 times more likely to be expelled or suspended from school.

(L) Neighborhoods with larger percentages of youth aged 12 through 20 and areas with higher percentages of single-parent households have higher rates of violent crime.

(M) Of those youth held for criminal offenses within the State juvenile justice system, only 29.8 percent lived primarily in a home with both parents. In contrast to these incarcerated youth, 73.9 percent of the 62,800,000 children in the Nation's resident population were living with both parents.

(10) Therefore, in light of this demonstration of the crisis in our Nation, it is the sense of the Congress that prevention of out-of-wedlock pregnancy and reduction in out-of-wedlock birth are very important Government interests and the policy contained in part A of title IV of the Social Security Act (as amended by section 103(a) of this Act) is intended to address the crisis.

SEC. 102. REFERENCE TO SOCIAL SECURITY ACT.

Except as otherwise specifically provided, wherever in this title an amendment is expressed in terms of an amendment to or repeal of a section or other provision, the reference shall be considered to be made to that section or other provision of the Social Security Act.

SEC. 103. BLOCK GRANTS TO STATES.

(a) IN GENERAL.—Part A of title IV (42 U.S.C. 601 et seq.) is amended—

(1) by striking all that precedes section 418 (as added by section 603(b)(2) of this Act) and inserting the following:

"PART A—BLOCK GRANTS TO STATES FOR TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

"SEC. 401. PURPOSE.

"(a) IN GENERAL.—The purpose of this part is to increase the flexibility of States in operating a program designed to—

"(1) provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives;

"(2) end the dependence of needy parents on government benefits by promoting job preparation, work, and marriage;

"(3) prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these pregnancies; and

"(4) encourage the formation and maintenance of two-parent families.

"(b) NO INDIVIDUAL ENTITLEMENT.—This part shall not be interpreted to entitle any individual or family to assistance under any State program funded under this part.

"SEC. 402. ELIGIBLE STATES; STATE PLAN.

"(a) IN GENERAL.—As used in this part, the term 'eligible State' means, with respect to a fiscal year, a State that, during the 2-year period immediately preceding the fiscal year, has submitted to the Secretary a plan that the Secretary has found includes the following:

"(1) OUTLINE OF FAMILY ASSISTANCE PROGRAM.—

"(A) GENERAL PROVISIONS.—A written document that outlines how the State intends to do the following:

"(i) Conduct a program, designed to serve all political subdivisions in the State (not necessarily in a uniform manner), that provides assistance to needy families with (or expecting) children and provides parents with job preparation, work, and support services to enable them to leave the program and become self-sufficient.

"(ii) Require a parent or caretaker receiving assistance under the program to engage in work (as defined by the State) once the State determines the parent or caretaker is ready to engage in work, or once the parent or caretaker has received assistance under the program for 24 months (whether or not consecutive), whichever is earlier.

"(iii) Ensure that parents and caretakers receiving assistance under the program engage in work activities in accordance with section 407.

"(iv) Take such reasonable steps as the State deems necessary to restrict the use and disclosure of information about individuals and families receiving assistance under the program attributable to funds provided by the Federal Government.

"(v) Establish goals and take action to prevent and reduce the incidence of out-of-wedlock pregnancies, with special emphasis on teenage pregnancies, and establish numerical goals for reducing the illegitimacy ratio of the State (as defined in section 403(a)(2)(B)) for calendar years 1996 through 2005.

"(vi) Conduct a program, designed to reach State and local law enforcement officials, the education system, and relevant counseling services, that provides education and training on the problem of statutory rape so that teenage pregnancy prevention programs may be expanded in scope to include men.

"(B) SPECIAL PROVISIONS.—

"(i) The document shall indicate whether the State intends to treat families moving into the State from another State differently than other families under the program, and if so, how the State intends to treat such families under the program.

"(ii) The document shall indicate whether the State intends to provide assistance under the program to in-

dividuals who are not citizens of the United States, and if so, shall include an overview of such assistance.

"(iii) The document shall set forth objective criteria for the delivery of benefits and the determination of eligibility and for fair and equitable treatment, including an explanation of how the State will provide opportunities for recipients who have been adversely affected to be heard in a State administrative or appeal process.

"(iv) Not later than 1 year after the date of enactment of this Act, unless the chief executive officer of the State opts out of this provision by notifying the Secretary, a State shall, consistent with the exception provided in section 407(e)(2), require a parent or caretaker receiving assistance under the program who, after receiving such assistance for 2 months is not exempt from work requirements and is not engaged in work, as determined under section 407(c), to participate in community service employment, with minimum hours per week and tasks to be determined by the State.

"(2) CERTIFICATION THAT THE STATE WILL OPERATE A CHILD SUPPORT ENFORCEMENT PROGRAM.—A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a child support enforcement program under the State plan approved under part D.

"(3) CERTIFICATION THAT THE STATE WILL OPERATE A FOSTER CARE AND ADOPTION ASSISTANCE PROGRAM.—A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a foster care and adoption assistance program under the State plan approved under part E, and that the State will take such actions as are necessary to ensure that children receiving assistance under such part are eligible for medical assistance under the State plan under title XIX.

"(4) CERTIFICATION OF THE ADMINISTRATION OF THE PROGRAM.—A certification by the chief executive officer of the State specifying which State agency or agencies will administer and supervise the program referred to in paragraph (1) for the fiscal year, which shall include assurances that local governments and private sector organizations—

"(A) have been consulted regarding the plan and design of welfare services in the State so that services are provided in a manner appropriate to local populations; and

"(B) have had at least 45 days to submit comments on the plan and the design of such services.

"(5) CERTIFICATION THAT THE STATE WILL PROVIDE INDIANS WITH EQUITABLE ACCESS TO ASSISTANCE.—A certification by the chief executive officer of the State that, during the fiscal year, the State will provide each member of an Indian tribe, who is domiciled in the State and is not eligible for assistance under a tribal family assistance plan approved under section 412, with equitable access to assistance under the State program funded under this part attributable to funds provided by the Federal Government.

"(6) CERTIFICATION OF STANDARDS AND PROCEDURES TO ENSURE AGAINST PROGRAM FRAUD AND ABUSE.—A certification by

the chief executive officer of the State that the State has established and is enforcing standards and procedures to ensure against program fraud and abuse, including standards and procedures concerning nepotism, conflicts of interest among individuals responsible for the administration and supervision of the State program, kickbacks, and the use of political patronage.

"(7) OPTIONAL CERTIFICATION OF STANDARDS AND PROCEDURES TO ENSURE THAT THE STATE WILL SCREEN FOR AND IDENTIFY DOMESTIC VIOLENCE.—

"(A) IN GENERAL.—At the option of the State, a certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to—

"(i) screen and identify individuals receiving assistance under this part with a history of domestic violence while maintaining the confidentiality of such individuals;

"(ii) refer such individuals to counseling and supportive services; and

"(iii) waive, pursuant to a determination of good cause, other program requirements such as time limits (for so long as necessary) for individuals receiving assistance, residency requirements, child support cooperation requirements, and family cap provisions, in cases where compliance with such requirements would make it more difficult for individuals receiving assistance under this part to escape domestic violence or unfairly penalize such individuals who are or have been victimized by such violence, or individuals who are at risk of further domestic violence.

"(B) DOMESTIC VIOLENCE DEFINED.—For purposes of this paragraph, the term 'domestic violence' has the same meaning as the term 'battered or subjected to extreme cruelty', as defined in section 408(a)(7)(C)(iii).

"(b) PUBLIC AVAILABILITY OF STATE PLAN SUMMARY.—The State shall make available to the public a summary of any plan submitted by the State under this section.

"SEC. 403. GRANTS TO STATES.

"(E) APPROPRIATION.—Out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated for fiscal years 1996, 1997, 1998, 1999, 2000, 2001, and 2002 such sums as are necessary for grants under this paragraph.

"(2) BONUS TO REWARD DECREASE IN ILLEGITIMACY.—

"(A) IN GENERAL.—Each eligible State shall be entitled to receive from the Secretary a grant for each bonus year

for which the State demonstrates a net decrease in out-of-wedlock births.

"(B) AMOUNT OF GRANT.—

"(i) IF 5 ELIGIBLE STATES.—If there are 5 eligible States for a bonus year, the amount of the grant shall be $20,000,000.

"(C) DEFINITIONS.—As used in this paragraph:

"(i) ELIGIBLE STATE.—

"(I) IN GENERAL.—The term 'eligible State' means a State that the Secretary determines meets the following requirements:

"(aa) The State demonstrates that the number of out-of-wedlock births that occurred in the State during the most recent 2-year period for which such information is available decreased as compared to the number of such births that occurred during the previous 2-year period, and the magnitude of the decrease for the State for the period is not exceeded by the magnitude of the corresponding decrease for 5 or more other States for the period.

"(bb) The rate of induced pregnancy terminations in the State for the fiscal year is less than the rate of induced pregnancy terminations in the State for fiscal year 1995.

"(II) DISREGARD OF CHANGES IN DATA DUE TO CHANGED REPORTING METHODS.—In making the determination required by subclause (I), the Secretary shall disregard—

"(aa) any difference between the number of out-of-wedlock births that occurred in a State for a fiscal year and the number of out-of-wedlock births that occurred in a State for fiscal year 1995 which is attributable to a change in State methods of reporting data used to calculate the number of out-of-wedlock births; and

"(II) 2.5 percent of the sum of—

"(aa) the total amount required to be paid to the State under former section 403 (as in effect during fiscal year 1994) for fiscal year 1994; and

"(bb) the amount (if any) required to be paid to the State under this paragraph for the fiscal year preceding the fiscal year for which the grant is to be made.

"(B) PRESERVATION OF GRANT WITHOUT INCREASES FOR STATES FAILING TO REMAIN QUALIFYING STATES.—Each State that is not a qualifying State for a fiscal year specified in subparagraph (A)(ii) but was a qualifying State for a prior fiscal year shall, subject to subparagraph (F), be entitled to receive from the Secretary for the specified fiscal year, a grant in an amount equal to the amount required to be paid to the State under this paragraph for the most recent fiscal year for which the State was a qualifying State.

"(C) QUALIFYING STATE.—

"(i) IN GENERAL.—For purposes of this paragraph, a State is a qualifying State for a fiscal year if—

"(I) the level of welfare spending per poor person by the State for the immediately preceding fiscal year is less than the national average level of State welfare spending per poor person for such preceding fiscal year; and

"(II) the population growth rate of the State (as determined by the Bureau of the Census) for the most recent fiscal year for which information is available exceeds the average population growth rate for all States (as so determined) for such most recent fiscal year.

"(ii) STATE MUST QUALIFY IN FISCAL YEAR 1997.—Notwithstanding clause (i), a State shall not be a qualifying State for any fiscal year after 1998 by reason of clause (i) if the State is not a qualifying State for fiscal year 1998 by reason of clause (i).

"(iii) CERTAIN STATES DEEMED QUALIFYING STATES.—For purposes of this paragraph, a State is deemed to be a qualifying State for fiscal years 1998, 1999, 2000, and 2001 if—

"(I) the level of welfare spending per poor person by the State for fiscal year 1994 is less than 35 percent of the national average level of State welfare spending per poor person for fiscal year 1994; or

"(II) the population of the State increased by more than 10 percent from April 1, 1990 to July 1, 1994, according to the population estimates in publication CB94–204 of the Bureau of the Census.

"(ii) NATIONAL AVERAGE LEVEL OF STATE WELFARE SPENDING PER POOR PERSON.—The term 'national average level of State welfare spending per poor person' means, with respect to a fiscal year, an amount equal to—

"(I) the total amount required to be paid to the States under former section 403 (as in effect during fiscal year 1994) for fiscal year 1994; divided by

"(II) the number of individuals, according to the 1990 decennial census, who were residents of any State and whose income was below the poverty line.

"(iii) STATE.—The term 'State' means each of the 50 States of the United States and the District of Columbia.

"(E) APPROPRIATION.—Out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated for fiscal years 1998, 1999, 2000, and 2001 such sums as are necessary for grants under this paragraph, in a total amount not to exceed $800,000,000.

"(F) GRANTS REDUCED PRO RATA IF INSUFFICIENT APPROPRIATIONS.—If the amount appropriated pursuant to this paragraph for a fiscal year is less than the total amount of payments otherwise required to be made under this paragraph for the fiscal year, then the amount otherwise payable to any State for the fiscal year under this

paragraph shall be reduced by a percentage equal to the amount so appropriated divided by such total amount.

"(G) BUDGET SCORING.—Notwithstanding section 257(b)(2) of the Balanced Budget and Emergency Deficit Control Act of 1985, the baseline shall assume that no grant shall be made under this paragraph after fiscal year 2001.

"(4) BONUS TO REWARD HIGH PERFORMANCE STATES.—

"(A) IN GENERAL.—The Secretary shall make a grant pursuant to this paragraph to each State for each bonus year for which the State is a high performing State.

"(B) AMOUNT OF GRANT.—

"(i) IN GENERAL.—Subject to clause (ii) of this subparagraph, the Secretary shall determine the amount of the grant payable under this paragraph to a high performing State for a bonus year, which shall be based on the score assigned to the State under subparagraph (D)(i) for the fiscal year that immediately precedes the bonus year.

"(ii) LIMITATION.—The amount payable to a State under this paragraph for a bonus year shall not exceed 5 percent of the State family assistance grant.

"(C) FORMULA FOR MEASURING STATE PERFORMANCE.—Not later than 1 year after the date of the enactment of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, the Secretary, in consultation with the National Governors' Association and the American Public Welfare Association, shall develop a formula for measuring State performance in operating the State program funded under this part so as to achieve the goals set forth in section 401(a).

"(D) SCORING OF STATE PERFORMANCE; SETTING OF PERFORMANCE THRESHOLDS.—For each bonus year, the Secretary shall—

"(i) use the formula developed under subparagraph (C) to assign a score to each eligible State for the fiscal year that immediately precedes the bonus year; and

"(ii) prescribe a performance threshold in such a manner so as to ensure that—

"(I) the average annual total amount of grants to be made under this paragraph for each bonus year equals $200,000,000; and

"(II) the total amount of grants to be made under this paragraph for all bonus years equals $1,000,000,000.

"(E) DEFINITIONS.—As used in this paragraph:

TITLE IV—RESTRICTING WELFARE AND PUBLIC BENEFITS FOR ALIENS

SEC. 400. STATEMENTS OF NATIONAL POLICY CONCERNING WELFARE AND IMMIGRATION.

The Congress makes the following statements concerning national policy with respect to welfare and immigration:

(1) Self-sufficiency has been a basic principle of United States immigration law since this country's earliest immigration statutes.

(2) It continues to be the immigration policy of the United States that—

(A) aliens within the Nation's borders not depend on public resources to meet their needs, but rather rely on their own capabilities and the resources of their families, their sponsors, and private organizations, and

(B) the availability of public benefits not constitute an incentive for immigration to the United States.

(3) Despite the principle of self-sufficiency, aliens have been applying for and receiving public benefits from Federal, State, and local governments at increasing rates.

(4) Current eligibility rules for public assistance and unenforceable financial support agreements have proved wholly incapable of assuring that individual aliens not burden the public benefits system.

(5) It is a compelling government interest to enact new rules for eligibility and sponsorship agreements in order to assure that aliens be self-reliant in accordance with national immigration policy.

(6) It is a compelling government interest to remove the incentive for illegal immigration provided by the availability of public benefits.

(7) With respect to the State authority to make determinations concerning the eligibility of qualified aliens for public benefits in this title, a State that chooses to follow the Federal classification in determining the eligibility of such aliens for public assistance shall be considered to have chosen the least restrictive means available for achieving the compelling governmental interest of assuring that aliens be self-reliant in accordance with national immigration policy.

JOINT EXPLANATORY STATEMENT OF THE COMMITTEE OF CONFERENCE

The managers on the part of the House and the Senate at the conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 3734) to provide for reconciliation pursuant to section 201(a)(1) of the concurrent resolution on the budget for fiscal year 1997, submit the following joint statement to the House and the Senate in explanation of the effect of the action agreed upon by the managers and recommended in the accompanying conference report:

The Senate amendment struck all of the House bill after the enacting clause and inserted a substitute text.

The House recedes from its disagreement to the amendment of the Senate with an amendment that is a substitute for the House bill and the Senate amendment. The differences between the House bill, the Senate amendment, and the substitute agreed to in conference are noted below, except for clerical corrections, conforming changes made necessary by agreements reached by the conferees, and minor drafting and clerical changes.

EXPLANATION OF THE CONFERENCE AGREEMENT

PRINCIPAL COMPONENTS OF THE CONFERENCE AGREEMENT

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 puts in place the most fundamental reform of welfare since the program's inception. It promotes work over welfare and self-reliance over dependency, thereby showing true compassion for those in America who need a helping hand, not a handout. It takes the historic step of eliminating a Federal entitlement program—Aid to Families with Dependent Children—and replacing it with a block grant that restores the States' fundamental role in assisting needy families. It makes substantial reforms in the Food Stamp Program, cracking down on fraud and abuse and applying tough work standards. It reforms the Supplemental Security Income [SSI] disability program to strengthen eligibility requirements and eliminating incentives for coaching children to misbehave so they can qualify for benefits. It makes sweeping reforms relating to benefits for noncitizens, strengthening the principle that immigrants come to America to work, not to collect welfare benefits.

The legislation does not abandon those Americans who truly need a helping hand. It retains protections for those who experience genuine and intractable hardship. Above all, it recognizes the vulnerability of America's children. It guarantees that they will continue to receive the support they need. Indeed, by discouraging illegitimacy and promoting stable families, this bill vastly improves the prospects of children in welfare families. But for most, welfare

should mean temporary assistance for those striving to return to self-sufficiency.

The legislation is the first of three reconciliation bills called for in the reconciliation directives contained in the fiscal year 1997 budget resolution (H. Con. Res. 178). The measure will slow the growth of Federal welfare spending, but still maintain sufficient increases to protect vulnerable populations. According to preliminary estimates, welfare spending would grow from approximately $83 billion this year to about $107 billion in 2002, excluding the effects of Earned Income Credit [EIC] outlays. When EIC outlays are included, the preliminary estimates show welfare spending growing from about $99 billion this year to roughly $128 billion in 2002. The Federal Government still will spend nearly $600 billion on welfare programs not counting the EIC, and nearly $700 billion when the EIC is included. Either way, when compared with Federal spending projections for the current welfare program, this legislation will reduce the Federal budget deficit by about $55 billion to $56 billion over 6 years.

The importance of these budgetary effects is matched by the historic transformation of the welfare program embraced in this legislation. This measure rests on five principles that are the pillars of the welfare reform strategy in the 104th Congress:

Welfare Should Not Be a Way of Life. The legislation assures that welfare will be a helping hand, not a lifetime handout, by imposing a 5-year lifetime limit on benefits (although as many as 20 percent of families may be allowed exceptions for conditions of hardship).

Work, Not Welfare. For the first time ever, able-bodied welfare recipients will be required to work for their benefits. At least one person in every family must be working within 2 years after receiving welfare or lose benefits, and States are required to have at least half of their single-parent welfare recipients working by 2002.

No More Welfare for Noncitizens and Felons. Most welfare (except emergency benefits) ends for most non-citizens during their first 5 years in the United States. Exceptions are made for refugees, persons who have worked and paid taxes in the United States for 10 years, and those who have served in the U.S. military. States will have the option of denying Medicaid eligibility to noncitizens who enter the United States after enactment. The legislation also terminates benefits for fugitive felons fleeing from prosecution or imprisonment or violating parole, and offers financial incentives to local corrections authorities to report persons incarcerated in their jails who are improperly receiving welfare checks.

Power and Flexibility to the States. The best welfare solutions come from those closest to the problems—not from bureaucrats in Washington. The legislation creates broad cash welfare and child care block grants providing maximum flexibility so that States can reform welfare in ways that are appropriate for them, and can move families into jobs.

Encouraging Personal Responsibility To Halt Rising Illegitimacy Rates. As a result of the current welfare system, which discourages two-parent families, today's illegitimacy rate among welfare families is almost 50 percent and is rising. This legislation seeks to reverse the trend by boosting efforts to establish paternity

and make fathers pay child support. As an added incentive, States that reduce out-of-wedlock births will receive added cash grants.

This legislation reforms welfare to make it more consistent with fundamental American values—by rewarding work and self-reliance, encouraging personal responsibility, and restoring a sense of hope in the future.

TITLE I: BLOCK GRANT FOR TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

1. FINDINGS

Present law

No provision.

House bill

Congress finds that marriage is the foundation of a successful society and an essential institution that promotes the interests of children. Promotion of responsible fatherhood and motherhood is integral to successful child-rearing and the well-being of children. It is the sense of Congress that prevention of out-of-wedlock pregnancy and reduction on out-of-wedlock birth are very important government interests and that the policy outlined in the provisions of this title is intended to address the crisis.

Senate amendment

Adds that an effective strategy to combat teenage pregnancy must deal with the issue of male responsibility, including statutory rape culpability and prevention. Finds protection of teenage girls from pregnancy as well as predatory sexual behavior to be very important Government interests.

Conference agreement

The conference agreement follows the Senate amendment.

2. REFERENCE TO THE SOCIAL SECURITY ACT

Present law

No provision.

House bill

Unless otherwise specified, any reference in this title to an amendment to or repeal of a section or other provision is to the Social Security Act.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

3. BLOCK GRANT TO STATES; PURPOSE

Present law

Title IV–A of the Social Security Act, which provides grants to States for aid and services to needy families with children (AFDC), is designed to encourage care of dependent children in their own homes by enabling States to provide cash aid and services, maintain and strengthen family life, and help parents attain maximum self-support consistent with maintaining parental care and protection.

House bill

Block grants for temporary assistance for needy families (TANF), which replace Title IV–A of the Social Security Act, are established to increase the flexibility of States in operating a program designed to provide assistance to needy families; end dependence on government benefits by promoting job preparation, work and marriage; prevent and reduce the incidence of out-of-wedlock pregnancies; and encourage the formation and maintenance of two-parent families.

This part shall not be interpreted to entitle any individual or family to assistance under any State program funded under this part.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

4. ELIGIBLE STATES—STATE PLAN REQUIREMENTS

Present law

A State must have an approved State plan for aid and services to needy families containing 43 provisions, ranging from single-agency administration to overpayment recovery rules. State plans explain the aid and services that are offered by the State. Aid is defined as money payments. For most parents without a child under age 3, States must provide education, work, or training under the JOBS program to help needy families with children avoid long-term welfare dependence. Note: work and education requirements of JOBS are subject to two conditions—State resources must permit them and the program must be available in the recipient's political subdivision. To receive Federal funds, States must share in program costs. The Federal share of costs (matching rate) varies among States and is inversely related to the square of State per capita income. For AFDC benefits and child care, the Medicaid matching rate is used. This rate now ranges from 50 percent to 78 percent among States and averages about 55 percent. For JOBS activities, the rate averages 60 percent; for administrative costs, 50 percent. The general JOBS participation rate, which expired September 30, 1995, required 20 percent of employable (nonexempt) adult recipients to participate in education, work, or training under

JOBS, in fiscal year 1995. In fiscal year 1996, at least one parent in 60 percent of unemployed-parent families must participate at least 16 hours weekly in an unpaid work experience or other work program. States must restrict disclosure of information to purposes directly connected to administration of the program and to any connected investigation, prosecution, legal proceeding or audit. Each State must offer family planning services to all "appropriate" cases, including minors considered sexually active. State may not require acceptance of these services. Regulations require that States determine need and amount of eligibility on an objective and equitable basis.

House bill

An "eligible State" is a State that, during the 2-year period immediately preceding the fiscal year, has submitted a plan to the Secretary of HHS that the Secretary has found includes a written document describing how the State will:

1. conduct a program, designed to serve all political subdivisions in the State, that provides cash assistance to needy families with (or expecting) children, and that provides parents with work and support services to enable them to become self-sufficient;

2. require a parent or a caretaker receiving assistance to engage in work as defined by the State once the parent or caretaker has received assistance for 24 months (whether or not consecutive) or earlier;

3. ensure that parents and caretakers engage in work activities as described below;

4. take such reasonable steps as the State deems necessary to restrict the use and disclosure of information about recipients of assistance attributable to funds provided by the Federal government.

5. no provision. (See purpose above.)

Further, the document must:

6. indicate whether the State intends to treat families moving into the State differently; and, if so, how.

7. indicate whether it intends to aid noncitizens.

8. set forth objective criteria for delivery of benefits and determinations of eligibility, and for fair and equitable treatment, including an explanation of how it will provide opportunities for adversely affected recipients to be heard in a State administrative or appeal process;

9. no provision;

10. no provision;

11. no provision.

Senate amendment

1. Same.
2. Similar provision.
3. Same.
4. Same.
5. Establish goals and take action to prevent and reduce the incidence of pregnancies outside marriage, and establish numerical

goals for reducing the proportion of births out of wedlock for calendar years 1996 through 2005.

Further, the document must:

6. Same.

7. Same.

8. outline how the State intends to determine, on an objective and equitable basis, the needs of and amount of aid to be provided to needy families; and, except as allowed for incoming families and noncitizens (items 6 and 7) to treat families of similar needs and circumstances similarly.

9. outline how it will grant opportunity for a fair hearing to anyone adversely affected or whose application is not acted on promptly.

10. require, not later than 1 year after enactment, a parent or caretaker is not engaged in work or exempt from work requirements and who has received assistance for more than 2 months to participate in community service. States may opt out of this requirement by notifying the Secretary.

11. outline how the State will conduct a program, designed to reach States and local law enforcement officials, the education system, and relevant counseling services, that provides education and training on the problem of statutory rape so that teenage pregnancy prevention programs may be expanded to include men.

Conference agreement

In general, the conference agreement follows the Senate amendment, except that the Senate recedes on requirements 2, 8, and 9. Requirement 10 is modified to provide that a State may opt out of this requirement by submitting a letter from the Governor to the Secretary.

5. ELIGIBLE STATES—CERTIFICATIONS

Present law

States must have in effect an approved child support program. States must also have an approved plan for foster care and adoption assistance. States must have an income and verification system covering AFDC, Medicaid, unemployment compensation, food stamps, and—in outlying areas—adult cash aid.

House bill

State plans must include the following certifications:

1. that the State will operate a child support enforcement program;

2. that the State will operate a child protection program under Title IV–B (child welfare services and family preservation);

3. specifying which State agency or agencies will administer and supervise the State plan, and assurances that local governments and private sector organizations have been consulted and have had an opportunity to submit comments on the plan; and

4. that the State will provide Indians with equitable access to assistance.

5. no provision.
6. no provision.

Senate amendment

1. Same.
2. that the State will operate a foster care and adoption assistance program under Title IV–E and ensure medical assistance for the children;
3. Same.
4. Same.
5. that the State has established standards to ensure against fraud and abuse.
6. that the State has established and is enforcing standards and procedures to screen for and identify recipients with a history of domestic violence, will refer them to counseling and supportive services, and will waive program requirements that would make it more difficult for these persons to escape violence.

Conference agreement

The conference agreement generally follows the Senate amendment, except that the certification that the State establish and enforce standards and special procedures regarding recipients with a history of domestic violence is made a State option.

6. ELIGIBLE STATES—PUBLIC AVAILABILITY OF STATE PLAN SUMMARY

Present law

Federal regulations require that State program manuals and other policy issuances, which reflect the State plan, be maintained in the State office and in each local and district office for examination on regular workdays.

House bill

The State shall make available to the public a summary of the State plan.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

7. GRANTS TO STATES—FAMILY ASSISTANCE GRANT

Present law

AFDC entitles States to Federal matching funds. Current law provides permanent authority for appropriations without limit for grants to States for AFDC benefits, administration, and AFDC-related child care. Over the years, because of court rulings, AFDC has evolved into an entitlement for qualified individuals to receive cash benefits. In general, States must give AFDC to all persons whose income and resources are below State-set limits if they are in a class or category eligible under Federal rules.

House bill

Each eligible State and Territory is entitled to receive a grant from the Secretary for each of 6 fiscal years (1996 through 2001) in an amount equal to the State family assistance grant for the fiscal year.

A State's family assistance grant is equal to the highest of former Federal payments to the State for AFDC benefits, AFDC Administration, Emergency Assistance, and JOBS during (1) fiscal years 1992 through 1994, on average; (2) fiscal year 1994 plus, under certain circumstances, 85 percent of increased fiscal year 1995 spending for emergency assistance, or (3) fiscal year 1995.

If a State fails to make qualified State expenditures for eligible families under all State programs equal to at least 75 percent of its fiscal year 1994 spending level (or at least 80 percent, if the State fails to meet its mandatory work requirements) for AFDC benefits, AFDC Administration, Emergency Assistance, JOBS, AFDC-related child care, and at-risk child care, its family assistance grant is reduced by the shortfall (see the discussion of penalties below).

Senate amendment

Same, except raises required State expenditures to 80 percent of fiscal year 1994 level.

Conference agreement

The conference agreement follows the House bill.

8. GRANTS TO STATES—GRANT TO REWARD STATES THAT REDUCE OUT-OF-WEDLOCK BIRTHS

Present law

No provision.

House bill

For each fiscal year beginning with 1998, a State's grant amount is increased by 5 or 10 percent if the State "illegitimacy ratio" is 1 or 2 percentage points, respectively, lower in that year than its 1995 illegitimacy ratio. Only States in which the rate of abortion falls below the 1995 level are eligible for these additional grants.

The term "illegitimacy ratio" means, during a fiscal year, the number of out-of-wedlock births that occurred in the State divided by the number of births. In calculating grants, the Secretary must disregard any difference in illegitimacy ratios or abortion rates attributable to a change in State methods of reporting data.

Senate amendment

Follows the House bill, except that for each of 5 fiscal years (1999 through 2003) the Secretary shall make a grant of up to $20 million for each of the 5 States that demonstrate the greatest decrease in out-of-wedlock births during the most recent 2-year period for which the information is available. If fewer than 5 States are eligible, the amount of such grants shall be $25 million.

Conference agreement

The conference agreement follows the Senate amendment, with the modification that funds are available between 1999 and 2002.

9. GRANTS TO STATES—SUPPLEMENTAL GRANT FOR POPULATION INCREASES AND LOW FEDERAL SPENDING PER POOR PERSON IN CERTAIN STATES

Present law

There is no adjustment for population growth. Instead, current law provides unlimited matching funds. When AFDC enrollment climbs, Federal funding automatically rises.

House bill

Subject to the eligibility criteria below, each qualifying State (for purposes of this section, the term "State" is limited to the 50 States and the District of Columbia) is entitled to receive from the Secretary supplemental grants to assist in making cash welfare payments for 4 years, fiscal years 1997-2000. For fiscal year 1997 the supplemental grant equals 2.5 percent of Federal payments to the qualifying State during fiscal year 1994 for AFDC benefits, AFDC Administration, Emergency Assistance, JOBS and AFDC-related child care. For fiscal years 1998 through 2000, each qualifying State is entitled to receive an amount equal to the supplemental grant for the immediately preceding year plus, if it continues to meet the eligibility criteria below, an annual increase. States that no longer meet the qualification criteria are entitled to receive the prior year's grant without increase. A State is a qualifying State for a fiscal year if average Federal welfare spending per poor person is less than the national average and State population growth exceeds the average for all States. States must qualify during fiscal year 1997 in order to qualify during later years. Certain States (i.e. those in which Federal welfare spending per poor person for fiscal year 1994 was less than 35 percent of the fiscal year 1994 national average or in which population has increased by more than 10 percent from April 1, 1990 to July 1, 1994) are deemed to qualify for supplemental grants in each year between fiscal year 1997 and 2000. A total of $800 million is appropriated for this purpose. If this sum is insufficient for full supplemental grants for all qualifying States, pro rata reductions will be made. (p. 244)

Senate amendment

Same except for change in years of possible supplemental grants: fiscal years 1998 through 2001 (instead of 1997 through 2000). States must qualify during fiscal year 1998 in order to do so in later years.

Conference agreement

The conference agreement follows the Senate amendment.

10. GRANTS TO STATES—BONUS TO REWARD HIGH PERFORMANCE STATES

Present law

No provision.

House bill

Certain "high performing" States (i.e. those most successful in achieving the purposes of the block grant program) are entitled to receive additional payments of up to five percent of their State family assistance grant. The formula for measuring State performance shall be developed by the Secretary in consultation with the National Governors' Association and the American Public Welfare Association. A total of $0.5 billion is appropriated for high performance bonuses to States during 5 fiscal years, 1999 through 2003, and average annual performance bonuses are to equal $100 million.

Note.—In addition, required maintenance-of-effort spending is to be reduced for States that achieve performance scores above a threshold set by the Secretary.

Senate amendment

Appropriates twice as much money for high performance bonuses—$1 billion—and provides that average annual bonuses are to equal $175 million for fiscal years 1999 through 2002 and $300 million for fiscal year 2003.

Conference agreement

The conference agreement follows the Senate amendment regarding funding (total of $1 billion) and follows the House bill regarding the criteria for awarding bonuses to "high performance" States. The provision allowing certain high performance States to meet a lower maintenance of effort requirement is dropped (see below).

11. GRANTS TO STATES—CONTINGENCY FUND FOR STATE WELFARE PROGRAMS

Present law

No provision. Current law provides unlimited matching funds.

House bill

To assist States (for purposes of this section, the term "State" is limited to the 50 States and the District of Columbia) with increased welfare needs, the House proposal establishes a contingency fund for matching grants and appropriates up to $2 billion over a total of 5 fiscal years (1997 through 2001) for the fund. Eligible States may receive contingency fund payments totaling up to 20 percent of their annual family assistance grant in any single year (in any single month, States cannot receive more than 1/12 of 20 percent of the annual family assistance grant). States are to submit requests for payment of contingency funds, and the Secretary of the Treasury must make payments to eligible States in the order in which requests are received.

States are eligible to receive payments if State unemployment is high (at or above 6.5 percent in the most recent three-month period) and rising relative to previous years (at least 10 percent above the comparable level in either or both of two preceding years). States also are eligible to receive payments if food stamp participation in the State in the most recent three-month period has risen at least 10 percent from the average monthly number of recipients who would have participated in the comparable quarter of fiscal year 1994 or fiscal year 1995, as determined by the Secretary of Agriculture, if amendments made by this proposal to the food stamp program (including optional food stamp block grant provisions) and to eligibility of noncitizens had been in effect throughout fiscal year 1994 and 1995. States must maintain 100 percent of historic State welfare spending (generally, the amount of State funds spent in fiscal year 1994 for AFDC benefits and administration, AFDC-related child care, at-risk child care, Emergency Assistance, and JOBS) during years in which contingency fund payments are made, or repay an amount reflecting the shortfall. States must share in the cost of contingency funds at their fiscal year 1995 Medicaid matching rate. To smooth their transition to recovery, States that have been receiving contingency fund payments will continue to receive payments for one month after they no longer meet the criteria described above.

Senate amendment

Contingency fund of $2 billion covers 4 fiscal years (1998 through 2001) rather than 5. (Because of the Byrd rule, the provision specifying that the CBO baseline is to assume that no grant will be made after 2001 is deleted.)

Conference agreement

The conference agreement follows the House bill, with the modification that, notwithstanding section 257(b)(2) of the Balanced Budget and Emergency Deficit Control Act of 1985, the baseline shall assume that no grant shall be made under this subsection after fiscal year 2001.

12. GRANTS TO STATES—WORK PROGRAM GRANT

Present law

House bill

To assist States in meeting the work requirements, eligible States may receive funds from a supplemental grant for the operation of work programs. To be eligible, a State's total expenditures for the fiscal year to meet work participation requirements must exceed its total jobs spending for fiscal year 1994, its TANF work programs must be coordinated with job training programs of Title II of the Job Training Partnership Act (JTPA), or its successor, and the State must need the extra funds to meet TANF work requirements or certify that it intends to exceed participation requirements. The Secretary is to issue regulations for equitable distribution of the grants. For these supplemental grants, $3 billion is authorized for fiscal year 1999 (amounts appropriated are authorized to remain available until spent).

Senate amendment

No provision.

Conference agreement

The conference agreement follows the Senate amendment.

13. USE OF GRANTS—IN GENERAL

Present law

AFDC and JOBS funds are to be used in conformity with State plans. A State may replace a caretaker relative with a protective payee or a guardian or legal representative.

House bill

Grants may be used in any manner reasonably calculated to accomplish the purposes of this title, including activities now authorized under Titles IV-A and IV-F of the Social Security Act, or to provide low-income households with assistance in meeting home heating and cooling costs.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

14. USE OF GRANTS—LIMITATION ON ADMINISTRATIVE SPENDING

Present law

No provision.

House bill

States may not use more than 15 percent of the family assistance grant for administrative purposes. However, this cap does not apply to spending for information technology and computerization needed to implement the tracking and monitoring required by this title.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

15. USE OF GRANTS—RECIPIENTS MOVING INTO THE STATE FROM ANOTHER STATE

Present law

The Social Security Act forbids the Secretary to approve a plan that denies AFDC eligibility to a child unless he has resided in the State for 1 year. The U.S. Supreme Court has invalidated some State laws that withheld aid from persons who had not resided

there for at least 1 year. It has not ruled on the question of paying lower amounts of aid for incoming residents.

House bill

States may impose program rules and benefit levels of the State from which a family moved if the family has lived in the State for fewer than 12 months.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

16. USE OF GRANTS—TRANSFER OF FUNDS

Present law

No provision.

House bill

States may transfer up to 30 percent of funds paid under this section to carry out a State program under Part B (child welfare and family preservation) or Part E (foster care and adoption assistance), the social services block grant, and the child care and development block grant. Of the 30 percent that may be transferred, not more than one-third (that is, not more than 10 percent of the total block grant) may be transferred into the Social Services Block Grant. Amounts transferred to the Social Services Block Grant must be spent on programs and services for children or their families.

Senate amendment

States may transfer up to 30 percent of funds only to the child care and development block grant.

Conference agreement

The conference agreement follows the House bill, except that the provision allowing transfers into the child protection block grant, which was deleted, is dropped. The conference agreement adds the modification that funds transferred into the Title XX Social Services Block Grant must be spent on families with incomes that do not exceed 200 percent of the poverty level (as determined annually by the Federal Office of Management and Budget).

17. USE OF GRANTS—RESERVATION OF FUNDS

Present law

No provision.

House bill

A State may reserve amounts paid to the State for any fiscal year for the purpose of providing assistance under this part. Reserve funds can be used in any fiscal year.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

18. USE OF GRANTS—AUTHORITY TO OPERATE AN EMPLOYMENT PLACEMENT PROGRAM

Present law

Required JOBS services include job development and job placement. The State agency may provide services directly or through arrangements or under contracts with public agencies or private organizations.

House bill

States may use a portion of the family assistance grant to make payments (or provide job placement vouchers) to State-approved agencies that provide employment services to recipients of cash aid.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

19. USE OF GRANTS—IMPLEMENTATION OF ELECTRONIC BENEFIT TRANSFER SYSTEM

Present law

Regulations permit States to receive Federal reimbursement funds (50 percent administrative cost-sharing rate) for operation of electronic benefit systems. To do so, States must receive advance approval from HHS and must comply with automatic data processing rules.

House bill

States are encouraged to implement an electronic benefit transfer (EBT) system for providing assistance under the State program funded under this part, and may use the grant for such purpose. (The food stamp title of the bill exempts any EBT system distributing need-tested benefits established or administered by a State from Federal Reserve Board rules known collectively as "Regulation E." The most important Regulation E provision requires that lost/stolen benefits be restored; individuals with accounts are responsible only for the first $50 of any loss, when reported in a timely fashion.)

Senate amendment

Same (in Miscellaneous chapter).

Conference agreement

The conference agreement follows the House bill. Conferees also agreed to put comprehensive language on EBT and Regulation E in the food stamps section of this legislation.

20. USE OF GRANTS—INDIVIDUAL DEVELOPMENT ACCOUNTS

Present law

No provision.

House bill

No provision.

Senate amendment

Authorizes a State to use TANF funds to fund individual development accounts established by recipients for specified purposes: postsecondary educational expenses, first-home purchase, business capitalization. Terms include: contributions must be from earned income, withdrawals would be allowed only for the above purposes, and Federal benefit programs must disregard funds in the account in determining eligibility and amount of aid.

Conference agreement

The conference agreement follows the Senate amendment.

21. ADMINISTRATIVE PROVISIONS

Present law

The Secretary pays AFDC funds to the State on a quarterly basis.

House bill

The Secretary shall make each grant payable to a State in quarterly installments. The Secretary is to estimate each State's payment on the basis of a report about expected expenditures from the State and to certify to the Secretary of the Treasury the amount estimated, adjusted if needed for overpayments or underpayments for any past quarter. The Secretary must notify States not later than three months in advance of any quarterly payment that will be reduced to reflect payments made to Indian tribes in the State. Under certain circumstances, overpayments to individuals no longer receiving temporary family assistance will be collected from Federal income tax refunds and repaid to affected States.

Senate amendment

Same, except the provision regarding "Collection of State Overpayments to Families from Federal Tax Refunds" was deleted because of the Byrd rule.

Conference agreement

The conference agreement follows the Senate amendment.

22. FEDERAL LOANS FOR STATE WELFARE PROGRAMS

Present law

No provision. Instead, current law provides unlimited matching funds.

House bill

The proposal establishes a $1.7 billion revolving loan fund from which eligible States may borrow funds to meet the purposes of this title. States that have been penalized for misspending block grant funds as determined by an audit are ineligible for loans. Loans are to mature in 3 years, at the latest, and the cumulative amount of all loans to a State during fiscal years 1997 through 2001 cannot exceed 10 percent of its basic block grant. The interest rate shall equal the current average market yield on outstanding U.S. securities with a comparable remaining maturity length. States face penalties for failing to make timely payments on their loan.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

23. MANDATORY WORK REQUIREMENTS—PARTICIPATION RATE REQUIREMENTS

Present law

The following minimum percentage of nonexempt AFDC families must participate in JOBS:

Fiscal year:	*Minimum percentage*
1995	20
1996 and thereafter (no requirement).	0

The following minimum percentages of two-parent families receiving cash assistance must participate in specified work activities:

Fiscal year:	*Minimum percentage*
1995	50
1996	60
1997	75
1998 (last year)	75
1999 and thereafter (no requirement).	0

House bill

The following minimum percentages of all families receiving assistance funded by the family assistance grant (except those with a child under 1, if exempted by the State) must participate in work activities:

Fiscal year:	*Minimum percentage*
1997	25
1998	30
1999	35

	Minimum percentage
2000	40
2001	45
2002 or thereafter	50

The following minimum percentages of two-parent families receiving cash assistance must participate in specified work activities:

	Minimum percentage
Fiscal year:	
1996	50
1997	75
1998	75
1999 and thereafter	90.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

24. MANDATORY WORK REQUIREMENTS—CALCULATION OF PARTICIPATION RATES

Present law

Participation rates for all families are calculated for each month. A State's rate, expressed as a percentage, equals the number of actual JOBS participants divided by the number of AFDC recipients required to participate (nonexempt from JOBS). In calculating a State's overall JOBS participation rate, a standard of 20 hours per week is used. The welfare agency is to count as participants the largest number of persons whose combined and averaged hours in JOBS activities during the month equal 20 per week.

Participation rates for two-parent families for a month equal the number of parents who participate divided by the number of principal earners in AFDC-UP families (but excluding families who received aid for two months or less, if one parent engaged in intensive job search).

House bill

1. The participation rate (for all families and for two-parent families) for a State for the fiscal year is the average of the participation rates for each month in the fiscal year. The monthly participation rate for a State is a percentage obtained by dividing the number of families receiving assistance that include an adult who is engaged in work by the number of families receiving assistance (not counting those subject to a recent sanction for refusal to work).

2. The required participation rate for a year is to be adjusted down one percentage point for each percentage point that the average monthly caseload is below fiscal year 1995 levels, unless the Secretary finds that the decrease was required by Federal law or results from changes in State eligibility criteria (which must be proved by the Secretary). The Secretary is to prescribe regulations for this adjustment.

3. States have the option of counting individuals receiving assistance under a tribal family assistance plan towards the State work participation requirement.

4. States have the option of not requiring single parents of children under age one to engage in work and may disregard these parents in determining work participation rates.

Senate amendment

1. Same.
2. Same.
3. Same.
4. Allows a parent to receive this exemption only for a total of 12 months, whether or not consecutive.

Conference agreement

The conference agreement follows the Senate amendment, with a modification. For item 1, the conference agreement includes minor heads of households along with adults in the calculation of State work participation rates (in both the numerator and denominator of the calculation).

25. MANDATORY WORK REQUIREMENTS—OPTIONAL INDIVIDUAL RESPONSIBILITY PLAN

Present law

States must make an initial assessment of the educational, child care, and other supportive service needs, and of the skills and employability of each JOBS participant. In consultation with the participant, the agency shall develop an employability plan for the participant, which shall not be considered a contract. After these steps, the State agency may require the participant to negotiate and enter into an agreement that specifies matters such as the participant's obligations, duration of participation, and services to be provided.

House bill

States are required to make an initial assessment of the skills, work experience, and employability of each recipient of assisting under the block grant who is over age 17 or has not completed high school or the equivalent, and is not attending secondary school. States may develop individual responsibility plans setting forth employment goals, obligations of the individual, and services the State will provide. In addition to other penalties that may apply, States may reduce assistance to families that include an individual who fails to comply with the terms of such plans.

Senate amendment

Requires States to require TANF recipient families to enter into a personal responsibility agreement, as developed by the State. The agreement means a binding contract. It is to include a negotiated individual time limit for benefit eligibility, outline steps the family and State will take to move the family to self-sufficiency, provide for sanctions if the individual fails to sign the agreement

or comply with its terms and shall be invalid if the State fails to comply with its terms.

Conference agreement

The conference agreement follows the House bill.

26. MANDATORY WORK REQUIREMENTS—ENGAGED IN WORK

Present law

Not relevant. (As discussed below, required activities in State JOBS programs are education, jobs skills training, job readiness, job development and job placement and two of these four: job search, on-the-job training, work supplementation, and community work experience, or other approved work experience. In general, to be counted as a JOBS participant, a person must be engaged in a JOBS activity for an average of 20 hours weekly.)

House bill

To be counted as engaged in work for a month, a recipient must be participating for at least the minimum average number of hours per week shown in the table below in one or more of these activities: unsubsidized employment, subsidized (private or public) employment, work experience, on-the-job training, job search and job readiness assistance, community service programs, or vocational educational training (12 months maximum).

Fiscal year:	*Minimum average weekly hours*
1996	20
1997	20
1998	20
1999	25
2000	30

Exceptions to the above table: (1) to be considered engaged in work, an adult in a two-parent family must make progress in work activities at least 35 hours per week, with not fewer than 30 hours attributable to the work activities cited above; (2) an individual in job search may be counted as engaged in work for up to 8 weeks, no more than 4 of which may be consecutive; (3) a State may count a single parent with a child under age 11 as engaged in work for a month if the parent works an average of 20 hours weekly in all years (the hourly minimum does not rise for these parents); (4) not more than 20 percent of adults in all families and in two-parent families determined to be engaged in work in the State for a month may meet the work requirement through participation in vocational educational training; (5) teen parents (under age 20) who head their households are considered to be engaged in work if they maintain satisfactory attendance at secondary school or participate in work-related education for at least the minimum average number of hours in the table; and (6) no provision.

Senate amendment

Changes list of work activities by substituting "educational training (not to exceed 24 months with respect to any individual)" for "vocational educational training (not to exceed 12 months with respect to any individual)." (Also, as the table below shows, re-

quired weekly hours of work rise to 35 in fiscal year 2002 and thereafter.)

Fiscal year:	*Minimum average weekly hours*
1996	20
1997	20
1998	20
1999	25
2000	30
2001	30
2002 and thereafter	35

Exceptions to the above table: (1) an adult in a two-parent family is considered engaged in work if he/she works at least 35 hours weekly, with at least 30 hours attributable to one of the activities cited above, and, if the family receives federally-funded child care, the second parent makes satisfactory progress for at least 20 hours weekly in employment, work experience, on-the-job training, or community service; (2) an individual in job search may be counted as engaged in work for only 4 weeks (12 weeks if the State unemployment rate exceeds the national average); (3) same as House provision; (4) not more than 30 percent of adults in all families and in 2-parent families may meet the work activity requirement through participation in vocational educational training (note: bill language refers to vocational educational training, although references elsewhere are to educational training—see above); (5) teen parents (under age 20) who head their households are considered to be engaged in work if they maintain satisfactory attendance at secondary school or the equivalent during the month or participate in education directly related to employment for at least the minimum average number of hours per week in the table; and (6) a person participating in a community service program may be treated as being engaged in work if she provides child care services to another participant in the community service program for the period of time each week determined by the State.

Conference agreement

The conference agreement follows the house bill and the Senate amendment as follows:

First, the conference agreement follows the House bill regarding vocational educational training as a work activity which is creditable for up to 12 months.

Second, the conference agreement follows the House bill regarding the minimum average weekly hours of work required.

Finally, regarding exceptions to the work hour requirements, the conference agreement: (1) follows the Senate amendment on hours of work for adults in a 2-parent family, with the modification exempting the second parent, if such parent is disabled or caring for a severely disabled child; (2) follows the Senate amendment regarding job search, with the modification that a total of 6 weeks is allowed, of which not more than 4 may be consecutive (and, in the case of States in which the unemployment rate is at least 50 percent above the national average, a total of 12 weeks is allowed); in addition an individual may count a partial week of job search as a full week of work limited to one occasion; (3) follows the House bill in permitting States to count certain single parents as engaged

in work if the parent works for 20 hours per week, with the modification that the parent's child must be under age 6 (however, the conference agreement follows the Senate amendment regarding the requirement that States may not disregard such an adult in calculating their work rates); (4) follows the House bill regarding the limitation on the number of parents countable if in vocational education; (5) follows the Senate amendment on teen parents and education, with the modification that teen parents meeting the work requirement in this way are counted towards the 20 percent limitation on vocational education (see above); and (6) follows the Senate amendment on persons providing child care, with the clarification that such hours spent providing child care count towards fulfillment of the hours of work required.

27. MANDATORY WORK REQUIREMENTS—WORK ACTIVITIES DEFINED

Present law

JOBS programs must include specified educational activities (high school or equivalent education, basic and remedial education, and education for those with limited English proficiency); job skills training, job readiness activities, and job development and placement. In addition, States must offer at least two of these four items: group and individual job search; on-the-job training; work supplementation or community work experience program (or another work experience program approved by the HHS Secretary). The State also may offer postsecondary education in "appropriate" cases.

House bill

"Work activities" are defined as unsubsidized employment, subsidized private sector employment, subsidized public sector employment, work experience if sufficient private sector employment is not available, on-the-job training, job search and job readiness assistance, community service programs, vocational educational training (1 year maximum), jobs skills training directly related to employment, education directly related to employment in the case of a recipient who lacks a high school diploma or equivalency, and satisfactory attendance at secondary school for a recipient who has not completed high school.

Senate amendment

Same as House provision except for last two items in list of "work activities." These activities (work-related education and secondary school attendance) are creditable as "work" only for persons under age 20.

Conference agreement

The conference agreement follows the House bill, with the modification to include the provision of child care services to an individual who is participating in a community service program.

28. MANDATORY WORK REQUIREMENTS—PENALTIES AGAINST INDIVIDUALS

Present law

For failure to meet JOBS requirements without good cause, AFDC benefits are denied to the offending parent and payments for the children are made to a third party. In a two-parent family, failure of one parent to meet JOBS requirements without good cause results in denial of benefits for both parents (unless the other parent participates) and third-party payment on behalf of the children. Repeated failures to comply bring potentially longer penalty periods.

House bill

If an adult recipient refuses to engage in required work, the State shall reduce the amount of assistance to the family pro rata (or more, at State option) with respect to the period of work refusal, or shall discontinue aid, subject to good cause and other exceptions that the State may establish. In addition, if block grant recipients fail to meet any of the work requirements, States may terminate their coverage under the Medicaid program. A State may not penalize a single parent caring for a child under age eleven for refusal to work if the parent proves a demonstrated inability to obtain needed child care for specified reasons.

Senate amendment

Same as House provision except that Senate does not provide that States may end Medicaid for block grant recipients who fail to meet any of the work requirements in the act.

Conference agreement

The conference agreement follows the House bill with the modification that, if benefits are terminated under the work requirements of section 407 of this part, States may end Medicaid eligibility for adults made ineligible, but not children in the family. In addition, modifies the House bill and Senate amendment so that States may not penalize a single parent caring for a child under age 6 for refusal to work if the parent proves a demonstrated inability to obtain needed child care for specified reasons.

29. MANDATORY WORK REQUIREMENTS—NONDISPLACEMENT IN WORK ACTIVITIES

Present law

Under JOBS law, no work assignment may displace any currently employed worker or position (including partial displacement such as a reduction in hours of non-overtime work, wages, or employment benefits). Nor may a JOBS participant fill a position vacant because of layoff or because the employer has reduced the workforce with the effect of creating a position to be subsidized.

House bill

In general, an adult in a family receiving IV–A assistance may fill a work vacancy. However, no adult in a Title IV–A work activ-

ity shall be employed or assigned when another person is on layoff from the same or a substantially equivalent job, or when the employer has terminated the employment of a regular worker or otherwise caused an involuntary reduction of its workforce in order to fill the vacancy thus created with a subsidized worker. This provision does not preempt or supersede any State or local law providing greater protection from displacement.

Senate amendment

In general, an adult in a family receiving IV–A assistance may fill a work vacancy. However, no IV–A work assignment may displace a currently employed worker (including any partial displacement such as a reduction in hours of overtime work, wages, or employment benefits), impair an existing contract or collective bargaining agreement, or result in ending a regular worker's employment. States must establish and maintain a grievance procedure, including hearing opportunity, for resolving complaints and providing remedies for violations. This section does not preempt or supersede any State or local law providing greater protection from displacement.

Conference agreement

The conference agreement follows the House bill, with the modification to include a requirement that States establish a grievance procedure for workers adversely affected pursuant to this section.

30. MANDATORY WORK REQUIREMENTS—SENSE OF THE CONGRESS THAT STATE SHOULD PLACE A PRIORITY ON PLACING CERTAIN PARENTS IN WORK

Present law

As a condition of receiving full matching funds, a State must use 55 percent of its JOBS spending for these target groups: persons who have received aid for any 36 of the 60 preceding months, parents under age 24 who failed to complete high school, and parents whose youngest child is within 2 years of becoming ineligible for aid (i.e., whose youngest child is, usually, at least 16).

House bill

It is the sense of Congress that States should give highest priority to requiring adults in two-parent families and adults in single-parent families with children that are older than preschool age to engage in work activities.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

31. MANDATORY WORK REQUIREMENTS—SENSE OF THE CONGRESS THAT STATES SHOULD IMPOSE CERTAIN REQUIREMENTS ON NON-CUSTODIAL, NONSUPPORTING MINOR PARENTS

Present law

No provision.

House bill

It is the sense of the Congress that States should require non-custodial, nonsupporting parents who have not attained 18 years of age to fulfill community work obligations and attend appropriate parenting or money management classes after school.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

32. MANDATORY WORK REQUIREMENTS—REVIEW OF IMPLEMENTATION OF STATE WORK PROGRAMS

Present law

No provision.

House bill

During fiscal year 1999, the Committees on Ways and Means and Finance must hold hearings to review the implementation by States of the mandatory work requirements, and may introduce legislation to remedy any problems found.

Senate amendment

No provision.

Conference agreement

The conference agreement follows the House bill.

33. PROHIBITIONS; REQUIREMENTS—FAMILIES WITH NO MINOR CHILDREN

Present law

Only families with dependent children (under age 18, or 19 at State option if the child is still in secondary school or in the equivalent level of vocational or technical training) can participate in the program.

House bill

Only families with a minor child (who resides with a custodial parent or other adult caretaker relative of the child) or a pregnant individual may receive assistance under this part.

Senate amendment

Adds prohibition against assistance to a family in which an adult already has received 60 months of assistance attributable to Federal funds. See also item 41.

Conference agreement

The conference agreement follows the House bill and the Senate amendment. Conferees note that the 5-year time limit on benefits applies only to benefits provided using Temporary Assistance for Needy Families (TANF) Block Grant funds. Other Federal funds, such as Title XX Social Services Block Grants and support through the expanded Child Care and Development Block Grant, are not restricted for families that have already received 5 years of TANF support.

34. PROHIBITIONS; REQUIREMENTS—NO ADDITIONAL CASH ASSISTANCE FOR CHILDREN BORN TO FAMILIES RECEIVING ASSISTANCE

Present law

No provision.

House bill

1. Block grant funds may not be used to provide cash benefits for a child born to a recipient of cash welfare benefits or an individual who received cash benefits at any time during the 10-month period ending with the birth of the child. This prohibition does not apply to children born as a result of rape or incest. Block grant funds can be used to provide noncash (voucher) assistance for particular goods and services suitable for the care of the child.

2. States that pass a law specifically exempting their own programs from this national rule may use Federal funds to increase cash benefits for families that have additional children while on welfare.

3. If a State has a family cap policy under a section 1115 waiver on the date of enactment, it may continue terms of those family caps.

Senate amendment

1. Same family cap provision except that Senate amendment does not explicitly provide for use of block grant funds to give voucher assistance for care of the excluded child. (This provision was deleted because of the Byrd rule.)

2. Same.

3. Same provision, but adds permission for States to continue terms of family caps resulting from State law passed within 2 years of enactment.

Conference agreement

This provision was deleted due to the Byrd rule.

35. PROHIBITIONS; REQUIREMENTS—NONCOOPERATION IN CHILD SUPPORT

Present law

As a condition of eligibility, applicants or recipients must cooperate in establishing paternity of a child born out-of-wedlock, in obtaining support payments, and in identifying any third party who may be liable to pay for medical care and services for the child.

House bill

The State must stop paying the parent's share of the family welfare benefit if the parent fails to cooperate in establishing paternity, or in establishing, modifying or enforcing a child support order, and the individual does not qualify for a good cause or other exception; the State may deny benefits to the entire family for the parent's failure to cooperate.

Senate amendment

If a parent fails to cooperate in establishing paternity or in establishing, modifying, or enforcing a child support order, and the individual does not qualify for a good cause or other exception, the State shall reduce the family's benefit by at least 25 percent. It may reduce the benefit to zero.

Conference agreement

The conference agreement follows the Senate amendment.

36. PROHIBITIONS; REQUIREMENTS—FAILURE TO ASSIGN CERTAIN SUPPORT RIGHTS TO THE STATE

Present law

As a condition of AFDC eligibility, applicants must assign child support and spousal support rights to the State.

House bill

Block grant funds may not be used to provide cash benefits to a family with an adult who has not assigned to the State rights to child support or spousal support.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

37. PROHIBITIONS; REQUIREMENTS—SCHOOL ATTENDANCE REQUIRED FOR ADULTS WITHOUT A DIPLOMA

Present law

No provision.

House bill

No provision.

Senate amendment

Prohibits any TANF-funded assistance to the family of an adult older than 20 but younger than 51 who has received IV-A aid or food stamps if the person does not have, or is not working toward, a secondary school diploma or its equivalent. An exception is made for a person determined to lack the capacity to successfully complete the course of study.

Conference agreement

The conference agreement follows the Senate amendment.

38. PROHIBITIONS; REQUIREMENTS—SCHOOL ATTENDANCE REQUIRED FOR MINOR CHILDREN

Present law

No provision.

House bill

No provision.

Senate amendment

Prohibits any TANF-funded aid to a family that includes an adult who has received IV–A benefits or food stamps unless the adult ensures that the family's minor dependent children attend school as required by the law of their State.

Provides that a State shall not be prohibited from sanctioning a family with an adult who fails to meet this requirement.

Conference agreement

The conference agreement follows the Senate amendment.

39. PROHIBITIONS; REQUIREMENTS—UNWED MINOR PARENT NOT ATTENDING HIGH SCHOOL OR NOT LIVING WITH AN ADULT

Present law

States may require unwed parents under age 18 to live with an adult in order to receive AFDC. They must require a custodial parent who is under 20 years old and who has not completed high school to participate in an educational activity under the JOBS program.

House bill

States have the option of using Federal funds to provide cash welfare payments to unmarried minors only under specified conditions. States may not use Federal family assistance grant funds to provide assistance to unwed parents under age 18 who have a child at least 12 weeks of age and did not complete high school unless they attend high school or an alternative educational or training program. States may not use Federal funds to provide assistance to unmarried parents under age 18 unless they live with a parent or in another adult-supervised setting; States may, under certain circumstances, use Federal funds to assist teen parents in locating and providing payment for a second chance home or other adult-supervised living arrangement.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

40. PROHIBITIONS; REQUIREMENTS—MEDICAL SERVICES

Present law

States must assure that family planning services are offered to all AFDC recipients who request them. (The Secretary is to reduce AFDC payments by 1 percent for failure to offer and provide family planning services to those requesting them.)

House bill

Federal family assistance grants may not be used to provide medical services; Federal funds may, however, be used to provide prepregnancy family planning services.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

41. PROHIBITIONS; REQUIREMENTS—TIME-LIMITED BENEFITS

Present law

No provision.

House bill

Federal family assistance grants may not be used to provide assistance for the family of a person who has received block grant aid for 60 months (or fewer, at State option), whether or not consecutive. States may give hardship exemptions in a fiscal year to up to 20 percent of their average monthly caseload, including individuals who have been battered or subjected to sexual abuse (but States are not required to exempt these persons). When considering an individual's length of stay on welfare, States are to count only time during which the individual received assistance as the head of household or as the spouse of the household head. Any State funds spent to aid persons no longer eligible for TANF after 5 years of benefits may be counted toward the maintenance-of-effort requirement.

This part shall not be interpreted to prohibit a State from using State funds not originating with the Federal government to aid families that lose eligibility for the block grant program because of the 5-year time limit.

Senate amendment

Same, except adds an exemption from the time limit for persons who live on a reservation of an Indian tribe with a population

of at least 1,000 persons and with at least 50 percent of the adult population not employed.

Conference agreement

The conference agreement follows the House bill and the Senate amendment on the time limit policy, and includes the Senate provision on exceptions for certain Indian populations and the House provision specifying States' authority to use State and local funds to provide support, including cash assistance, after 5 years. (For a description of other Federal funds that may be provided such families, see the conference agreement description of item 33 above.)

42. PROHIBITIONS; REQUIREMENTS—FRAUDULENT MISREPRESENTATION OF RESIDENCE IN TWO STATES

Present law

No provision.

House bill

Any person convicted in Federal court or State court of having fraudulently misrepresented residence in order to obtain benefits or services in two or more States from the family assistance grant, Medicaid, Food Stamps, or Supplemental Security Income programs is ineligible for family assistance grant aid for 10 years.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

43. PROHIBITIONS; REQUIREMENTS—FUGITIVE FELONS AND PROBATION AND PAROLE VIOLATORS

Present law

States may provide a recipient's address to a State or local law enforcement officer who furnishes the recipient's name and social security number and demonstrates that the recipient is a fugitive felon and that the officer's official duties include locating or apprehending the felon.

House bill

No assistance may be provided to an individual who is fleeing to avoid prosecution, custody or confinement after conviction for a crime (or an attempt to commit a crime) that is a felony (or, in New Jersey, a high misdemeanor), or who violates probation or parole imposed under Federal or State law.

Any safeguards established by the State against use or disclosure of information about individual recipients shall not prevent the agency, under certain conditions, from providing the address of a recipient to a law enforcement officer who is pursuing a fugitive felon or parole or probation violator. This provision applies also to a recipient sought by an officer not because he is a fugitive but be-

cause he has information that the officer says is necessary for his official duties. In both cases the officer must notify the State that location or apprehension of the recipient is within his official duties.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

44. PROHIBITIONS; REQUIREMENTS—MINOR CHILDREN ABSENT FROM HOME FOR A SIGNIFICANT PERIOD

Present law

Regulations allow benefits to continue for children who are "temporarily absent" from home.

House bill

No assistance may be provided for a minor child who has been absent from the home for 45 consecutive days or, at State option, between 30 and 180 consecutive days. States may establish a good cause exemption as long as it is detailed in the State report to the Secretary. No assistance can be given to a parent or caretaker who fails to report a missing minor child within five days of the time when it is clear (to the parent) that the child will be absent for the specified time.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

45. PROHIBITIONS; REQUIREMENTS—MEDICAL ASSISTANCE REQUIRED TO BE PROVIDED FOR FAMILIES BECOMING INELIGIBLE FOR ASSISTANCE DUE TO INCREASED EARNINGS OR COLLECTION OF CHILD SUPPORT

Present law

States must continue Medicaid (or pay premiums for employer-provided health insurance) for 6 months to a family that loses AFDC eligibility because of hours of, or income from, work of the caretaker relative, or because of loss of the earned income disregard after 4 months of work. States must offer an additional 6 months of medical assistance, for which it may require a premium payment if the family's income after child care expenses is above the poverty guideline. For extended medical aid, families must submit specified reports. States must continue Medicaid for 4 months to those who lose AFDC because of increased child or spousal support.

House bill

States must provide medical assistance for 1 year to families that become ineligible for block grant assistance because of increased earnings, provided they received cash block grant assistance in at least 3 of the 6 months before the month in which they became ineligible and their income is below the poverty line. For purposes of determining family income to compare with the Federal poverty line, States have the authority to set their own definition of income except that income from the Earned Income Tax Credit must be disregarded. States also must provide medical assistance for 4 months to families that leave welfare (after being enrolled for at least 3 of the previous 6 months) because of increased income from child support or spousal support.

Senate amendment

Same as current law.

Conference agreement

The conference agreement follows the House bill and the Senate amendment, with the modification that income restrictions conform to current law. Transitional Medicaid coverage is extended through the life of the block grant.

46. PROHIBITIONS; REQUIREMENTS—MEDICAID

Present law

States must provide Medicaid to all AFDC recipients and to some AFDC-related groups who do not receive cash aid. Examples include persons who do not receive a monthly payment because the amount would be below $10 (Federal law prohibits payments this small) and persons whose payments are reduced to zero in order to recover previous overpayments.

States must continue Medicaid for specified periods for certain families who lose AFDC benefits. If the family loses AFDC benefits because of increased earnings or hours of employment, Medicaid coverage must be extended for 12 months. (During the second 6 months a premium may be imposed, the scope of benefits may be limited, or alternate delivery systems may be used.) If the family loses AFDC because of increased child or spousal support, coverage must be extended for 4 months. States are also required to furnish Medicaid to certain two-parent families whose principal earner is unemployed and who are not receiving cash assistance because the State has set a time limit on their AFDC coverage.

House bill

States must provide medical assistance to persons who would be eligible for AFDC cash benefits (under terms of July 16, 1996) if that program still were in effect.

A State may increase the AFDC income standard above that of July 16, 1996 by the percentage increase in the consumer price index for all urban consumers over the same period.

Senate amendment

States must provide medical assistance to persons who would be eligible for AFDC (under terms of July 1, 1996) as if that program were still in effect. Simplifies standards to make it easier for States to administer. States would have the option to: (1) lower their income standard, but not below those in effect on May 1, 1988; and (2) use income and resource standards and methodologies that are less restrictive than those in effect on July 1, 1996.

In order to provide States additional flexibility, States may use 1 application form and may administer the program through either its title IV agency or its title XIX agency.

Families would receive transitional Medicaid benefits as under current law.

Conference agreement

The conference agreement follows the House bill and the Senate amendment, with the modification that States must retain the income and resource standards they had for AFDC eligibility on July 16, 1996. States may terminate Medicaid eligibility for an adult who is terminated from TANF because of failure to work. Conferees are concerned that the conference agreement may require States to maintain a dual-eligibility determination system. Conferees, however, lacked adequate information to determine the true nature and extent of this problem. Thus, conferees recommend that the Committees on Ways and Means, Commerce, and Finance conduct hearings in the next Congress to carefully examine this problem. If the committees determine that the dual-eligibility system does in fact impose additional administrative costs on the States, Congress should consider Federal-State cost-sharing schemes and other legislative solutions. In the meantime, conferees are establishing a fund of $.5 billion in entitlement spending that will be distributed among States that experience additional administrative expenses directly attributable to conducting a dual-eligibility system.

47. PROHIBITIONS; REQUIREMENTS—STATE DISREGARD OF INCOME SECURITY PAYMENTS

Present law

AFDC benefits may not be paid to a recipient of old-age assistance (predecessor to Supplemental Security Income (SSI) and now available only in Puerto Rico, Guam, and the U.S. Virgin Islands), SSI, or AFDC foster care payments.

House bill

This provision allows States to disregard payments from old age and survivors' insurance (social security), disability insurance, old-age assistance, foster care, and Supplemental Security Income in determining the amount of block grant cash assistance to be provided to a family.

Senate amendment

No provision.

Conference agreement

The conference agreement follows the Senate amendment.

48. PROHIBITIONS; REQUIREMENTS—NONDISCRIMINATION

Present law

No explicit provision in current AFDC/JOBS law.

House bill

No provision.

Senate amendment

States that have any program or activity that receives block grant funds for Temporary Assistance for Needy Families shall be subject to enforcement authorized under the Age Discrimination Act of 1975, the Rehabilitation Act of 1973 (sec. 504), and the Civil Rights Act of 1964 (Title VI).

Conference agreement

The conference agreement follows the Senate amendment.

49. PROHIBITIONS; REQUIREMENTS—DENIAL OF BENEFITS FOR CERTAIN DRUG-RELATED CONVICTIONS

Present law

No explicit provision.

House bill

No provision.

Senate amendment

An individual convicted under Federal or State law of any crime related to illegal possession, use, or distribution of a drug is ineligible for any Federal means-tested benefit (for 5 years for a misdemeanor and for life for a felony). Family members or dependents of the individual are exempted, and individuals made ineligible would continue to be eligible for emergency benefits, including emergency medical services.

Conference agreement

The conference agreement follows the Senate amendment, with the modification that only TANF block grant benefits and food stamps are denied and that the denial is only for a felony offense.

50. PENALTIES—USE OF GRANT IN VIOLATION OF THIS PART

Present law

If the Secretary finds that a State has failed to comply with the State plan, she is to withhold all payments from the State (or limit payments to categories not affected by noncompliance).

House bill

Note.—Before imposing any of the penalties below, the Secretary shall notify the State of the violation and allow the State to enter into a corrective action plan (item 60). Also, except for items

51 and 52, the Secretary may not impose a penalty if she finds that the State has reasonable cause for its failure to comply.

If an audit finds that a State has used Federal funds in violation of the purposes of this title, the Secretary shall reduce the following quarter's payment by the amount misused. If the State cannot prove that the misuse was unintentional, the State's following quarter payment will be reduced by an additional five percent.

Senate amendment

Same. See also item 57, Failure to Comply with Provisions of IV–A or State Plan.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

51. PENALTIES—FAILURE TO SUBMIT REQUIRED REPORT

Present law

There is no specific penalty for failure to submit a report, although the general noncompliance penalty could apply.

House bill

If a State fails to submit a required quarterly report within one month after the end of a fiscal quarter, the Secretary shall reduce by 4 percent the block grant amount otherwise payable to the State for the next fiscal year. However, the penalty shall be rescinded if the State submits the report before the end of the fiscal quarter succeeding the one for which the report was due.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

52. PENALTIES—FAILURE TO SATISFY MINIMUM PARTICIPATION RATES

Present law

If a State fails to achieve the JOBS participation rate specified in law, the Secretary is to reduce to 50 percent the Federal matching rate for JOBS activities and for full-time personnel costs, which now ranges from 60 percent to 78 percent among States. (However, see item 54, "Corrective Compliance," for penalty waiver authority.)

House bill

If a State fails to achieve its required work participation rate for the fiscal year, the Secretary shall reduce the following year's block grant by up to 5 percent, with the percentage cut based on the "degree of noncompliance." The Secretary has the authority to reduce the penalty if the State economy is in recession. In addition, failure to meet required work participation requirements results in States' being required to maintain 80 percent of historic spending levels, instead of 75 percent.

Senate amendment

Imposes a graduated penalty on each consecutive failure by a State to meet the work participation standard. The Senate amendment also does not authorize the Secretary to reduce the penalty for States with high unemployment.

Conference agreement

On penalty amounts, the conference agreement follows the Senate amendment with the modification that there is a graduated penalty of 5 percent the first year and 2 percent in addition to the prior year's penalty in subsequent years (so annual penalties in consecutive years would be 5 percent in the first year, 7 percent in the second, 9 percent in the third, and so on), with a maximum cumulative penalty of 21 percent. The conference agreement follows the House bill in authorizing the Secretary to reduce the penalty for needy States as defined under the contingency fund eligibility criteria.

53. FAILURE TO PARTICIPATE IN THE INCOME AND ELIGIBILITY VERIFICATION SYSTEM

Present law

States must have in effect an Income and Eligibility Verification System covering AFDC, Medicaid, unemployment compensation, the Food Stamp program, and adult cash aid in the outlying areas. There is no specific penalty for failure to comply.

House bill

If the State fails to participate in the Income and Eligibility Verification System (IEVS) designed to reduce welfare fraud, the Secretary shall reduce by up to 2 percent the annual family assistance grant of the State.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

54. FAILURE TO COMPLY WITH PATERNITY ESTABLISHMENT AND CHILD SUPPORT ENFORCEMENT REQUIREMENTS

Present law

The penalty against a State for noncompliance with child support enforcement rules—loss of AFDC matching funds—shall be suspended if a State submits and implements a corrective action plan.

House bill

If the Secretary determines that a State does not enforce penalties requested by the Title IV–D child support enforcement agency against recipients of cash aid who fail to cooperate in establishing paternity or in establishing, modifying, or enforcing a child sup-

port order under Title IV–D (and who do not qualify for any good cause or other exception), the Secretary shall reduce the cash assistance block grant by up to five percent.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

55. FAILURE TO TIMELY REPAY A FEDERAL LOAN FUND FOR STATE WELFARE PROGRAMS

Present law

No provision.

House bill

If a State fails to pay any amount borrowed from the Federal Loan Fund for State Welfare Programs within the maturity period, plus any interest owed, the Secretary shall reduce the State's family assistance block grant for the immediately succeeding fiscal year quarter by the outstanding loan amount, plus the interest owed on it. The Secretary may not forgive these overdue debts.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

56. FAILURE OF ANY STATE TO MAINTAIN CERTAIN LEVEL OF HISTORIC EFFORT

Present law

No provision.

House bill

If in fiscal years 1997 through 2001 a State fails to spend a sum equal to at least 75 percent of its "historic level" (generally fiscal year 1994 expenditures for AFDC, JOBS, Emergency Assistance, AFDC-related child care and "at-risk" child care) of State spending on specified programs, the Secretary shall reduce the following year's family assistance grant (that is, in fiscal years 1998 through 2002) by the difference between the 75 percent requirement and what the State actually spent. However, States that fail to meet required work participation rates must maintain 80 percent of historic spending levels.

Qualified State expenditures that count toward the 75 percent (or 80 percent) spending requirement are all State-funded expenditures under all State programs that provide any of the following assistance to families eligible for family assistance benefits (and those no longer eligible because of the 5-year time limit or ineligible because of the Act's treatment of noncitizens): cash and child

care assistance; educational activities designed to increase self-sufficiency, job training and work (excluding any expenditure for public education in the State other than expenditures for services or assistance to a member of an eligible family that is not generally available to other persons); administrative costs not to exceed 15 percent of the total amount of qualified State expenditures; and any other use of funds reasonably calculated to accomplish purposes of the temporary family assistance. Qualified expenditures exclude spending from funds transferred from State or local programs except those that exceed the amount expended in 1996 or those for which the State is entitled to a Federal payment under former AFDC/JOBS law (as in effect just before enactment).

The Secretary is to reduce the 75 percent (or 80 percent) maintenance of effort spending requirement by up to eight percentage points (i.e., to no lower than 67 percent or 72 percent) for States that achieve "high performance" scores, based on a threshold to be set by the Secretary, for achieving the goals of the program of Temporary Assistance for Needy Families (TANF).

Senate amendment

Raises required State spending to 80 percent of the "historic" level for all States. (Does not distinguish between States that meet or fail work participation rates in maintenance-of-effort rule.)

The Secretary is to reduce the 80 percent spending requirement by up to 8 percentage points (to as low as 72 percent) for States with high performance scores. (This provision was deleted because of the Byrd rule.)

Conference agreement

The conference agreement follows the House bill, except that the provision allowing reduction of required State spending for high performance States is dropped. Conferees note that State spending on programs that promote self-sufficiency and prevent welfare dependence including, but not limited to, substance abuse treatment, teen parenting and pregnancy prevention shall count towards a State's maintenance of effort. The fact that such funds are spent through or by State or local education agencies should not prevent their being counted towards the State maintenance of effort.

57. SUBSTANTIAL NONCOMPLIANCE OF STATE CHILD SUPPORT ENFORCEMENT PROGRAM REQUIREMENTS

Present law

If a State child support program is found not to be in substantial compliance with Federal requirements, the Secretary is to reduce AFDC matching funds: by 1–2 percent for first finding of noncompliance, by 2–3 percent for second consecutive finding, and by 3–5 percent for third or subsequent finding. (See "corrective compliance" item 54.) Note: State child support plans must undertake to establish paternity of children born out-of-wedlock for whom AFDC is sought, and AFDC law requires the parent to cooperate in establishing paternity. Failure to cooperate makes the parent ineligible for AFDC.

House bill

If a State child support enforcement program is found by review not to have complied with Title IV–D requirements, and the Secretary determines that the program is not in compliance at the time the finding is made, then the Secretary will reduce the State's quarterly block grant payment for each quarter during which the State is not in compliance. For the first finding of noncompliance, the reduction will be between one and two percent; for the second consecutive finding, between two and three percent; for the third or subsequent findings, between three and five percent. Non-compliance of a technical nature is to be disregarded.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

58. FAILURE OF STATE RECEIVING AMOUNTS FROM CONTINGENCY FUND TO MAINTAIN 100 PERCENT OF HISTORIC EFFORT

Present law

Not relevant.

House bill

If the Secretary determines that a State failed to maintain 100 percent of historic State spending, as required during a year in which contingency funds are paid to the State, the following year's block grant payment to the State is to be reduced by the amount of contingency funds paid.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

59. REQUIRED REPLACEMENT OF GRANT FUND REDUCTIONS CAUSED BY PENALTIES

Present law

Not applicable.

House bill

If a State's block grant is reduced as a result of one of the above penalties, the State must, during the following fiscal year, replace the penalized funds using State funds.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

60. PENALTIES—FAILURE TO PROVIDE MEDICAL ASSISTANCE TO FAMILIES BECOMING INELIGIBLE FOR ASSISTANCE UNDER THIS PART DUE TO INCREASED EARNINGS FROM EMPLOYMENT OR COLLECTION OF CHILD SUPPORT

Present law

If the Secretary finds that a State fails to comply substantially with any required provision of its Medicaid plan (including transitional benefits for former AFDC families), she shall withhold all payments to the State (or limit payments to categories not affected by the noncompliance).

House bill

If the Secretary determines that a State does not comply with the requirement to provide extended medical assistance for certain families that become ineligible for block grant assistance due to increased earnings or the collection of child support, the Secretary must reduce the State's block grant by up to 5 percent (depending on the severity of the violation).

Senate amendment

No specific provision about failure to comply with requirement for extended medical assistance, but see item below.

Conference agreement

The conference agreement follows the Senate amendment.

61. PENALTIES—FAILURE TO COMPLY WITH PROVISIONS OF IV–A OR STATE PLAN

Present law

If the Secretary finds that a State has failed to comply with the State plan, she is to withhold all payments from the State (or limit payments to categories not affected by noncompliance). (Item 46 above.)

House bill

No general penalty for failure to comply with State plan.

Senate amendment

If the Secretary, after notice and hearing, finds that a State has not substantially complied with any provision of IV–A or the State plan during a fiscal year, she shall (if a preceding penalty paragraph does not apply) reduce the grant for the next year by up to 5 percent and shall continue an annual reduction of up to 5 percent until she determines that the State no longer is out of compliance.

Conference agreement

The conference agreement follows the House bill, with the modification that a new penalty provision is added for States that fail to meet the requirement to not sanction, for failure to perform work, single parents who prove they cannot find child care for a child under age 6.

62. PENALTIES—FAILURE TO COMPLY WITH 5-YEAR LIMIT ON ASSISTANCE

Present law

Not relevant.

House bill

No specific provision.

Senate amendment

If the Secretary determines that a State during a fiscal year has not complied with the 5-year time limit (for TANF-funded aid), she is to reduce the basic TANF grant for the next year by 5 percent.

Conference agreement

The conference agreement follows the Senate amendment.

63. PENALTIES—REASONABLE CAUSE EXCEPTION

Present law

Not applicable. (States are eligible for unlimited funds, but must match every dollar at a prescribed rate.)

House bill

The Secretary may (except for failure to timely repay the loan fund, failure to meet the maintenance-of-effort requirement and requirement to replace grant reductions caused by penalties) withhold penalties against a State if she determines that the State had reasonable cause for failing to comply with the requirement.

Senate amendment

The Secretary may (except for failure to timely repay the loan fund or failure to meet the maintenance-of-effort requirement) withhold penalties against a State if she determines that the State had reasonable cause for the failure.

Conference agreement

The conference agreement follows the House bill.

64. PENALTIES—CORRECTIVE COMPLIANCE PLAN

Present law

The penalty against a State for substantial noncompliance with child support rules is loss of AFDC matching funds. That penalty shall be suspended if a State submits and implements a corrective action plan. Also, if a State fails to achieve the JOBS participation rate specified in law, the Secretary may waive, in whole

or part, the reduction in matching funds, provided the State has submitted a proposal likely to achieve the applicable participation rate for the current year.

House bill

Before assessing a penalty against a State under any program established or modified by this Act, the Secretary must notify the State of the violation and allow the State an opportunity to enter into a corrective compliance plan within 60 days of the notification. The Federal government will have 60 days within which to accept or reject the plan; if it accepts the plan, and if the State corrects the violation, no penalty will be assessed. A plan submitted by a State is deemed to be accepted if the Secretary does not accept or reject the plan during the 60-day period after the plan is submitted.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

65. PENALTIES—LIMITATION ON AMOUNT OF PENALTY

Present law

If the Secretary finds that a State has failed to comply with the State AFDC plan, he is to withhold all AFDC payments from the State (or limit payments to categories not affected by the noncompliance.)

House bill

In imposing the penalties described above, a State's quarterly family assistance grant cannot be reduced by more than a total of 25 percent; if necessary, penalties in excess of 25 percent will be carried forward to the immediately following fiscal year.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

66. APPEAL OF ADVERSE DECISION

Present law

Current law (sec. 1116 of the Social Security Act) entitles a State to a reconsideration, which HHS must grant upon request, of any disallowed reimbursement claim for an item or class of items. The section also provides for administrative and judicial review, upon petition of a State, of HHS decisions about approval of State plans. At the option of a State, any plan amendment may be treated as the submission of a new plan.

House bill

The Secretary is required to notify the Governor of a State within five days of any adverse decision or action under Title IV–A, including any decision about the State's plan or imposition of a penalty. This section provides for administrative review by a Departmental Appeals Board within HHS, requires a Board decision within 60 days after an appeal is filed, and provides for judicial review (by a United States district court) within 90 days after a final decision by the Board. The proposal also repeals the reference to Title IV–A in section 1116.

Senate agreement

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

67. DATA COLLECTION AND REPORTING—GENERAL REPORTING REQUIREMENT

Present law

States are required to report the average monthly number of families in each JOBS activity, their types, amounts spent per family, length of JOBS participation and the number of families aided with AFDC/JOBS child care services, the kinds of child care services provided, and sliding fee schedules. States that disallow AFDC for minor mothers in their own living quarters are required to report the number living in their parent's home or in another supervised arrangement. States also must report data (including numbers aided, types of families, how long aided, payments made) for families who receive transitional Medicaid benefits.

House bill

The National Integrated Quality Control System draws monthly samples of AFDC cases and reports extensive background information about each case in the sample. JOBS regulations require States to submit a sample of monthly unaggregated case record data.

Senate amendment

Each eligible State must collect on a monthly basis, and report to the Secretary on a quarterly basis, the following information on individual families receiving assistance:

1. the county of residence of the family;
2. whether a child receiving assistance or an adult in the family is disabled;
3. the ages of family members;
4. the number of individuals in the family, and the relationship of each member to the youngest child;
5. the employment status and earnings of the employed adult;
6. the marital status of adults, including whether they are never married, widowed, or divorced;

7. the race and educational status of each adult;

8. the race and educational status of each child;

9. whether the family received subsidized housing, Medicaid, food stamps, or subsidized child care, and if the latter two, the amount received;

10. the number of months the family has received each type of assistance under the program;

11. if the adults participated in, and the number of hours per week of participation in, the following activities: education; subsidized private sector employment; unsubsidized employment; public sector employment, work experience, or community service; job search; job skills training or on-the-job training; and vocational education;

12. information necessary to calculate the State work participation rates;

13. the type and amount of assistance received under the program, including the amount of and reason for any reduction of assistance (including sanctions);

14. any amount of unearned income received by any family member; and

15. the citizenship of family members.

In addition to data on individual cases, States must report, on a sample of cases closed during the quarter, whether families left welfare because of employment, marriage, the five-year time limit on benefits, sanction, or State policy.

States may use scientifically acceptable sampling methods approved by the Secretary to estimate the required data elements. The Secretary shall provide States with case sampling plans and data collection procedures deemed necessary for statistically valid estimates.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

68. OTHER STATE REPORTING REQUIREMENTS

Present law

Regulations require each State to submit quarterly estimates of the total amount (and the Federal share) of expenditures for AFDC benefits and administration. Required quarterly reports include estimates of the Federal share of child support collections made by the State.

House bill

The above quarterly report submitted by the State must also include:

1. a statement of the percentage of the funds paid to the State that is used to cover administrative costs or overhead;

2. a statement of the total amount expended by the State during the quarter on programs for needy families;

3. the number of noncustodial parents in the State who participated in work activities as defined in the proposal during the quarter; and

4. the total amount spent by the State for providing transitional services to a family that no longer receives assistance because of employment, along with a description of those services.

The Secretary shall prescribe regulations necessary to define the data elements.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

69. DATA COLLECTION AND REPORTING—ANNUAL REPORTS TO THE CONGRESS BY THE SECRETARY

Present law

The law requires the HHS Secretary to report promptly to Congress the results of State reevaluations of AFDC need standards and payment standards required at least every 3 years. The Secretary is to annually compile and submit to Congress annual State reports on at-risk child care. The Family Support Act requires the Secretary to submit recommendations regarding JOBS performance standards by a deadline that was extended.

House bill

Not later than 6 months after the end of fiscal year 1997, and each fiscal year thereafter, the Secretary shall send Congress a report describing:

1. whether States are meeting minimum participation rates and whether they are meeting objectives of increasing employment and earnings of needy families, increasing child support collections, and decreasing out-of-wedlock pregnancies and child poverty;

2. demographic and financial characteristics of applicant families, recipient families, and those no longer eligible for temporary family assistance;

3. characteristics of each State program funded under this part; and

4. trends in employment and earnings of needy families with minor children.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

70. DIRECT FUNDING AND ADMINISTRATION BY INDIAN TRIBES—GRANTS FOR INDIAN TRIBES

Present law

No provision for AFDC administration by Indian tribes. Indian and Alaska families with children receive AFDC benefits on the same terms as other families in their States, from State or local AFDC agencies.

More than 80 tribes and native organizations in 24 States are JOBS grantees, having applied to conduct JOBS within 6 months of enactment of the law establishing it. Their JOBS allocation of funds is deducted from that of their State.

House bill

For each fiscal year 1997 through 2000, the Secretary shall pay tribal family assistance grants to eligible Indian tribes (and shall reduce the family assistance grant for the State(s) in which the tribe's service area lies accordingly). The tribal family assistance grant is equal to the total amount of Federal payments to the State for fiscal year 1994 in AFDC benefits, AFDC Administration, Emergency Assistance, and JOBS funds for Indian families residing in the tribal service area. The Secretary shall pay tribes that participated in the JOBS program in fiscal year 1995 a grant equal to their fiscal year 1994 JOBS funding ($7.6 million). This sum is appropriated for each of six fiscal years, 1996 through 2001.

Senate amendment

Same as the House bill, except for adding a fifth year, 2001, for tribal family assistance grants.

Conference agreement

The conference agreement follows the Senate amendment.

71. DIRECT FUNDING AND ADMINISTRATION BY INDIAN TRIBES—THREE-YEAR TRIBAL FAMILY ASSISTANCE PLAN

Present law

Not applicable.

House bill

Indian tribes must submit a tribal family assistance plan to be eligible to receive a tribal family assistance grant. The plan must outline the tribe's approach to providing welfare services during the 3-year period, specify how services will be provided, identify populations and areas served, provide that families will not receive duplicate assistance from a State or other tribal assistance plan, identify employment opportunities in the service area, and apply fiscal accountability provisions of the Indian Self-Determination and Education Assistance Act relating to the submission of a single-agency audit report required under current law.

The Secretary must approve tribal family assistance plans that meet the above requirements. For each tribe receiving a family assistance grant and with the participation of the tribe, the Secretary shall establish minimum work requirements, time limits, and pen-

alties that are consistent with provisions of this Act and the economic conditions and resources of the tribe. Tribes will be subject to the same penalties as States for misusing funds, failing to pay back Federal loan funds, and failing to meet work participation rates. Tribes will also be required to abide by the same data collection and reporting requirements as States.

Unless excepted through a waiver, tribes in Alaska that receive tribal family assistance grants must operate a program comparable to the temporary family assistance program of the State of Alaska.

Section 1110 of the Social Security Act authorizes and appropriates "such sums as the Congress may determine" for making grants and contracts to (or jointly financed arrangements with) States and public or private organizations for cooperative research or demonstration projects, such as those relating to the prevention and reduction of dependency.

House bill

The Secretary shall conduct research on the effects, benefits, and costs of operating State programs of Temporary Assistance for Needy Families, including time limits for eligibility. The research shall include studies on the effects of different programs and the impacts of the programs on welfare dependency, illegitimacy, teen pregnancy, employment rates, child well-being, and other appropriate issues.

Section 1115 of the Social Security Act authorizes waiver of specified provisions of AFDC law for State experimental, pilot or demonstration projects to promote objectives of the law, including self-support of parents and stronger family life.

House bill

The Secretary may assist States in developing, and shall evaluate, innovative approaches for reducing welfare dependency and increasing the well-being of minor children, using random assignments in these evaluations to the maximum extent feasible.

The conference agreement follows the House bill and the Senate amendment.

75. RESEARCH, EVALUATIONS, AND NATIONAL STUDIES—ANNUAL RANKINGS OF STATES AND REVIEW OF MOST AND LEAST SUCCESSFUL WORK PROGRAMS

Present law

No provision.

House bill

The Secretary shall rank annually States receiving family assistance grants in the order of their success in moving families off welfare and into work, reducing the caseload, and, when a practicable method of calculation becomes available, diverting persons from applying to the program. The Secretary shall review annually the three most and three least successful programs under these criteria.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

76. RESEARCH, EVALUATIONS, AND NATIONAL STUDIES—ANNUAL RANKINGS OF STATES AND REVIEW OF ISSUES RELATING TO OUT-OF-WEDLOCK BIRTHS

Present law

No provision.

House bill

The Secretary shall rank States annually on the percentage of births to families on welfare that are out-of-wedlock and on net changes in the percentage of out-of-wedlock births to families on welfare. The Secretary must review the programs of the five highest and five lowest ranking States under these criteria.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

77. RESEARCH, EVALUATIONS, AND NATIONAL STUDIES—STATE-INITIATED EVALUATIONS

Present law

In a 1994 public notice, HHS stated that it is committed to a broad range of evaluation strategies, including true experimental, quasi-experimental, and qualitative designs, for demonstrations operating under waivers. Section 1115(d) of the Social Security Act required the Secretary to enter into agreements with up to eight applicant States to conduct demonstration projects testing more liberal treatment of unemployed 2-parent families. The law stipulated that the States must evaluate costs and work effort results by use of experimental and control groups.

House bill

A State is eligible to receive funding to evaluate its family assistance program if it submits an evaluation design determined by the Secretary to be rigorous and likely to yield credible and useful information. The State must pay 10 percent of the study's cost, unless the Secretary waives this rule.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

78. RESEARCH, EVALUATIONS, AND NATIONAL STUDIES—REPORT ON CIRCUMSTANCES OF CERTAIN CHILDREN AND FAMILIES

Present law

No provision.

House bill

Beginning 3 years after enactment, the Secretary shall submit an annual report to 4 congressional committees (Ways and Means, Economic and Educational Opportunities, Finance, and Labor and Human Resources) about children whose families reached the cash assistance time limit of TANF, families that include a child ineligible because of the family cap, children born to teenaged parents, and persons who became parents as teenagers after enactment. For each of these four groups, detailed information is required, including percentages that dropped out of school, are employed, have been convicted of a crime or judged delinquent, continue to participate in TANF, have health insurance (and whether from private entity or government), and average family incomes.

Senate amendment

No provision.

Conference agreement

The conference agreement follows the House bill.

79. RESEARCH, EVALUATIONS, AND NATIONAL STUDIES—FUNDING OF STUDIES AND DEMONSTRATIONS

Present law

See "Research" above. For Section 1115(a) "waiver" projects ("Innovative Approaches" above) Federal cost neutrality over the life of a demonstration project is required.

Note: The annual budgets of HHS request funds for policy research. The fiscal year 1997 budget seeks $9 million and lists these priority issues: issues related to welfare reform, health care, family support and independence, poverty, at-risk children and youth, aging and disability, science policy, and improved access to health care and support services.

House bill

For research, development and evaluation of innovative approaches, State-initiated evaluation studies of the family assistance program, and for costs of operating and evaluating demonstration projects begun under the AFDC waiver process, this section authorizes to be appropriated, and appropriates, a total of $15 million annually for 6 fiscal years, 1996 through 2001. Half of this sum is allocated to the purposes described above in "Research" and "Innovative Approaches" and half to the other purposes.

The Secretary may implement and evaluate demonstrations of innovative and promising strategies that provide one-time capital funds to establish, expand, or replicate programs, test performance-based funding, and test strategies in multiple States and types of communities.

Senate amendment

Same, except provides funding only in 4 fiscal years, 1998 through 2001.

Conference agreement

The conference agreement follows the House bill, with the modification to appropriate for the years 1996 through 2002.

80. CHILD POVERTY RATES

Present law

No provision.

House bill

No provision.

Senate amendment

Not later than 90 days after enactment, the governor of a State shall submit to the Secretary a statement of the child poverty rate in the State. Annually thereafter, the governor shall report the child poverty rate to the Secretary. If the rate increases by 5 percent or more as a result of changes made by the Act, the State shall prepare a corrective action plan to reduce the incidence of child poverty.

Conference agreement

The conference agreement follows the Senate amendment on the submission of reports on child poverty rates and the corrective action plans. The conference agreement follows the House bill on provisions in the Senate amendment that provide the Secretary of HHS with the authority to alter State plans.

81. STUDY BY THE CENSUS BUREAU

Present law

No provision.

House bill

The Census Bureau must expand the Survey of Income and Program Participation (SIPP) to evaluate the impact of welfare reforms made by this title on a random national sample of recipients and, as appropriate, other low-income families. The study should focus on the impact of welfare reform on children and families, and should pay particular attention to the issues of out-of-wedlock birth, welfare dependency, the beginning and end of welfare spells, and the causes of repeat welfare spells. $10 million per year for 7 years (1996–2002) is appropriated for this study.

Senate amendment

Same provision, except that the $10 million annual appropriation is for only 5 years (fiscal years 1998–2002).

Conference agreement

The conference agreement follows the House bill.

82. WAIVERS

Present law

Section 1115 of the Social Security Act authorizes the HHS Secretary to waive specified requirements of State AFDC plans in order to enable a State to carry out any experimental, pilot, or demonstration project that the Secretary judges likely to assist in promoting the program's objectives. Some 38 States have received waivers from the Clinton Administration for welfare reforms, as of late May 1996.

House bill

This section provides that terms of AFDC waivers in effect, or approved, as of September 30, 1995, will continue until their expiration, except that beginning with fiscal year 1996 a State operating under a waiver shall receive the block grant described under Section 403 in lieu of any other payment provided for in the waiver. The section also allows for continuation, under certain conditions of waivers on or approved before July 1, 1997, on the basis of applications made before enactment of the new program.

States have the option to terminate waivers before their expiration, but projects that are ended prematurely must be summarized in written reports. A State that submits a request to end a waiver within 90 days after the adjournment of the first regular session of the State legislature that begins after the date of enactment will be held harmless for accrued cost neutrality liabilities incurred under the waiver.

The Secretary is directed to encourage any State now operating a waiver to continue the project and to evaluate its result or effect. A State may elect to continue one or more individual waivers.

Senate amendment

Same.

Conference agreement

The conference agreement follows the Senate amendment, with the modification that such waivers may only apply to the geographical areas of the State and to the specific program features for which the waiver was granted. All geographical areas of the State and program features of the State program not specifically covered by the waiver must conform to this part. Conferees urge the Secretary to approve the Wisconsin comprehensive welfare reform waiver request (published in the Federal Register on June 10, 1996) by September 1, 1996.

83. ADMINISTRATION (AND REDUCTION IN FEDERAL WORKFORCE)

Present law

An Assistant Secretary for Family Support, appointed by the President by and with consent of the Senate, is to administer AFDC, child support enforcement, and the Jobs Opportunities and Basic Skills (JOBS) program.

House bill

The provision for an Assistant Secretary for Family Support now found in section 417 of Part A of the Social Security Act is retained but modified to remove the reference to the JOBS program, which is repealed.

No requirements to reduce workforce at HHS.

Senate amendment

The Temporary Assistance for Needy Families (TANF) block grant program and the child support enforcement program shall be administered by an Assistant Secretary for Family Support. The HHS Secretary must reduce the number of positions within the Department by 245 equivalent full-time equivalent (FTE) positions related to the conversion of AFDC, Emergency Assistance, and Jobs into TANF and by 60 FTE managerial positions. In general, it requires the Secretary to reduce by 75 percent the number of FTE positions that relate to any direct spending program, or any program funded through discretionary spending that is converted into a block grant program under the bill and to reduce FTE department management positions similarly (on the basis of the portion of the Department's total appropriation represented by programs converted to block grants).

Conference agreement

The conference agreement follows the Senate amendment.

84. LIMITATION ON FEDERAL AUTHORITY

88. DEFINITIONS—INDIAN, INDIAN TRIBE, AND TRIBAL ORGANIZATION

Present law

For JOBS purposes, an Indian tribe is defined as any tribe, band, Nation, or other organized group of Indians that is recognized as eligible for special programs and services of the U.S. because of their status as Indians. An Alaska native organization is any organized group of Alaska natives eligible to operate a Federal program under P.L. 93–638 or that group's designee.

House bill

With the exception of specified Indian tribes in Alaska, these terms have the meaning given in the Indian Self-Determination and Education Assistance Act.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

89. DEFINITIONS—STATE

Present law

For purposes of AFDC, the term "State" means the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, and American Samoa. The last jurisdiction has not implemented AFDC.

House bill

Except as otherwise specifically provided (e.g., regarding the provision of population growth funds and contingency funds), the term "State" means the 50 States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, and American Samoa.

Senate amendment

Same, except adds to this definition an option for a State to contract to provide services: The term "State" includes administration and provision of services under the family assistance program and under the programs of child welfare, foster care and adoption assistance, family preservation, and independent living, through contracts with charitable, religious or private organizations, and provision of aid by means of certificates, vouchers, or other forms of disbursement redeemable by these organizations. See item 92.

Conference agreement

The conference agreement follows the House bill.

90. ADDITIONAL GRANTS TO PUERTO RICO, THE VIRGIN ISLANDS, GUAM, AND AMERICAN SAMOA; LIMITATION ON TOTAL PAYMENTS

Present law

Under current law, the territories are eligible for 75 percent matching grants for their expenditures on cash welfare for adult assistance (i.e., assistance for needy persons who are aged, blind, or disabled), Aid to Families with Dependent Children (AFDC), Emergency Assistance (EA), Foster Care and Adoption Assistance, the Job Opportunities and Basic Skills (JOBS) program, and the Family Preservation program (Title IV–B, subpart 2). These matching grants are limited by caps on Federal payments. The territories also receive grants under the child welfare services (Title IV–B, subpart 1) program.

[Note.—Although eligible, territories do not claim foster care and adoption assistance funds.]

The law places a ceiling on total payments for AFDC, aid to needy aged, blind or disabled adults, and foster care and adoption assistance to Puerto Rico—$82 million, the Virgin Islands—$2.8

million, Guam—$3.8 million, and American Samoa (AFDC, foster care, and adoption assistance)—$1 million.

House bill

The proposal retains but increases aggregate welfare ceilings in each of the territories and combines the individual programs into a single block grant. The new ceilings would apply to aggregate spending for cash aid for needy families (TANF), cash aid to needy aged, blind or disabled adults, and child protection (child welfare and family preservation services). The proposal authorizes territories to transfer funds among these programs. Maximum potential fiscal year payments (including both the capped mandatory payments listed below and the authorization of discretionary grants) are as follows: Puerto Rico—$113.5 million; Guam—$5.2 million; U.S. Virgin Islands—$4.0 million; and American Samoa—$1.3 million.

To receive mandatory ceiling amounts (capped entitlements), territories must spend from their own funds in a fiscal year as much as they did in fiscal year 1995 for cash aid to needy families, and cash aid to needy aged, blind, or disabled adults. Federal matching funds, at a 75 percent rate, would reimburse territories for expenditures above their fiscal year 1995 base level, but below the Federal cap. Mandatory ceiling amounts: Puerto Rico—$105.5 million; Guam, $4.9 million; Virgin Islands, $3.7 million; and American Samoa, $1.1 million.

Senate amendment

The proposal retains but increases aggregate welfare ceilings in each of the territories and, in effect, combines all but IV–B services (child welfare services and family preservation) into a single block grant. The new ceilings would apply to aggregate spending for cash aid for needy families (TANF), cash aid to needy aged, blind, or disabled adults, and foster care and adoption assistance. The proposal authorizes territories to transfer funds among these programs.

To receive the new ceiling amounts (capped entitlements), territories must spend from their own funds in a fiscal year for cash aid to needy families and cash aid to needy aged, blind, or disabled adults. Federal matching funds, at a 75 percent rate, would reimburse them for expenditures above their fiscal year 1995 base level, but below the Federal cap. Mandatory ceiling amounts—Puerto Rico—$102 million; Guam, $4.7 million; Virgin Islands, $3.6 million; and American Samoa, $1 million. (Current law and funding arrangements are retained for IV–B programs.)

Conference agreement

The conference agreement generally follows the Senate amendment. The conference agreement adds a provision specifying that States may use Title XX funds to provide vouchers to families losing TANF block grant assistance due to a State-imposed family cap.

91. REPEAL OF PROVISIONS REQUIRING DISAPPROVAL OF MEDICAID PLANS OR DENIAL OF SAME MEDICAID PAYMENTS TO STATES THAT REDUCE WELFARE PAYMENT LEVELS

Present law

If a State reduces AFDC "payment levels" below those of May 1, 1988, the Secretary shall not approve the State's Medicaid plan.

If a State reduces AFDC payment levels below those of July 1, 1987, Medicaid matching funds shall be disallowed for required services to pregnant women and children not enrolled in AFDC but eligible for Medicaid on grounds of low income.

House bill

The House proposal repeals provisions that impose Medicaid sanctions upon States that reduce AFDC payment levels.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

92. SERVICES PROVIDED BY CHARITABLE, RELIGIOUS, AND PRIVATE ORGANIZATIONS

Present law

The Child Care and Development Block Grant (CCDBG) Act prohibits use of any financial assistance provided through any grant or contract for any sectarian purpose or activity. In general, the CCDBG requires religious nondiscrimination, but it does allow a sectarian organization to require employees to adhere to its religious tenets and teachings.

House bill

The proposal authorizes States to administer and provide family assistance services (and services under SSI, the child protection block grant program, foster care, adoption assistance, and independent living programs) through contracts with charitable, religious, or private organizations. Under this provision, religious organizations would be eligible, on the same basis as any other private organization, to provide assistance as contractors or to accept certificates and vouchers so long as their programs are implemented consistent with the Establishment Clause of the Constitution. States may pay recipients by means of certificates, vouchers, or other forms of disbursement that are redeemable with such private organizations.

The proposal provides that, except as otherwise allowed by law, a religious organization administering the program may not discriminate against beneficiaries on the basis of religious belief or refusal to participate in a religious practice. States must provide an alternative provider for a beneficiary who objects to the religious character of the designated organization.

Nothing in this section shall be construed to preempt any provision of a State constitution or State statute that prohibits or restricts the expenditure of State funds in or by religious organizations.

Senate amendment

Same provision, except that administration by charitable, religious, and private organizations is authorized only for TANF and SSI.

Conference agreement

The conference agreement follows the House bill.

93. CENSUS DATA ON GRANDPARENTS AS PRIMARY CAREGIVERS FOR THEIR GRANDCHILDREN

Present law

No provision.

House bill

The Secretary of Commerce shall expand the Census Bureau's question (for the decennial census and the mid-decade census) concerning households with both grandparents and their grandchildren so as to distinguish between households in which a grandparent temporarily provides a home and those where the grandparent serves as primary caregiver.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

94. REPORT ON DATA PROCESSING

Present law

No provision. (State child support plans may provide for establishment of a statewide automated data processing and information retrieval system.)

House bill

The Secretary must report to Congress within six months on the status of automatic data processing systems in the States and on what would be required to produce a system capable of tracking participants in public programs over time and checking case records across States to determine whether some individuals are participating in public programs in more than one State. The report should include a plan for building on the current automatic data processing system to produce a system capable of performing these functions as well as an estimate of the time required to put the system in place and the cost of the system.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

95. STUDY ON ALTERNATIVE OUTCOMES MEASURES

Present law

The Family Support Act required the Secretary to submit to Congress recommendations for JOBS performance standards regarding "specific measures of outcomes." It said the standards should not be measured solely by levels of activity or participation. (The report, due Oct. 1, 1993, was submitted 1 year late.)

House bill

The Secretary must, in cooperation with the States, study and analyze measures of program outcomes (as an alternative to minimum participation rates) for evaluating the success of State block grant programs in helping recipients leave welfare. The study must include a determination of whether outcomes measures should be applied on a State or national basis and a preliminary assessment of the job placement performance bonus established in the Act. The Secretary must report findings to the Committee on Finance and the Committee on Ways and Means not later than September 30, 1998.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

96. WELFARE FORMULA FAIRNESS COMMISSION

Present law

No provision. AFDC funds are not distributed by formula. States are entitled to reimbursement, at matching rates inversely related to their per capita income squared, for all AFDC benefits and AFDC-related child care spending (but not "at-risk" child care). Federal funds received by a State are a function of its AFDC benefit levels, caseloads, and matching rate.

House bill

No provision.

Senate amendment

Establishes a welfare formula fairness commission to make recommendations on funding formulas, bonus payments, and work requirements of the new TANF program. Commission is to have 15 members, 3 each appointed by the President, Senate Majority Leader, Senate Minority Leader, House Speaker, and House Minority Leader. It is to report to Congress by Sept. 1, 1998, either making recommendations for change or giving notice that none is needed.

Duties of the committee: identify and create unsubsidized jobs for TANF recipients; propose and implement solutions to work barriers; assess needs of the children and provide services to ensure that the children enter school ready to learn and stay in school. A primary responsibility of the committee shall be to help assure that parents who have obtained work retain their jobs. Activities may include counseling, emergency day care, sick day care, transportation, provision of clothing, housing assistance, or any other needed help. Not later than Oct. 1, 2002, the Secretary shall report to Congress on the project results.

102. DISCLOSURE OF RECEIPT OF FEDERAL FUNDS

Present law

No provision.

When a 501(c) organization that accepts Federal funds under the Personal Responsibility and Work Opportunity Act (other than those provided under Titles IV, XVI, and XX of the Social Security Act) makes any communication intended to promote public support or opposition to any governmental policy (Federal, State or local) through any broadcasting station, newspaper, magazine, outdoor advertising facility, direct mailing, or any other type of general public advertising, the communication must state: "This was prepared and paid for by an organization that accepts taxpayer dollars."

Senate amendment

Applies the fund disclosure rule to all Federal funds under the Personal Responsibility and Work Opportunity Act. (This provision was deleted because of the Byrd rule.)

Conference agreement

The conference agreement follows the Senate amendment (no provision as a result of the Byrd rule).

103. MODIFICATIONS TO THE JOB OPPORTUNITIES FOR CERTAIN LOW-INCOME INDIVIDUALS PROGRAMS

Present law

The Family Support Act of 1988 (Sec. 505) directed the Secretary to enter into agreement with between 5 and 10 nonprofit organizations to conduct demonstrations to create job opportunities for AFDC recipients and other low-income persons. For these projects, $6.5 million was authorized to be appropriated for each fiscal year, 1990–1992.

House bill

The word "demonstration" is struck from the description of these projects; the projects are converted to grant status. The provision requires the Secretary to enter into agreements with nonprofit organizations to conduct projects that create job opportunities for recipients of family assistance and other persons with income below the poverty guideline. $25 million annually is authorized for these projects.

105. EFFECTIVE DATE; TRANSITION RULE

Present law

No provision.

House bill

Except as otherwise provided, this title and the amendments made by it take effect on July 1, 1997. Penalties (with the major exception of penalties for misuse of Federal family assistance grant funds) will not take effect until July 1, 1997, or six months after the State plan is received by the Secretary, whichever is later.

Within 90 days of enactment, the Secretary of HHS, the Commissioner of Social Security and other heads of appropriate agencies shall submit to appropriate congressional committees. Necessary technical and conforming amendments.

States may opt to begin their block grant program before July 1, 1997, in which case the State is entitled to receive no more than the State family assistance grant for the entire fiscal year; block grant payments will be made pro rata based on the number of days remaining in the fiscal year after the Secretary first received the State plan. The submission of a State plan is deemed to constitute the State's acceptance of the family assistance grant (including pro rata reductions for a partial fiscal year) and the termination of the individual entitlement to benefits under the AFDC program. Effective October 1, 1996, no individual or family shall be entitled to any benefits or services under any State plan under part A or F of Title IV of the Social Security Act (as in effect on September 30, 1995).

The amendments made do not apply with respect to powers, duties, penalties and other considerations applicable to aid, assistance or services provided before the effective date, or with respect to administrative actions and proceedings that commenced before the effective date. Federal and State officials may use scientifically acceptable statistical sampling techniques in closing out accounts.

Each State shall complete the filing of all claims within 2 years after the date of enactment. The person serving as Assistant Secretary for Family Support within HHS on the day before the effective date of this title will continue to serve in that position until a successor is named, performing functions provided under current law and having powers and duties provided in Section 103 of this bill.

Subtitle A—Eligibility Restrictions

2. DENIAL OF SSI BENEFITS TO INDIVIDUALS FOUND TO HAVE FRAUDULENTLY MISREPRESENTED RESIDENCE IN ORDER TO OBTAIN BENEFITS SIMULTANEOUSLY IN 2 OR MORE STATES

Present law

Current law states that any person who knowingly and willfully makes or causes to be made any false statements or misrepresentations in applying for or continuing to receive Supplemental Security Income (SSI) payments may be subject to a civil monetary penalty or be fined or imprisoned pursuant to title 18, U.S. Code.

House bill

Any person convicted in Federal court or State court of having fraudulently misrepresented residence in order to obtain benefits or services from two or more States under title IV, title XV, title XIX, or the Food Stamp Act of 1977, or benefits in 2 or more States from the SSI program, is ineligible for SSI benefits for 10 years. In addition, an official of the court in which the individual was convicted is required to notify the Commissioner of such conviction.

Senate amendment

Identical to House Bill.

Conference agreement

The conference agreement follows the House bill.

3. DENIAL OF SSI BENEFITS FOR FUGITIVE FELONS AND PROBATION AND PAROLE VIOLATORS

Present law

Current law provides safeguards which restrict the use or disclosure of information concerning SSI applicants or recipients to purposes directly connected with the administration of the SSI program or other federally-funded programs.

House bill

No individual who is fleeing to avoid prosecution, custody or confinement after conviction for a crime (or an attempt to commit a crime) that is a felony (or, in New Jersey, a high misdemeanor), or who violates probation or parole imposed under Federal or State, law shall be eligible for SSI benefits.

The Social Security Administration (SSA) shall furnish the current address, Social Security number, and photograph (if applicable) of a recipient to any Federal, State, or local law enforcement officer who is pursuing a fugitive felon or parole or probation violator. This provision applies also to a recipient sought by an officer because the recipient has information necessary to the officer's official duties.

Senate amendment

Identical to House Bill.

Conference agreement

The conference agreement follows the House bill with technical modification.

4. TREATMENT OF PRISONERS

Implementation of Prohibition Against Payment of Benefits to Prisoners

Present law

Current law prohibits prisoners from receiving benefits while incarcerated. Federal, State, or county or local prisons are required to make available, upon written request, the name and Social Security account number of any individual who is confined in a penal institution or correctional facility and convicted of any crime punishable by imprisonment of more than 1 year.

House bill

The Commissioner shall enter into an agreement with any interested State or local institution (defined as a jail, prison, other correctional facility, or institution where the individual is confined due to court order) under which the institution shall provide monthly the names, Social Security account numbers, dates of

birth, confinement dates, and other identifying information. The Commissioner shall pay to the institution for each eligible individual who becomes ineligible $400 if the information is provided within 30 days of the individual becoming an inmate. The payment is $200 if the information is furnished after 30 days but within 90 days.

In addition, the Computer Matching and Privacy Protection Act of 1988 shall not apply to the information exchanged pursuant to this contract.

The Commissioner is authorized to provide, on a reimbursable basis, information obtained pursuant to agreements to any Federal or federally assisted cash, food, or medical assistance program for eligibility purposes.

The dollar amounts paid to the institution shall be reduced by 50 percent if the Commissioner is also required to make a payment with respect to the same individual based on eligibility for Social Security disability insurance benefits.

Payments to institutions shall be made from funds otherwise available for the payment of benefits.

Senate amendment

The Senate amendment is similar to the House bill, however, it deletes all references to OASDI programs (due to Senate rule) and does not include the provision for the Commissioner to provide information to other Federal or federally assisted programs.

Conference agreement

The conference agreement follows the House bill, except that all OASDI references are deleted.

Denial of SSI Benefits for 10 Years to a Person Found To Have Fraudulently Obtained SSI Benefits While in Prison

Present law

No provision.

House bill

No provision.

Senate amendment

Denies benefits for 10 years (beginning the date of release from prison) to a person found to have fraudulently obtained SSI benefits while in prison. This provision is effective on the date of enactment.

Conference agreement

The conference agreement follows the House bill (i.e., no provision).

Elimination of OASDI Requirement that Confinement Stem From Crimes Punishable by Imprisonment for More Than 1 Year

Present law

Bars Social Security benefits from prisoners convicted of any crime punishable by imprisonment of more than a year, not just felonies.

House bill

Replaces "an offense punishable by imprisonment for more than 1 year" with "a criminal offense" and deletes other language. Effective for benefits payable more than 180 days after the date of enactment. It bars Social Security benefits from persons confined, throughout a month, to (1) a penal institution or (2) other institution if the person is found guilty but insane.

Senate amendment

No provision, due to Senate rule.

Conference agreement

The conference agreement follows the Senate amendment (i.e., no provision).

Study of Other Potential Improvements in the Collection of Information Respecting Public Inmates

Present law

No provision.

House bill

The Commissioner shall conduct a study of the desirability, feasibility, and cost of establishing a system for courts to furnish the Commissioner information regarding court orders and requiring that State and local jails, prisons, and other institutions enter into agreements with the Commissioner by means of an electronic or similar data exchange system. The report of this study shall be submitted to the responsible Committees not later than 1 year after enactment.

Not later than October 1, 1998, the Commissioner of Social Security shall provide to the responsible Committees of Congress a list of institutions that are and are not providing information to the Commissioner in accordance with these provisions.

Senate amendment

The Senate amendment is identical to the House bill except uses the term "contract" instead of "agreement."

There is no provision for the Commissioner to provide a list of institutions who are or are not in compliance with these provisions.

Conference agreement

The conference agreement follows the House bill.

5. EFFECTIVE DATE OF APPLICATION FOR BENEFITS

Present law

The application of an individual for SSI benefits is effective on the later of the date the application is filed or the date the individual first becomes eligible for such benefits.

House bill

Changes the effective date of application to the later of the first day of the month following the date the application is filed or the date the individual first becomes eligible for such benefits. The provision expands SSA's authority to issue an immediate cash advance to individuals faced with financial emergencies. Effective for applications filed on or after the date of enactment.

Senate amendment

Identical to House bill.

Conference agreement

The conference agreement follows the House bill with technical modifications.

Subtitle B—Benefits for Disabled Children

6. DEFINITION AND ELIGIBILITY RULES

Definition of Childhood Disability

Present law

There is no definition of childhood disability in the statute. Instead, the statute prescribes that an individual under age 18 shall be considered disabled for purposes of eligibility for SSI if that individual has an impairment or combination of impairments of "comparable severity" which would result in a work disability in an adult. This impairment or combination of impairments must be expected to result in death or to last for a continuous period of not less than 12 months.

House bill

This section adds a new statutory definition of childhood disability: an individual under the age of 18 is considered as disabled if the individual has a medically determinable physical or mental impairment, which results in marked and severe functional limitations, and which can be expected to result in death or which has lasted or can be expected to last for at least a continuous period of not less than 12 months.

The Commissioner shall ensure that the combined effects of all physical or mental impairments of an individual are taken into account in determining whether an individual is disabled. In addition, the Commissioner shall ensure that the regulations prescribed by these provisions provide for the evaluation of children who cannot be tested because of their young age.

Senate amendment

Identical to House bill regarding the new definition of disability. The provision does not include language regarding combined impairments or evaluation of children who cannot be tested because of their young age.

Conference agreement

The conference agreement follows the Senate amendment. The conferees intend that only needy children with severe disabilities be eligible for SSI, and the Listing of Impairments and other current disability determination regulations as modified by these provisions properly reflect the severity of disability contemplated by the new statutory definition. In those areas of the Listing that involve domains of functioning, the conferees expect no less than two marked limitations as the standard for qualification. The conferees are also aware that SSA uses the term "severe" to often mean "other than minor" in an initial screening procedure for disability determination and in other places. The conferees, however, use the term "severe" in its common sense meaning.

In addition, the conferees expect that SSA will properly observe the requirements of section 1614(a)(3)(F) of the Social Security Act and ensure that the combined effects of all the physical or mental impairments of an individual under age 18 are taken into account in making a determination regarding eligibility under the definition of disability. The conferees note that the 1990 Supreme Court decision in *Zebley* established that SSA had been previously remiss in this regard. The conferees also expect SSA to continue to use criteria in its Listing of Impairments and in the application of other determination procedures, such as functional equivalence, to ensure that young children, especially children too young to be tested, are properly considered for eligibility of benefits.

The conferees recognize that there are rare disorders or emerging disorders not included in the Listing of Impairments that may be of sufficient severity to qualify for benefits. Where appropriate, the conferees remind SSA of the importance of the use of functional equivalence disability determination procedures.

Nonetheless, the conferees do not intend to suggest by this definition of childhood disability that every child need be especially evaluated for functional limitations, or that this definition creates a supposition for any such examination. Under current procedures for writing individual listings, level of functioning is an explicit consideration in deciding which impairment, with certain medical or other findings, is of sufficient severity to be included in the Listing. Nonetheless, the conferees do not intend to limit the use of functional information, if reflecting sufficient severity and is otherwise appropriate.

The conferees contemplate that Congress may revisit the definition of childhood disability and the scope of benefits, if deemed appropriate, and have provided elsewhere for studies on these issues.

Requests for Comments To Improve Disability Evaluation

Present law

No provision.

House bill

No provision.

Senate amendment

Requires the Commissioner to request comments in the Federal Register regarding improvements to the disability evaluation and determination procedures for individuals under age 18 to ensure the comprehensive assessment of such individuals.

Conference agreement

The conference agreement follows the House bill (i.e., no provision).

Changes to SSI Childhood Regulations

Present law

Under the disability determination process for children, SSA first determines if a child meets or equals the "Listing of Impairments" in Federal regulations. Under the Listings that relate to mental disorders, maladaptive behavior may be scored twice, in domains of social functioning and of personal/behavior functioning.

Under the disability determination process for children, individuals who do not meet or equal the Listing of Impairments are subject to an "Individualized Functional Assessment" (IFA). This assessment is intended to determine whether, or to what extent, a child can engage in age-appropriate activities. If the child cannot, the child may be determined disabled.

House bill

The Commissioner of Social Security shall eliminate references in the Listing of Impairments to maladaptive behavior among medical criteria for evaluation of mental and emotional disorders in the domain of personal/behavioral function.

The Commissioner of Social Security shall discontinue use of the Individualized Functional Assessment for children set forth in the Code of Federal Regulations.

Medical Improvement Review Standard as it Applies to Individuals Under the Age of 18

Present law

No provision.

House bill

This section contains technical modifications to the medical improvement review standard based on the new definition of childhood disability.

Senate amendment

Identical to the House bill.

Conference agreement

The conference agreement follows the House bill.

Effective dates

Present law

No provision.

House bill

Changes in eligibility rules apply to new applications and pending requests for administrative or judicial review on or after the date of enactment, without regard to whether regulations have been issued.

No later than 1 year after the date of enactment, the Commissioner shall redetermine the eligibility of any child receiving benefits on the date of enactment who would lose eligibility under these provisions.

Benefits of current recipients will continue until their redetermination. Should a child be found ineligible, their benefits will end following redetermination.

No later than January 1, 1997, the Commissioner must notify individuals whose eligibility for SSI benefits will terminate.

The Commissioner must report to Congress within 180 days regarding progress made in implementing the SSI children's provisions.

The Commissioner shall submit final regulations to the Committees of jurisdiction of Congress for their review at least 45 days before they become effective.

Senate amendment

Identical to the House bill, except that benefits of current recipients will continue until the later of July 1, 1997, or the date of redetermination. The Senate amendment also includes language which authorizes and appropriates $300 million to remain available for fiscal years 1997–1999 for the Commissioner to conduct continuing disability reviews (CDRs) and redeterminations.

Conference agreement

The conference agreement follows the Senate amendment with modification to authorize additional administrative funding for SSA: $150 million for fiscal year 1997 and $100 million for fiscal year 1998, to conduct SSI CDRs and redeterminations. The funding of CDRs and redeterminations will follow the usual appropriation process, except that the amounts above a base funding level will not be subject to discretionary caps.

7. ELIGIBILITY REDETERMINATIONS AND CONTINUING DISABILITY REVIEWS

Present law

Current law specifies that the Commissioner must reevaluate under adult disability criteria the eligibility of at least one-third of SSI children who turn age 18 in each of the fiscal years 1996, 1997, and 1998 (the CDR must be completed before these children reach age 19) and report to Congress no later than October 1, 1998.

House bill

At least once every 3 years the Commissioner must conduct CDRs of children receiving SSI benefits. For children who are eligible for benefits and whose medical condition is not expected to improve, the requirement to perform such reviews does not apply (unless the Commissioner decides otherwise). At the time of review the parent or guardian must present evidence demonstrating that the recipient is and has been receiving appropriate treatment for her disability.

The eligibility for all children qualifying for SSI benefits must be redetermined using the adult criteria within 1 year after turning 18 years of age. The review will be considered a substitute for any other review required under the changes made in this section. The "minimum number of reviews" and the "sunset" provisions of section 207 of the Social Security Independence and Program Improvements Act of 1994 are eliminated.

A review must be conducted 12 months after the birth of a child whose low birth weight is a contributing factor to the child's disability. At the time of review, the parent or guardian must present evidence demonstrating that the recipient is and has been receiving appropriate treatment for his disability.

Senate amendment

Identical to House bill.

Conference agreement

The conference agreement follows the House bill.

8. ADDITIONAL ACCOUNTABILITY REQUIREMENTS

Disposal of Resources for Less Than Fair Market Value

Present law

No provision.

House bill

The bill delays eligibility for any child applicant whose parents or guardians, in order to qualify a child for benefits, dispose of assets for less than fair market value within 36 months of the date of application. The provision stipulates that any assets in a trust in which the child (i.e., parent or representative payee) has control shall be considered assets of the child and subject to the 36-month "look-back" rule. The delay (in months) is equal to the amount of assets divided by the SSI standard benefit. This provision is effective 90 days after the date of enactment.

Senate amendment

No provision.

Conference agreement

The conference agreement follows the Senate amendment (i.e., no provision).

Treatment of Assets Held in Trust

Present law

No provision. Under current operating policy, a trust is not considered a resource if the SSI recipient does not have the legal authority to access trust assets for his or her own food, clothing, or shelter.

House bill

Stipulates that in determining the resources of an individual under the age of 18, a revocable trust (i.e., the person has legal access to the assets of the trust) must be considered a resource available to the individual. In the case of an irrevocable trust, if there are any circumstances under which payment from the trust could be made to or for the benefit of the individual, then such payments are to be considered as resource available to the individual. The Commissioner of Social Security may waive these provisions if the Commissioner determines, on the basis of criteria prescribed in regulations, that such application would be an undue hardship on the individual.

Any earnings of, or additions to the principal of the trust would be considered income if they are available to the individual.

Senate amendment

No provision.

Conference agreement

The conference agreement follows the Senate amendment (i.e., no provision).

Requirement To Establish Account

Present law

No provision.

House bill

Requires the representative payee (i.e., the parent) of an individual under the age of 18 to establish an account in a financial institution for the receipt of past-due SSI payments if the lump-sum payment amounts to more than 6 times the maximum monthly SSI payment (including any State supplement). A representative payee shall use the funds in the account for the following expenses: education or job skills training; personal needs assistance; special equipment or housing modifications related to the child's disability; medical treatment; appropriate therapy or rehabilitation; or any other item or service that the Commissioner determines is appropriate.

Once the account is established the representative payee may deposit any past-due benefits owed to the recipient and any other funds representing an SSI underpayment provided the amount is more than the maximum monthly SSI benefit payment.

The funds in these accounts would not be counted as a resource and the interest and other earnings on the account would not be considered income in determining SSI eligibility.

Senate amendment

Identical to House provision, except allows rather than mandates the representative payee to use the funds for allowable expenses.

Conference agreement

The conference agreement follows the House bill.

9. REDUCTION IN CASH BENEFITS PAYABLE TO INSTITUTIONALIZED INDIVIDUALS WHOSE MEDICAL COSTS ARE COVERED BY PRIVATE INSURANCE

Present law

Federal law stipulates that when individuals enter a hospital or other medical institution for which more than half of the bill is paid by the Medicaid program, their monthly SSI benefit is reduced to $30 per month. This personal needs allowance is intended to pay for small personal expenses, with the cost of maintenance and medical care provided by the Medicaid program.

House bill

Children in medical institutions whose medical costs are covered by private insurance would be treated the same as children whose bills are currently paid by Medicaid (that is, their monthly SSI cash benefit would be reduced to $30 per month).

Subtitle C—Additional Enforcement Provisions

11. INSTALLMENT PAYMENT OF LARGE PAST-DUE SSI BENEFITS

Present law

No provision.

House bill

If an individual is eligible for past-due benefits (after any withholding for reimbursement to a State for interim assistance) in an amount which exceeds 12 times the maximum monthly benefit payable to an eligible individual (currently $470) or couple (currently $705) (plus any State supplementary payments), benefits will be paid in 3 installments made at 6-month intervals. The first and second installments may not exceed 12 times the maximum monthly benefit payable. Installment caps may be extended by certain debt (food, clothing, shelter, or medically necessary services, supplies, or equipment, or medicine) or the purchase of a home. Installment payments shall not apply to individuals whose medical impairment is expected to result in death in 12 months or for an individual who is ineligible and is likely to remain ineligible for the next 12 months.

12. RECOVERY OF SSI OVERPAYMENTS FROM SOCIAL SECURITY BENEFITS

Present law

Generally, when an overpayment of Social Security benefits is made, recovery shall be made by adjusting future payments or by recovering the overpayment from the individual.

House bill

If the Commissioner is unable to recover the overpayment through future payment adjustments or direct recovery, the Commissioner may decrease any OASI or SSDI payment to the individual or their estate. As a result of this action, no individual may become eligible for SSI or eligible for increased SSI benefits.

14. REPEAL OF MAINTENANCE OF EFFORT REQUIREMENTS APPLICABLE TO OPTIONAL STATE PROGRAMS FOR SUPPLEMENTATION OF SSI

Present law

Since the beginning of the SSI program, States have had the option to supplement (with State funds) the Federal SSI payment. Subsequently, Congress passed section 1618 of the Social Security Act which in effect requires States to maintain such optional payments or lose eligibility for Medicaid funds. The purpose of section 1618 of the Social Security Act was to encourage States to pass along to SSI recipients the amount of any Federal SSI benefit increase. Section 1618 allows States to comply with the "pass along/maintenance of effort" provision by either maintaining their State supplementary payment levels at or above March 1983, levels or by maintaining their supplementary payment spending so that total annual Federal and State expenditures will be at least equal to what they were in the prior 12-month period, plus any Federal cost-of-living increase, provided the State was in compliance for that period.

House bill

Repeals the maintenance of effort requirements in Section 1618 applicable to optional State programs for supplementation of SSI benefits, effective on the date of enactment.

Senate amendment

No provision, due to Senate rule.

The conference agreement follows the Senate amendment (i.e., no provision).

Subtitle D—Studies Regarding Supplemental Security Income Program

15. ANNUAL REPORT ON THE SUPPLEMENTAL SECURITY INCOME PROGRAM

Present law

The Social Security Administration collects and publishes limited data on the SSI program.

House bill

The Commissioner of Social Security must prepare and provide to the President and the Congress an annual report on the SSI program, which includes specified information and data. The report is due May 30 of each year.

Senate amendment

Identical to the House bill, except stipulates the inclusion of historical and correct data on prior enrollment by public assistance recipients.

Conference agreement

The conference agreement follows the House bill, modified by the Senate amendment.

16. STUDY OF DISABILITY DETERMINATION PROCESS

Present law

No provision.

House bill

Within 90 days of enactment, the Commissioner must contract with the National Academy of Sciences or another independent entity to conduct a comprehensive study of the disability determination process for SSI and SSDI. The study must examine the validity, reliability and consistency with current scientific standards of the Listings of Impairments cited above. The study must also examine the appropriateness of the definitions of disability (and possible alternatives) used in connection with SSI and SSDI, and the operation of the disability determination process, including the appropriate method of performing comprehensive assessments of individuals under age 18 with physical or mental impairments. The Commissioner must issue interim and final reports of the findings and recommendations of the study within 18 months and 24 months, respectively, from the date of contract for the study.

17. STUDY BY GENERAL ACCOUNTING OFFICE

Present law

No provision.

House bill

No later than January 1, 1999, the Comptroller General of the United States must study and report on the impact of the amendments and provisions made by this bill, and extra expenses incurred by families of children receiving benefits not covered by other Federal, State, or local programs.

Senate amendment

Identical to House bill.

Conference agreement

The conference agreement follows the House bill.

18. NATIONAL COMMISSION ON THE FUTURE OF DISABILITY

Present law

No provision.

House bill

This section establishes a new Commission on the future of disability.

The Commission must study all matters related to the nature, purpose and adequacy of all Federal programs for the disabled (and especially SSI and SSDI), including: projected growth in the number of individuals with disabilities; possible performance standards for disability programs; the adequacy of Federal rehabilitation research and training; and the adequacy of policy research available to the Federal government and possible improvements. The Commission must submit to the President and the proper Congressional committees recommendations and possible legislative proposals effecting needed program changes.

The Commission is to be composed of 15 members who are appointed by the President and Congressional leadership and who serve for the life of the Commission. Members are to be chosen based on their education, training or experience, with consideration for representing the diversity of individuals with disabilities in the U.S. The Commission membership will also reflect the general interests of the business and taxpaying community.

The Commission will have a director, appointed by the Chair, and appropriate staff, resources, and facilities.

The Commission may conduct public hearings and obtain information from Federal agencies necessary to perform its duties.

The Commission must issue an interim report to Congress and the President not later than 1 year prior to terminating. A final public report must be submitted prior to termination.

The Commission will terminate 2 years after first having met and named a chair and vice chair.

This section authorizes the appropriation of such funds as are necessary to carry out the purposes of the Commission.

TITLE III: CHILD SUPPORT ENFORCEMENT

1. REFERENCE TO THE SOCIAL SECURITY ACT

Present law

No provision.

House bill

Unless otherwise specified, any reference in this title to an amendment to or repeal of a section or other provision is to the Social Security Act.

Senate amendment

Subtitle A—Eligibility for Services; Distribution of Payments

2. STATE OBLIGATION TO PROVIDE CHILD SUPPORT ENFORCEMENT SERVICES

Present law

States are required to establish paternity for children born out of wedlock if they are recipients of AFDC or Medicaid, and to obtain child and spousal support payments from noncustodial parents of children receiving AFDC, Medicaid benefits, or foster care maintenance payments. States must provide child support collection or paternity determination services to persons not otherwise eligible if the person applies for services. Federal law requires States to cooperate with other States in establishing paternity (if necessary), locating absent parents, collecting child support payments, and carrying out other child support enforcement functions. In cases in which a family ceases to receive AFDC, States are required to provide appropriate notice to the family and continue to provide child support enforcement services without requiring the family to apply for services or charging an application fee.

House bill

States must provide services, including paternity establishment and establishment, modification, or enforcement of support obligations, for children receiving benefits from the Temporary Assistance for Needy Families block grant (TANF), foster care maintenance payments, Medicaid, and any child of an individual who applies for services. States must enforce support obligations with respect to children in their caseload and the custodial parents of such children. States must also make child support enforcement services available to individuals not residing within the State on the same terms as to individuals residing within the State. States are not required to provide services to families if the State determines, taking into account the best interests of the child, that good cause and other exceptions exist. The provision also makes minor technical amendments to section 454 of the Social Security Act.

When a family ceases to receive benefits from the TANF block grant, States are required to provide appropriate notice to the family and continue to provide child support enforcement services without requiring the family to apply for services or charging an application fee.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

3. DISTRIBUTION OF CHILD SUPPORT COLLECTIONS

Present law

Federal law requires that child support collections be distributed as follows: First, up to the first $50 in current support is paid to the AFDC family (a "disregard" that does not affect the family's AFDC benefit or eligibility status). Second, the Federal and State governments are reimbursed for the AFDC benefit paid to the family in that month. Third, if there is money left, the family receives it up to the amount of the current month's child support obligation. Fourth, if there is still money left, the State keeps it to reimburse itself for any arrearages owed to it under the AFDC assignment (with appropriate reimbursement of the Federal share of the collection to the Federal government). If no arrearages are owed the State, the money is used to pay arrearages to the family; such moneys are considered income under the AFDC program and would reduce the family's AFDC benefit.

To receive AFDC benefits, a custodial parent must assign to the State any right to collect child support payments. This assignment covers current support and any arrearages that accumulated before the family began receiving public assistance, and lasts as long as the family receives AFDC.

Some States are required to provide monthly supplemental payments to AFDC recipients who have less disposable income now than they would have had in July 1975 because child support is paid to the child support agency instead of directly to the family. States required to make these supplemental payments are often referred to as "fill-the-gap" States. These States pay less assistance than their full need standard, and allow recipients to use child support income to make up all or part of the difference between the payment made by the State and the State's need standard.

House bill

Several changes in the distribution rules under current law are made by this section. The $50 passthrough to families on AFDC is ended. In addition, distribution law is changed so that, beginning October 1, 1997, collections on arrearages that accumulated during the period after the family leaves welfare are paid to the State if the money was collected through the tax intercept and to the family if collected by any other method. Distribution law is also changed so that beginning on October 1, 2000, arrearages that ac-

cumulated during the period before the family went on welfare are paid to the State if the money was collected through the tax intercept and to the family if collected by any other method. (Note: These new distribution rules require the assignment rules for pre-welfare arrearages to be changed so that families can be paid before States if the money was collected by a method other than the tax intercept; this change in assignment rules was made in Title I and will appear in Section 408(a)(3)(B) of the revised Social Security Act.)

By October 1, 1998, the Secretary must present a report to the Congress concerning whether post-assistance arrearages have helped mothers avoid welfare and about the effectiveness of the new distribution rules.

All assignments of support in effect when this proposal is enacted must remain in effect.

Several terms, including "assistance from the State", "Federal share", and "State share" are defined.

If States retain less money from collections than they retained in fiscal year 1995, States are allowed to retain the amount retained in fiscal year 1995.

If a State follows a "fill-the-gap" policy as outlined above, that State can continue to distribute funds to the family up to the amount needed to fill the gap. The provision also clarifies the relationship between gap payments and both the $50 passthrough and the State hold harmless provision.

Senate amendment

Same, except Senate adds provision that stipulates that in the case of a family receiving assistance from an Indian tribe, the State distribute any support collected in accordance with any cooperative agreement between the State and the tribe.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with the modification that the House accepts the Senate provision on Indian tribes.

4. PRIVACY SAFEGUARDS

Present law

Federal law limits the use or disclosure of information concerning recipients of Child Support Enforcement Services to purposes connected with administering specified Federal welfare programs.

House bill

States must implement safeguards against unauthorized use or disclosure of information related to proceedings or actions to establish paternity or to establish or enforce child support. These safeguards must include prohibitions on release of information where there is a protective order or where the State has reason to believe a party is at risk of physical or emotional harm from the other party. This provision is effective October 1, 1997.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

5. RIGHT TO NOTIFICATION OF HEARING

Present law

Most States have procedural due process requirements with respect to wage withholding. Federal law requires States to carry out withholding in full compliance with all procedural due process requirements of the State.

House bill

Parties to child support cases under Title IV–D must receive notice of proceedings in which child support might be established or modified and must receive a copy of orders establishing or modifying child support (or a notice that modification was denied) within 14 days of issuance.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

Subtitle B—Locate and Case Tracking

6. STATE CASE REGISTRY

Present law

Federal law requires that wage withholding be administered by a public agency capable of documenting payments of support and tracking and monitoring such payments.

Federal law requires that child support orders be reviewed and adjusted, as appropriate, at least once every three years.

House bill

States must establish an automated State Case Registry that contains a record on each case in which services are being provided by the State agency, as well as each support order established or modified in the State on or after October 1, 1998.

The Registry may be established by linking local case registries of support orders through an automated information network.

The registry record will contain data elements on both parents, such as names, Social Security numbers and other uniform identification numbers, dates of birth, case identification numbers, and any other data the Secretary may require.

Each case record will contain the amount of support owed under the order and other amounts due or overdue (including interest or late payment penalties and fees), any amounts that have been collected and distributed, the birth date of any child for whom

the order requires the provision of support, and the amount of any lien imposed by the State.

The State agency operating the registry will promptly establish, maintain, update and regularly monitor case records in the registry with respect to which services are being provided under the State plan. Establishing and updating support orders will be based on administrative actions and administrative and judicial proceedings and orders relating to paternity and support, as well as on information obtained from comparisons with Federal, State, and local sources of information, information on support collections and distributions, and any other relevant information.

The State automated system will be used to extract data for purposes of sharing and matching with Federal and State data bases and locator services, including the Federal Case Registry of Child Support Orders, the Federal Parent Locator Service, and Temporary Assistance for Needy Families and Medicaid agencies, as well as for conducting intrastate and interstate information comparisons.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

7. COLLECTION AND DISBURSEMENT OF SUPPORT PAYMENTS

Present law

No provision, but States may provide that, at the request of either parent, child support payments be made through the child support enforcement agency or the agency that administers the State's income withholding system regardless of whether there is an arrearage. States must charge the parent who requests child support services a fee equal to the cost incurred by the State for these services, up to a maximum of $25 per year.

House bill

By October 1, 1998, State child support agencies are required to operate a centralized, automated unit for collection and disbursement of payments on child support orders enforced by the child support agency and payments on orders issued after December 31, 1993 which are not enforced by the State agency but for which income is subject to withholding. The specifics of how States will establish and operate their State Disbursement Unit must be outlined in the State plan.

The State Disbursement Unit must be operated directly by the State agency, by two or more State agencies under a regional cooperative agreement, or by a contractor responsible directly to the State agency. The State Disbursement Unit may be established by linking local disbursement units through an automated information network if the Secretary agrees that the system will not cost more, take more time to establish, nor take more time to operate than a single State system. All States, including those that operate a

linked system, must give employers one and only one location for submitting withheld income.

The Disbursement Unit must be used to collect and disburse support payments, to generate orders and notices of withholding to employers, to keep an accurate identification of payments, to promptly distribute money to custodial parents or other States, and to furnish parents with a record of the current status of support payments (but States are not responsible for records that predate passage of this legislation). The Unit shall use automated procedures, electronic processes, and computer-driven technology to the maximum extent feasible, efficient, and economical.

The Disbursement Unit must distribute all amounts payable within 2 business days after receiving money and identifying information from the employer or other source of periodic income, if sufficient information identifying the payee is provided. The Unit may retain arrearages in the case of appeals until they are resolved.

States must use their automated system to facilitate collection and disbursement including at least:

(1) transmission of orders and notices to employers within 2 days after receipt of the withholding notice;

(2) monitoring to identify missed payments of support; and

(3) automatic use of enforcement procedures when payments are missed.

It is the sense of Congress that in establishing a centralized unit for the collection of support payments, a State should choose the method of compliance which best meets the needs of parents, employers, and children.

This section of the proposal will go into effect on October 1, 1998. States that process child support payments through local courts can continue court payments until September 30, 1999.

Senate amendment

Same, except Senate uses the term "wages" rather than "income" throughout this section. Senate amendment does not include the provision that States are not responsible for records that predate passage.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with the modification that the term "income" rather than "wages" is used throughout this section. In addition, the House "sense of the Congress" language was deleted.

8. STATE DIRECTORY OF NEW HIRES

Present law

In general, no provision. Section 1128 of the Social Security Act is an antifraud provision which excludes individuals and entities that have committed fraud from participation in medicare and State health care programs. Section 1128A pertains to civil monetary penalties and describes the appropriate procedures and proceedings for such penalties.

House bill

State plans must include the provision that by October 1, 1997 States will operate a Directory of New Hires.

Establishment. States are required to establish a State Directory of New Hires to which employers and labor organizations in the State must furnish a report for each newly hired employee, unless reporting could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission as determined by the head of an agency. States that already have new hire reporting laws may continue to follow the provisions of their own law until October 1, 1998, at which time States must conform to Federal law.

Employer Information. Employers must furnish to the State Directory of New Hires the name, address, and Social Security number of every new employee and the name, address, and identification number of the employer. Multistate employers that report electronically or magnetically may report to the single State they designate; such employers must notify the Secretary of the name of the designated State. Agencies of the U.S. Government must report directly to the National Directory of New Hires (see below).

Timing of Report. Employers must report new hire information within 20 days of the date of hire. Employers that report new hires electronically or by magnetic tape must file twice per month; reports must be separated by not less than 12 days and not more than 16 days.

Reporting Format and Method. The report required in this section will be made on a W–4 form or the equivalent, and can be transmitted magnetically, electronically, or by first class mail. The decision of which reporting method to use is up to employers.

Civil Money Penalties on Noncomplying Employers. States have the option of setting a civil money penalty which shall be not less than $25 or $500 if, under State law, the failure is the result of a conspiracy between the employer and employee.

Entry of Employer Information. New hire information must be entered in the State data base within 5 business days of receipt from employer.

Information Comparisons. By May 1, 1998, each State Directory of New Hires must conduct automated matches of the Social Security numbers of reported employees against the Social Security numbers of records in the State Case Registry being enforced by the State agency and report the name, address, Social Security number, and the employer name, address, and identification number on matches to the State child support agency.

Transmission of Information. Within 2 business days of the entry of data in the registry, the State must transmit a withholding order directing the employer to withhold wages in accord with the child support order. Within 3 days, the State Directory of New Hires must furnish employee information to the National Directory of New Hires for matching with the records of other State case registries. The State Directory of New Hires must also report quarterly to the National Directory of New Hires information on wages and unemployment compensation taken from the quarterly report to the Secretary of Labor now required by Title III of the Social Security Act.

Other Uses of New Hire Information. The State child support agency must use the new hire information to locate individuals for purposes of establishing paternity as well as establishing, modifying, and enforcing child support obligations. New hire information must also be disclosed to the State agency administering the Temporary Assistance for Needy Families, Medicaid, Unemployment Compensation, Food Stamp, SSI, and territorial cash assistance programs for income eligibility verification, and to State agencies administering unemployment and workers' compensation programs to assist determinations of the allowability of claims. State and local government agencies must participate in quarterly wage reporting to the State employment security agency unless the agency performs intelligence or counterintelligence functions and it is determined that wage reporting could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission. States may disclose new hire information to agencies working under contract with the child support agency.

Disclosure to Certain Agents. States using private contractors are allowed to share information obtained from the Directory of New Hires with private entities working under contract with the State agency. Private contractors must comply with privacy safeguards.

Senate amendment

Same, except under "Other Uses of New Hire Information" Senate Amendment has no provision allowing States to share information with agencies working under contract with the State.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with the modification that the House provision allowing private entities working under contract with child support agencies access to child support information is included.

9. AMENDMENTS CONCERNING INCOME WITHHOLDING

Present law

Since November 1, 1990, all new or modified child support orders that were being enforced by the State's child support enforcement agency have been subject to immediate income withholding. If the noncustodial parent's wages are not subject to income withholding (pursuant to the November 1, 1990 provision), such parent's wages would become subject to withholding on the date when support payments are 30 days past due. Since January 1, 1994, the law has required States to use immediate income withholding for nearly all new or modified support orders, regardless of whether a parent has applied for child support enforcement services. There are two circumstances in which income withholding does not apply: (1) one of the parents argues, and the court or administrative agency agrees, that there is good cause not to do so, or (2) a written agreement is reached between both parents which provides for an alternative arrangement. States must implement procedures under which income withholding for child support can occur without the need for any amendment to the support order or for any further ac-

tion by the court or administrative entity that issued the order. States are also required to implement income withholding in full compliance with all procedural due process requirements of the State, and States must send advance notice to each nonresident parent to whom income withholding applies (with an exception for some States that had income withholding before enactment of this provision that met State due process requirements). States must extend their income withholding systems to include out-of-State support orders.

House bill

States must have laws providing that all child support orders issued or modified before October 1, 1996, which are not otherwise subject to income withholding, will become subject to income withholding immediately if arrearages occur, without the need for judicial or administrative hearing. State law must also allow the child support agency to execute a withholding order through electronic means and without advance notice to the obligor. Employers must remit to the State Disbursement Unit, in a format prescribed by the Secretary, income withheld within five working days after the date such amount would have been paid to the employee. Employers cannot take disciplinary action against employees subject to wage withholding. All child support orders subject to income withholding, including those which are not part of the State IV–D program, must be processed through the State Disbursement Unit. In addition, States must notify noncustodial parents that income withholding has commenced and inform them of procedures for contesting income withholding. Employers must follow the withholding terms and conditions stated in the order; if the terms and conditions are not specified employers should follow those of the State in which the obligor lives. The section includes a definition of income to be used in interstate withholding and several conforming amendments to section 466 of the Social Security Act.

Senate amendment

Same, except employers must remit income withheld to the State disbursement unit within 7 rather than 5 days. There are also minor wording differences in the rules relating to income withholding. There is also a difference in the House and Senate definitions of income.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with the modifications that employers are given 7 days rather than 5 days to remit withheld income and that the House definition of income is followed. With respect to this provision, "timely-paid" is demonstrated by postmark, or in the case of electronic payment, the date the electronic transmission is proven to have been initiated by the employer.

10. LOCATOR INFORMATION FROM INTERSTATE NETWORKS

Present law

No provision.

House bill

All State and the Federal Child Support Enforcement agencies must have access to the motor vehicle and law enforcement locator systems of all States.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

11. EXPANSION OF THE FEDERAL PARENT LOCATOR SERVICE

Present law

The law requires that the Federal Parent Locator Service (FPLS) be used to obtain and transmit information about the location of any absent parent when that information is to be used for the purpose of enforcing child support. Federal law also requires departments or agencies of the United States to be reimbursed for costs incurred in providing requested information to the FPLS.

Information Comparisons and Other Disclosures. Upon request, the Secretary must provide to an "authorized person" (i.e., an employee or attorney of a child support agency, a court with jurisdiction over the parties involved, the custodial parent, the legal guardian, or the child's attorney) the most recent address and place of employment of any nonresident parent if the information is contained in the records of the Department of Health and Human Services or can be obtained from any other department or agency of the United States or of any State. The FPLS also can be used in connection with the enforcement or determination of child custody, visitation, and parental kidnapping. Federal law requires the Secretary of Labor and the Secretary of Health and Human Services to enter into an agreement to give the FPLS prompt access to wage and unemployment compensation claims information useful in locating a noncustodial parent or his employer.

Fees. "Authorized persons" who request information from FPLS must be charged a fee.

Restriction on Disclosure and Use. Federal law stipulates that no information shall be disclosed if the disclosure would contravene the national policy or security interests of the United States or the confidentiality of Census data.

Quarterly Wage Reporting. The Secretary of Labor must provide prompt access by the Secretary of HHS to wage and unemployment compensation claims information and data maintained by the Labor Department or State employment security agencies.

House bill

The purposes of the Federal Parent Locator Service are expanded. For the purposes of establishing parentage, establishing support orders or modifying them, or enforcing support orders, the Federal Parent Locator Service will provide information to locate individuals who owe child support or against whom an obligation is sought or to whom such an obligation is owed. Information in the

FPLS includes Social Security number, address, name and address of employer, wages and employee benefits (including information about health care coverage), and information about assets and debts. The provision also clarifies the statute so that parents with orders providing child custody or visitation rights are given access to information from the FPLS unless the State has notified the Secretary that there is reasonable evidence of domestic violence or child abuse or that the information could be harmful to the custodial parent or child.

The Secretary is authorized to set reasonable rates for reimbursing Federal and State agencies for the costs of providing information to the FPLS and to set reimbursement rates that State and Federal agencies that use information from the FPLS must pay to the Secretary.

Federal Case Registry of Child Support Orders. Establishes within the FPLS an automated registry known as the Federal Case Registry of Child Support Orders. The Federal Case Registry contains abstracts of child support orders and other information specified by the Secretary (such as names, Social Security numbers or other uniform identification numbers, and State case identification numbers) to identify individuals who owe or are owed support, or for or against whom support is sought to be established, and the State which has the case. States must begin reporting this information in accord with regulations issued by the Secretary by October 1, 1998.

National Directory of New Hires. This provision establishes within the FPLS a National Directory of New Hires containing information supplied by State Directories of New Hires. When fully implemented, the Federal Directory of New Hires will contain identifying information on virtually every person who is hired in the United States. In addition, the FPLS will contain quarterly data supplied by the State Directory of New Hires on wages and Unemployment Compensation paid. The Secretary of the Treasury must have access to information in the Federal Directory of New Hires for the purpose of administering section 32 of the Internal Revenue Code and the Earned Income Credit. The information for the National Directory of New Hires must be entered within 2 days of receipt, and requires the Secretary to maintain within the National Directory of New Hires a list of multistate employers that choose to send their report to one State and the name of the State so elected. The Secretary must establish a National Directory of New Hires by October 1, 1997.

Information Comparisons and Other Disclosures. The Secretary must verify the accuracy of the name, Social Security number, birth date, and employer identification number of individuals in the Federal Parent Locator Service with the Social Security Administration. The Secretary is required to match data in the National Directory of New Hires against the child support order abstracts in the Federal Case Registry at least every 2 working days and to report information obtained from matches to the State child support agency responsible for the case within 2 days. The information is to be used for purposes of locating individuals to establish paternity, and to establish, modify, or enforce child support orders. The Secretary may also compare information across all components

of the FPLS to the extent and with the frequency that the Secretary determines will be effective. The Secretary will share information from the FPLS with several potential users including State agencies administering the Temporary Assistance for Needy Families program, the Commissioner of Social Security (to determine the accuracy of Social Security and Supplemental Security Income), and researchers under some circumstances.

Fees. The Secretary must reimburse the Commissioner of Social Security for costs incurred in performing verification of Social Security information and States for submitting information on New Hires. States or Federal agencies that use information from FPLS must pay fees established by the Secretary.

Restriction on Disclosure and Use. Information from the FPLS cannot be used for purposes other than those provided in this section, subject to section 6103 of the Internal Revenue Code (confidentiality and disclosure of returns and return information).

Information Integrity and Security. The Secretary must establish and use safeguards to ensure the accuracy and completeness of information from the FPLS and restrict access to confidential information in the FPLS to authorized persons and purposes.

Federal Government Reporting. Each department of the U.S. must submit the name, Social Security number, and wages paid the employee on a quarterly basis to the FPLS. Quarterly wage reporting must not be filed for a Federal or State employee performing intelligence or counter-intelligence functions if it is determined that filing such a report could endanger the employee or compromise an ongoing investigation.

Conforming Amendments. This section makes several conforming amendments to Titles III and IV of the Social Security Act, to the Federal Unemployment Tax Act, and to the Internal Revenue Code. Among the more important are that: State employment security agencies are required to report quarterly wage information to the Secretary of HHS or suffer financial penalties and that private agencies working under contract to State child support agencies can have access to certain specified information from IRS records under some circumstances.

Requirement for Cooperation. The Secretaries of HHS and Labor must work together to develop cost-effective and efficient methods of accessing information in the various directories required by this title; they must also consider the need to ensure the proper and authorized use of wage record information.

Senate amendment

Same, except under "Information Comparisons and Other Disclosures" the Senate amendment drops the requirement that the Social Security Administration must determine the accuracy of payments under the Social Security and SSI programs.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with the modification that the agreement follows the Senate provision dropping the requirement that the Social Security Administration determine the accuracy of Social Security and SSI payments.

12. COLLECTION AND USE OF SOCIAL SECURITY NUMBERS FOR USE IN CHILD SUPPORT ENFORCEMENT

Present law

Federal law requires that in the administration of any law involving the issuance of a birth certificate, States must require each parent to furnish their Social Security number for the birth records. The State is required to make such numbers available to child support agencies in accordance with Federal or State law. States may not place Social Security numbers directly on birth certificates.

House bill

States must have procedures for recording the Social Security numbers of applicants on the application for professional licenses, commercial driver's licenses, occupational licenses, and marriage licenses. States must also record Social Security numbers in the records of divorce decrees, child support orders, and paternity determination or acknowledgment orders. Individuals who die will have their Social Security number placed in the records relating to the death and recorded on the death certificate. There are several conforming amendments to title II of the Social Security Act.

Senate amendment

Same, except difference in conforming amendment to Social Security Act.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

Subtitle C—Streamlining and Uniformity of Procedures

13. ADOPTION OF UNIFORM STATE LAWS

Present law

States have several options available for pursuing interstate child support cases including direct income withholding, interstate income withholding, and long-arm statutes which require the use of the court system in the State of the custodial parent. In addition, States use the Uniform Reciprocal Enforcement of Support Act (URESA) and the Revised Uniform Reciprocal Enforcement of Support Act (RURESA) to conduct interstate cases. Federal law imposes a Federal criminal penalty for the willful failure to pay past-due child support to a child who resides in a State other than the State of the obligor. In 1992, the National Conference of Commissioners on State Uniform Laws approved a new model State law for handling interstate child support cases. The new Uniform Interstate Family Support Act (UIFSA) is designed to deal with desertion and nonsupport by instituting uniform laws in all 50 States that limit control of a child support case to a single State. This approach ensures that only one child support order from one court or child support agency will be in effect at any given time. It also helps to eliminate jurisdictional disputes between States that are impediments to locating parents and enforcing child support orders

across State lines. As of February 1996, 26 States and the District of Columbia had enacted UIFSA.

House bill

By January 1, 1998, all States must have enacted the Uniform Interstate Family Support Act (UIFSA) and any amendments officially adopted by the National Conference of Commissioners of Uniform State Laws before January 1, 1998, and have the procedures required for its implementation in effect. States are allowed flexibility in deciding which specific interstate cases are pursued by using UIFSA and which cases are pursued using other methods of interstate enforcement. States must provide that an employer that receives an income withholding order follow the procedural rules that apply to the order under the laws of the State in which the noncustodial parent works.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with additional clarifying provisions that conferees agreed to include at the request of the National Conference of Commissioners of Uniform State Laws. The Commissioners asked conferees to make two changes in House and Senate provisions. More specifically, conferees agreed to drop language in the section on income withholding in interstate cases and to insert replacement language approved by the Commissioners. This provides specific instructions to employers for rules to follow in processing interstate cases. Employers following these instructions are also provided with legal immunity.

14. IMPROVEMENTS TO FULL FAITH AND CREDIT FOR CHILD SUPPORT ORDERS

Present law

Federal law requires States to treat past-due support obligations as final judgments that are entitled to full faith and credit in every State. This means that a person who has a support order in one State does not have to obtain a second order in another State to obtain support due should the debtor parent move from the issuing court's jurisdiction. P.L. 103-383 restricts a State court's ability to modify a support order issued by another State unless the child and the custodial parent have moved to the State where the modification is sought or have agreed to the modification.

House bill

The provision clarifies the definition of a child's home State, makes several revisions to ensure that full faith and credit laws can be applied consistently with UIFSA, and clarifies the rules regarding which child support orders States must honor when there is more than one order.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

15. ADMINISTRATIVE ENFORCEMENT IN INTERSTATE CASES

Present law

No provision.

House bill

States are required to have laws that permit them to send orders to and receive orders from other States. The transmission of the order itself serves as certification to the responding State of the arrears amount and of the fact that the initiating State met all procedural due process requirements. In addition, each responding State must, without requiring the case to be transferred to their State, match the case against its data bases, take appropriate action if a match occurs, and send the collections, if any, to the initiating State. States must keep records of the number of requests they receive, the number of cases that result in a collection, and the amount collected. States must respond to interstate requests within five days.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

16. USE OF FORMS IN INTERSTATE ENFORCEMENT

Present law

No provision.

House bill

The Secretary of HHS, in consultation with State child support directors and not later than October 1, 1996, must issue forms that States must use for income withholding, for imposing liens, and for issuing administrative subpoenas in interstate cases. States must be using the forms by March 1, 1997.

Senate amendment

Same, except minor differences in wording.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

17. STATE LAWS PROVIDING EXPEDITED PROCEDURES

Present law

States must have procedures under which expedited processes are in effect under the State judicial system or under State administrative processes for obtaining and enforcing support orders and for establishing paternity.

Federal regulations provide a number of safeguards in expedited cases, such as requiring that the due process rights of the parties involved be protected.

The Employee Retirement Income Security Act (ERISA) of 1974 supersedes any and all State laws. Under ERISA a noncustodial parent's pension benefits can only be garnished or withheld if the custodial parent has a qualified domestic relations order. Similarly, a pension plan administrator is obligated to adhere to medical support requirements only if the custodial parent has a qualified medical child support order.

House bill

States must adopt a series of procedures to expedite both the establishment of paternity and the establishment, enforcement, and modification of support. These procedures must give the State agency the authority to take the following actions, subject to due process safeguards, without the necessity of obtaining an order from any other judicial or administrative tribunal:

(1) ordering genetic testing in appropriate cases;

(2) issuing subpoenas to obtain information necessary to establish, modify or enforce an order, with appropriate sanctions for failure to respond to the subpoena;

(3) requiring all entities in the State (including for-profit, nonprofit, and governmental employers) to provide information on employment, compensation and benefits of any employee or contractor in response to a request from the State IV–D agency or the IV–D agency of any other State, and to sanction failure to respond to such request;

(4) obtaining access to a variety of public and private records including: vital statistics, State and local tax records, real and personal property, occupational and professional licenses and records concerning ownership and control of corporations, partnerships and other business entities, employment security records, public assistance records, motor vehicle records, corrections records, and, subject to the nonliability of these private entities and the issuance of an administrative subpoena, information in the customer records of public utilities and cable TV companies, and records of financial institutions;

(5) directing the obligor or other payor to change the payee to the appropriate government entity in cases in which support is subject to an assignment or to a requirement to pay through the State Disbursement Unit;

(6) ordering income withholding in certain IV–D cases;

(7) securing assets to satisfy arrearages: by intercepting or seizing periodic or lump sum payments from States or local agencies including Unemployment Compensation, workers'

compensation, judgements, settlements, lottery winnings, assets held by financial institutions, and public and private retirement funds; by attaching and seizing assets held in financial institutions; by attaching public and private retirement funds; and by imposing liens to force the sale of property; and

(8) increasing automatically the monthly support due to include amounts to offset arrears.

Expedited procedures must include the following rules and authority applicable with respect to proceedings to establish paternity or to establish, modify, or enforce support orders:

(1) Locator Information and Notice. Parties in paternity and child support actions must file and update information about identity, address, and employer with the tribunal and with the State Case Registry upon entry of the order. The tribunal can deem due process requirements for notice and service of process to be met in any subsequent action upon delivery of written notice to the most recent residential or employer address filed with the tribunal.

(2) Statewide Jurisdiction. The child support agency and any administrative or judicial tribunal have the authority to hear child support and paternity cases, to exert Statewide jurisdiction over the parties, and to grant orders that have Statewide effect; cases can also be transferred between local jurisdictions without additional filing or service of process.

Except to the extent that the provisions related to expedited procedures are consistent with requirements of the ERISA qualified domestic relations orders and the qualified medical child support orders, the expedited procedures do not alter, amend, modify, invalidate, impair or supersede ERISA requirements.

The automated systems being developed by States are to be used, to the maximum extent possible, to implement expedited procedures.

Senate amendment

Same, except for a modification that alters the nonliability of entities that share information with child support officials and eliminates the reference to administrative subpoenas.

Conference agreement

The conference agreement follows the House bill and the Senate amendment except that the agreement included the House provision strengthening the nonliability of entities that share information with child support officials.

Subtitle D—Paternity Establishment

18. STATE LAWS CONCERNING PATERNITY ESTABLISHMENT

Present law

Establishment Process Available from Birth Until Age 18. Federal law requires States to have laws that permit the establishment of paternity until the child reaches age 18. As of August 16, 1984, these procedures would apply to a child for whom paternity has not been established or for whom a paternity action was

brought but dismissed because of statute of limitations of less than 18 years was then in effect in the State.

Procedures Concerning Genetic Testing. Federal law requires States to implement laws under which the child and all other parties must undergo genetic testing upon the request of a party in contested cases.

Voluntary Paternity Acknowledgement. Federal law requires States to implement procedures for a simple civil process for voluntary paternity acknowledgment, including hospital-based programs.

Status of Signed Paternity Acknowledgement. Federal law requires States to implement procedures under which the voluntary acknowledgment of paternity creates a rebuttable presumption, or at State option, a conclusive presumption of paternity.

Bar on Acknowledgement Ratification Proceedings. Federal law requires States to implement procedures under which voluntary acknowledgment is admissible as evidence of paternity and the voluntary acknowledgment of paternity must be recognized as a basis for seeking a support order without requiring any further proceedings to establish paternity.

Admissibility of Genetic Testing Results. Federal law requires States to implement procedures which provide that any objection to genetic testing results must be made in writing within a specified number of days before any hearing at which such results may be introduced into evidence. If no objection is made, the test results must be admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy.

Presumption of Paternity in Certain Cases. Federal law requires States to implement procedures which create a rebuttable or, at State option, conclusive presumption of paternity based on genetic testing results indicating a threshold probability that the alleged father is the father of the child.

Default Orders. Federal law requires States to implement procedures that require a default order to be entered in a paternity case upon a showing of service of process on the defendant and any additional showing required by State law.

House bill

Establishment Process Available from Birth Until Age 18. States are required to have laws that permit paternity establishment until at least age 18 (or a higher limit at State option) even in cases that were previously dismissed because a statute of limitations of less than 18 years was then in effect.

Procedures Concerning Genetic Testing. The child and all other parties, unless good cause provisions are met, must undergo genetic testing upon the request of a party if the request is supported by a sworn statement establishing a reasonable possibility of parentage or nonparentage. When the tests are ordered by the State agency, States must pay the costs, subject to recoupment at State option from the father if paternity is established. Upon the request and advance payment by the contestant, States must seek additional testing if the original test result is contested.

Voluntary Paternity Acknowledgement.

(1) Simple Civil Process. States must have procedures that create a simple civil process for voluntary acknowledging paternity under which benefits, rights, and responsibilities of acknowledgement are explained to unwed parents before the acknowledgement is signed.

(2) Hospital Program. States must have procedures that establish a paternity acknowledgement program through hospitals.

(3) Paternity Services. States must have procedures that require the agency responsible for maintaining birth records to offer voluntary paternity establishment services. The Secretary must issue regulations governing voluntary paternity establishment services, including regulations on State agencies that may offer voluntary paternity acknowledgement services and the conditions such agencies must meet.

(4) Affidavit. States must develop their own voluntary acknowledgment form but the form must contain all the basic elements of a form developed by the Secretary. States must give full faith and credit to the forms of other States.

Status of Signed Paternity Acknowledgement.

(1) Inclusion in Birth Records. States must include the name of the father in the record of births to unmarried parents only if the father and mother have signed a voluntary acknowledgement of paternity or a court or administrative agency has issued an adjudication of paternity.

(2) Legal Finding. States must have procedures under which a signed acknowledgement of paternity is considered a legal finding of paternity unless rescinded within 60 days or the date of a judicial or administrative proceeding to establish a support order.

(3) Contest. States must have procedures under which a paternity acknowledgment can be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof on the challenger.

Bar on Acknowledgement Ratification Proceedings. No judicial or administrative proceedings are required or permitted to ratify a paternity acknowledgement which is not challenged by the parents.

Admissibility of Genetic Testing Results. States must have procedures for admitting into evidence accredited genetic tests, unless any objection is made in writing within a specified number of days, and if no objection is made, clarifying that test results are admissible without the need for foundation or other testimony.

Presumption of Paternity in Certain Cases. States must have laws that create a rebuttable or, at State option, conclusive presumption of paternity when results from genetic testing indicate a threshold probability that the alleged father is the father of the child.

Default Orders. A default order must be entered in a paternity case upon a showing of service of process on the defendant and any additional showing required by the State law.

No Right to Jury Trial. State laws must state that parties in a contested paternity action are not entitled to a jury trial.

In addition to all the above provisions that strengthen similar provisions of current law, the Committee report contains a number of new provisions that have no direct parallel in current law. These include:

Temporary Support Based on Probable Paternity. Upon motion of a party, State law must require issuance of a temporary support order pending an administrative or judicial determination of parentage if paternity is indicated by genetic testing or other clear and convincing evidence.

Proof of Certain Support and Paternity Establishment Costs. Bills for pregnancy, childbirth, and genetic testing must be admissible in judicial proceedings without foundation testimony and must constitute prima facie evidence of the cost incurred for such services.

Standing of Putative Fathers. Putative fathers must have a reasonable opportunity to initiate a paternity action.

Filing of Acknowledgement and Adjudications in State Registry of Birth Records. Both voluntary acknowledgements and adjudications of paternity must be filed with the State registry of birth records for data matches with the central Case Registry of Child Support Orders.

National Paternity Acknowledgement Affidavit. The Secretary is required to develop, in consultation with the States, the minimum requirements of an affidavit which includes the Social Security number of each parent to be used by States for voluntary acknowledgement of paternity.

Senate amendment

Same, except under "Voluntary Paternity Acknowledgement," the Senate amendment includes good cause exceptions.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with modification that the good cause exceptions are dropped.

19. OUTREACH FOR VOLUNTARY PATERNITY ESTABLISHMENT

Present law

States are required to regularly and frequently publicize, through public service announcements, the availability of child support enforcement services.

House bill

States must publicize the availability and encourage the use of procedures for voluntary establishment of paternity and child support.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

20. COOPERATION BY APPLICANTS FOR AND RECIPIENTS OF TEMPORARY FAMILY ASSISTANCE

Present law

AFDC applicants and recipients are required to cooperate with the State in establishing the paternity of a child and in obtaining child support payments unless the applicant or recipient is found to have good cause for refusing to cooperate. Under the "good cause" regulations, the child support agency may determine that it is against the best interests of the child to seek to establish paternity in cases involving incest, rape, or pending procedures for adoption. Moreover, the agency may determine that it is against the best interest of the child to require the mother to cooperate if it is anticipated that such cooperation will result in the physical or emotional harm of the child, parent, or caretaker relative.

House bill

Individuals or their children who apply for or receive public assistance under the Temporary Assistance for Needy Families (TANF) program or the Medicaid program must cooperate, as determined by the State child support agency, with State efforts to establish paternity and establish, modify, or enforce a support order. State procedures must require both that applicants and recipients provide specific identifying information about the other parent and that applicants appear at interviews, hearings, and legal proceedings, unless the applicant or recipient is found to have good cause for refusing to cooperate. States must have "good cause" exceptions and they must take into account the best interests of the child. The definition of good cause, and the determination of good cause in specific cases, can be accomplished by the State agency administering TANF, child support enforcement, or Medicaid. States also must require the custodial parent and child to submit to genetic testing. States may not require the noncustodial parent to sign an acknowledgement of paternity or relinquish the right to genetic testing as a condition of cooperation. The State child support agency must notify the agencies administering the TANF Block Grant and Medicaid programs if noncooperation is determined.

Senate amendment

Same, except imposes a penalty for noncooperation. If it is determined that an individual is not cooperating, and the individual does not qualify for any good cause or other exception, then the State must deduct not less than 25 percent of the Title IV–A assistance that otherwise would be provided to the family of the individual; and the State may deny the family any Title IV–A assistance. The Senate amendment also has references to Title XV not found in the House bill.

Conference agreement

The conference agreement follows the House bill and the Senate amendment except that the Senate penalty of 25 percent is included. This provision is included in Title I (Block Grants for Temporary Assistance for Needy Families) of the bill.

Subtitle E—Program Administration and Funding

21. PERFORMANCE-BASED INCENTIVES AND PENALTIES

Present law

Incentive Adjustments to Federal Matching Rate. The Federal government reimburses approved administrative expenditures of States at a rate of 66 percent. In addition, the Federal government pays States an incentive amount ranging from six percent to 10 percent of both AFDC and non-AFDC collections.

Conforming Amendments. No provision.

Calculation of IV–D Paternity Establishment Percentage. States are required to meet Federal standards for the establishment of paternity. The major standard relates to the percentage obtained by dividing the number of children in the State who are born out of wedlock, are receiving AFDC or child support enforcement services, and for whom paternity has been established by the number of children who are born out of wedlock and are receiving AFDC or child support enforcement services. To meet Federal requirements, this percentage in a State must be at least 75 percent or meet the following standards of improvement from the preceding year: (1) if the State paternity establishment ratio is between 50 and 75 percent, the State ratio must increase by 3 or more percentage points from the ratio of the preceding year; (2) if the State ratio is between 45 and 50, the ratio must increase at least 4 percentage points; (3) if the State ratio is between 40 and 45 percent, it must increase at least 5 percentage points; and (4) if the State ratio is below 40 percent, it must increase at least 6 percentage points. If an audit finds that the State's child support enforcement program has not substantially complied with the requirements of its State plan, the State is subject to a penalty. In accord with this penalty, the Secretary must reduce a State's AFDC benefit payment by not less than 1 percent nor more than 2 percent for the first failure to comply; by not less than 2 percent nor more than 3 percent for the second consecutive failure to comply; and by not less than 3 percent nor more than 5 percent for third or subsequent consecutive failure to comply.

House bill

Incentive Adjustments to Federal Matching Rate. The Secretary, in consultation with State child support directors, must develop a proposal for a new incentive system that provides additional payments to States (i.e., above the base matching rate of 66 percent) based on performance and report details of the new system to the Committees on Ways and Means and Finance by March 1, 1997. The Secretary's new system must be revenue neutral. The current incentive system remains effective for fiscal years beginning before 2000.

Conforming Amendments. Conforming amendments are made in Sections 458 of the Social Security Act.

Calculation of IV–D Paternity Establishment Percentage. States have the option of calculating the paternity establishment rate by either counting only unwed births in the State IV–D caseload or by counting all unwed births in the State. The IV–D pater-

nity establishment percentage for a fiscal year is equal to: (1) the total number of children in the State who were born out-of-wedlock, and who receive services under Part A or, at State option, Part D, and for whom paternity is acknowledged or established during the fiscal year, divided by (2) the total number of children born out-of-wedlock who receive services under Part A or E or, at State option, Part D. The Statewide paternity establishment percentage is similar except that all out-of-wedlock births in the fiscal year in the State are in the denominator and all paternities established are in the numerator. The requirements for meeting the standard are the same as current law except the 75 percent rule is increased to 90 percent. States with a paternity establishment percentage of between 75 percent and 90 percent must improve their performance by at least two percentage points per year. The noncompliance provisions of the child support program are modified so that the Secretary must take overall program performance into account.

Senate amendment

Same, except minor wording difference in amendment of Section 452(g)(2).

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

22. FEDERAL AND STATE REVIEW AND AUDITS

Present law

States are required to maintain a full record of child support collections and disbursements and to maintain an adequate reporting system.

The Secretary must collect and maintain, on a fiscal year basis, up-to-date State-by-State statistics on each of the services provided under the child support enforcement program. The Secretary is also required to evaluate the implementation of State child support enforcement programs and conduct audits of these programs as necessary, but not less often than once every 3 years (or annually if a State has been found to be out of compliance with program rules).

House bill

States are required to annually review and report to the Secretary, using data from their automatic data processing system, both information adequate to determine the State's compliance with Federal requirements for expedited procedures and timely case processing as well as the information necessary to calculate their levels of accomplishment and rates of improvement on the performance indicators in the proposal.

The Secretary is required to determine the amount (if any) of incentives or penalties. The Secretary must also review State reports on compliance with Federal requirements and provide States with recommendations for corrective action. Audits must be conducted at least once every 3 years, or more often in the case of States that fail to meet Federal requirements. The purpose of the

audits is to assess the completeness, reliability, and security of data reported for use in calculating the performance indicators and to assess the adequacy of financial management of the State program.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

23. REQUIRED REPORTING PROCEDURES

Present law

The Secretary is required to assist States in establishing adequate reporting procedures and must maintain records of child support enforcement operations and of amounts collected and disbursed, including costs incurred in collecting support payments.

House bill

The Secretary is required to establish procedures and uniform definitions for State collection and reporting of information necessary to measure State compliance with expedited processes.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

24. AUTOMATED DATA PROCESSING REQUIREMENTS

Present law

Federal law (P.L. 104–35) requires that by October 1, 1997, States have an operational automated data processing and information retrieval system designed to control, account for, and monitor all factors in the support enforcement and paternity determination process, the collection and distribution of support payments, and the costs of all services rendered.

The automated data processing system must be capable of providing management information on all IV–D cases from initial referral or application through collection and enforcement. The automated data processing system must also be capable of providing security against unauthorized access to, or use of, the data in such system. To establish these automated data systems, the Federal government provided States with a 90 percent matching rate for the costs of development. This enhanced matching money expired on October 1, 1995.

House bill

States are required to have a single Statewide automated data processing and information retrieval system which has the capacity to perform the necessary functions and with the required fre-

quency, as described in this section. The State data system must be used to perform functions the Secretary specifies, including controlling and accounting for the use of Federal, State, and local funds and maintaining the data necessary to meet Federal reporting requirements in carrying out the program. The system must maintain the requisite data for Federal reporting, calculate the State's performance for purposes of the incentive and penalty provisions, and have in place systems controls to ensure the completeness, reliability, and accuracy of the data.

To promote security of information, the State agency must have safeguards to protect the integrity, accuracy, and completeness of, and access to and use of, data in the automated systems including restricting access to passwords, monitoring of access to and use of the system, conducting automated systems training, and imposing penalties for unauthorized use or disclosure of confidential data. The Secretary must prescribe final regulations for implementation of this section no later than 2 years after the date of the enactment of this Act.

The statutory provisions for State implementation of Federal automatic data processing requirements are revised to provide that, first, all requirements enacted on or before the date of enactment of the Family Support Act of 1988 are to be met by October 1, 1997. The requirements enacted on or before the date of enactment of this proposal must be met by October 1, 1999. The October 1, 1999 deadline will be extended by one day for each day by which the Secretary fails to meet the 2-year deadline for regulations. The Federal government will continue the 90 percent matching rate for 1996 and 1997 in the case of provisions outlined in advanced planning documents submitted before September 30, 1995; the enhanced match is also provided retroactively for funds expended since expiration of the enhanced rate on October 1, 1995. For fiscal years 1996 through 2001, the matching rate for the provisions of this section will be 80 percent.

The Secretary must create procedures to cap payments to States to meet the new requirements at $400,000,000 over 6 years (fiscal years 1996–2001) to be distributed among States by a formula set in regulations which takes into account the relative size of State caseloads and the level of automation needed to meet applicable automatic data processing requirements.

Senate amendment

Same, except that requirements enacted after the Family Support Act must be met by October 1, 2000 (rather than October 1, 1999). Also, a difference in wording about payments in fiscal year 1998.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

25. TECHNICAL ASSISTANCE (AND FUNDING OF PARENT LOCATOR SERVICE)

Present law

Annual appropriations are made to cover the expenses of the Administration for Children and Families, which includes the Federal Office of Child Support Enforcement (OCSE). Among OCSE's administrative expenses are the costs of providing technical assistance to the States.

House bill

The Secretary can use 1 percent of the Federal share of child support collections on behalf of families in the Temporary Assistance for Needy Families program the preceding year to provide technical assistance to the States. Technical assistance can include training of State and Federal staff, research and demonstration programs, special projects of regional or national significance, and similar activities. The Secretary will receive 2 percent of the Federal share of collections on behalf of TANF recipients the preceding year for operation of the Federal Parent Locator Service to the extent that costs of the Parent Locator Service are not recovered by user fees.

Senate amendment

Same, except the effective date is October 1, 1997.

Conference agreement

The conference agreement follows the House bill and the Senate amendment except that the House effective date is followed.

26. REPORTS AND DATA COLLECTION BY THE SECRETARY

Present law

The Secretary is required to submit to Congress, not later than 3 months after the end of the fiscal year, a complete report on all child support enforcement activities.

House bill

In addition to current reporting requirements, the Secretary is required to report the following data to Congress in her annual report each fiscal year:

(1) the total amount of child support payments collected;

(2) the cost to the State and Federal governments of furnishing child support services;

(3) the number of cases involving families that became ineligible for aid under part A with respect to whom a child support payment was received;

(4) the total amount of current support collected and distributed;

(5) the total amount of past due support collected and distributed; and

(6) the total amount of support due and unpaid for all fiscal years.

The Secretary also must report the compliance, by State, with IV–D standards for responding to requests for child support assistance from other States and standards for distributing child support collections.

Senate amendment

Same, except minor difference in wording in amendment to Section 452(a)(10).

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

27. CHILD SUPPORT DELINQUENCY PENALTY

Present law

No provision.

House bill

States must impose an annual penalty of 10 percent on overdue support owed by noncustodial parents. The penalty is paid after the family has been repaid all arrearages and after the State has been repaid for welfare payments, if any, made to families.

Senate amendment

No provision.

Conference agreement

The conference agreement follows the Senate amendment by dropping this penalty provision.

Subtitle F—Establishment and Modification of Support Orders

28. SIMPLIFIED PROCESS FOR REVIEW AND ADJUSTMENT OF CHILD SUPPORT ORDERS

Present law

A child support order legally obligates noncustodial parents to provide financial support for their child and stipulates the amount of the obligation and how it is to be paid. In 1984, P.L. 98–378 required States to establish guidelines for establishing child support orders. In 1988, P.L. 100–485 made the guidelines binding on judges and other officials who had authority to establish support orders. P.L. 100–485 also required States to review and adjust individual child support orders once every three years under some circumstances. States are required to notify both resident and nonresident parents of their right to a review.

House bill

States must review and, as appropriate, adjust child support orders at the request of the parents. In the case of orders being enforced against parents whose children are receiving benefits under Title IV–A of the Social Security Act, States may also review the order at their own option. No proof of change of circumstances is needed to initiate the review. States may adjust child support or-

ders by either applying the State guidelines and updating the award amount or by applying a cost of living increase to the order. In the latter case, both parties must be given 30 days after notice of adjustment to contest the results. States may use automated methods to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the appropriate adjustment to the orders based on the threshold established by the State. States are required to give parties one notice of their right to request review and adjustment, which may be included in the order establishing the support amount.

Senate amendment

Major differences in the review and adjustment provisions; the House makes reviews optional while the Senate retains mandatory 3-year reviews of IV–A cases as under current law; also other differences in wording.

Conference agreement

The conference agreement follows the House bill and the Senate amendment. The compromise provision preserves the mandatory review every 3 years if parents request a review but allows States some flexibility in reviewing child support cases in their welfare caseload.

29. FURNISHING CONSUMER REPORTS FOR CERTAIN PURPOSES RELATING TO CHILD SUPPORT

Present law

The Fair Credit Act requires consumer reporting agencies to include in any consumer report information on child support delinquencies provided by or verified by a child support enforcement agency, which antedates the report by 7 years.

House bill

This section amends the Fair Credit Reporting Act. In response to a request by the head of a State or local child support agency (or a State or local government official authorized by the head of such an agency), consumer credit agencies must release information if the person making the request makes all of the following certifications: that the consumer report is needed to establish an individual's capacity to make child support payments or determine the level of payments; that paternity has been established or acknowledged; that the consumer has been given at least 10 days notice by certified or registered mail that the report is being requested; and that the consumer report will be kept confidential, will be used solely for child support purposes, and will not be used in connection with any other civil, administrative, or criminal proceeding or for any other purpose. Consumer reporting agencies must also give reports to a child support agency for use in setting an initial or modified award.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

30. NONLIABILITY FOR FINANCIAL INSTITUTIONS PROVIDING FINANCIAL RECORDS

Present law

No provision.

House bill

Financial institutions are not liable to any person for information provided to child support agencies. Child support agencies can disclose information obtained from depository institutions only for child support purposes. There is no liability for disclosures that result from good faith but erroneous interpretation of this statute. However, individuals who knowingly disclose information from financial records can have civil actions brought against them in Federal district court; the maximum penalty is $1,000 for each disclosure or actual damages plus, in the case of willful disclosure resulting from gross negligence, punitive damages, plus the costs of the action. Definitions of "financial institution" and "financial record" are included in this section.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

Subtitle G—Enforcement of Support Orders

31. INTERNAL REVENUE SERVICE COLLECTION OF ARREARAGES

Present law

If the amount of overdue child support is at least $750, the Internal Revenue Service (IRS) can enforce the child support obligation through its regular collection process, which may include seizure of property, freezing accounts, or use of other procedures if child support agencies request assistance according to prescribed rules (e.g., certifying that the delinquency is at least $750, etc.)

House bill

The Internal Revenue Code is amended so that no additional fees can be assessed for adjustment to previously certified amounts for the same obligor.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

32. AUTHORITY TO COLLECT SUPPORT FROM FEDERAL EMPLOYEES

Present law

Federal law allows the wages of Federal employees to be garnished to enforce legal obligations for child support or alimony. Federal law provides that moneys payable by the United States to any individual are subject to being garnished in order to meet an individual's legal obligation to provide child support or make alimony payments. An executive order issued on February 27, 1995 establishes the Federal government as a model employer in promoting and facilitating the establishment and enforcement of child support. Under the terms of the Executive Order, all Federal agencies, including the Uniformed Services, are required to cooperate fully in efforts to establish paternity and child support and to enforce the collection of child and medical support. All Federal agencies are to review their wage withholding procedures to ensure that they are in full compliance. Beginning no later than July 1, 1995, the Director of the Office of Personnel Management must publish annually in the Federal Register the list of agents (and their addresses) designated to receive service of withholding notices for Federal employees. Federal law states that neither the United States nor any disbursing officer or government entity shall be liable with respect to any payment made from moneys due or payable from the United States pursuant to the legal process. Federal law provides that money that may be garnished includes compensation for personal services, whether such compensation is denominated as wages, salary, commission, bonus, pay, or otherwise, and includes but is not limited to, severance pay, sick pay, incentive payments, and periodic payments. Includes definitions of "United States", "child support", "alimony", "private person", and "legal process".

House bill

Consolidation and Streamlining of Authorities:

(1) Federal employees are subject to wage withholding and other actions taken against them by State child support enforcement agencies.

(2) Federal agencies are responsible for the same wage withholding and other child support actions taken by the State as if they were a private employer.

(3) The head of each Federal agency must designate an agent and place the agent's name, title, address, and telephone number in the Federal Register annually. The agent must, upon receipt of process, send written notice to the individual involved as soon as possible, but no later than 15 days, and to comply with any notice of wage withholding or respond to other process within 30 days. The agent also must respond to any order, process, or interrogatory about child support or alimony within 30 days after effective service of such requests.

(4) Current law governing allocation of moneys owed by a Federal employee is amended to give priority to child support, to require allocation of available funds, up to the amount owed, among child support claimants, and to allocate remaining funds to other claimants on a first-come, first-served basis.

(5) A government entity served with notice of process for enforcement of child support is not required to change its normal pay and disbursement cycle to comply with the legal process.

(6) Similar to current law, the U.S., the government of the District of Columbia, and disbursing officers are not liable for child support payments made in accord with this section; nor is any Federal employee subject to disciplinary action or civil or criminal liability for disclosing information while carrying out the provisions of this section.

(7) The President has the authority to promulgate regulations to implement this section as it applies to Federal employees of the Administrative branch of government; the President Pro Tempore of the Senate and Speaker of the House can issue regulations governing their employees; and the Chief Justice can issue regulations applicable to the Judicial branch.

(8) This section broadens the definition of income to include, in addition to wages, salary, commissions, bonus pay, allowances, severance pay, sick pay, and incentive pay, funds such as insurance benefits, retirement and pension pay (including disability pay if the veteran has waived a portion of retirement pay to receive disability pay), survivor's benefits, compensation for death and black lung disease, veteran's benefits, and workers' compensation; but to exclude from income funds paid to defray expenses incurred in carrying out job duties; amounts owed to the U.S. or used to pay Federal employment taxes, fines, or forfeitures ordered by court martial; and amounts withheld for tax purposes, for health insurance or life insurance premiums, for retirement contributions, or for life insurance premiums.

(9) This section includes definitions of "United States", "child support", "alimony", "private person", and "legal process".

Conforming Amendments. The House provision makes several conforming amendments to Title IV–D of the Social Security Act and Title 5 of the United States Code.

Military Retired and Retainer Pay. The definition of "court" in the Armed Forces title of the U.S. Code (title 10) is amended to include an administrative or judicial tribunal of a State which is competent to enter child support orders, and clarifies the definition of "court order." The Secretary of Defense is required to send withheld amounts for child support to the appropriate State Disbursement Unit. The provision also clarifies that military personnel who have never been married to the parent of their child are under jurisdiction of the State child support program and the terms of section 459 of the Social Security Act.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

33. ENFORCEMENT OF CHILD SUPPORT OBLIGATIONS OF MEMBERS OF THE ARMED FORCES

Present law

Availability of Locator Information. The Executive Order issued February 27, 1995 requires a study which would include recommendations on how to improve service of process for civilian employees and members of the Uniformed Services stationed outside the United States.

Facilitating Granting of Leave for Attendance at Hearings. No provision.

Payment of Military Retired Pay in Compliance with Child Support Orders. Federal law requires allotments from the pay and allowances of any member of the uniformed service when the member fails to pay child (or child and spousal) support payments.

House bill

Availability of Locator Information. The Secretary of Defense must establish a central personnel locator service that contains residential or, in specified instances, duty addresses of every member of the Armed Services (including members of the Coast Guard, if requested). The locator service must be updated within 30 days of the time an individual establishes a new address. Information from the locator service must be made available upon request to the Federal Parent Locator Service.

Facilitating Granting of Leave for Attendance at Hearings. The Secretary of each military department must issue regulations to facilitate granting of leave for members of the Armed Services to attend hearings to establish paternity or to establish child support orders. The terms "court" and "child support" are defined.

Payment of Military Retired Pay in Compliance with Child Support Orders. Child support orders received by the Secretary do not have to have been recently issued. The Secretary of each branch of the Armed Forces (including retirees, the Coast Guard, the National Guard, and the Reserves) is required to make child support payments from military retirement pay directly to any State to which a custodial parent has assigned support rights as a condition of receiving public assistance. Payments to satisfy current support or child support arrears must be made from disposable retirement pay. Payroll deductions must begin within 30 days or the first pay period after 30 days of receiving a wage withholding order.

The conference agreement follows the House bill and the Senate amendment.

34. VOIDING OF FRAUDULENT TRANSFERS

Present law

No provision.

House bill

States must have in effect the Uniform Fraudulent Conveyance Act of 1981, the Uniform Fraudulent Transfer Act of 1984, or an equivalent law providing for voiding transfers of income or property that were made to avoid payment of child support. States also must have in effect procedures under which the State must seek to void a fraudulent transfer or obtain a settlement in the best interest of the child support creditor.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

35. WORK REQUIREMENT FOR PERSONS OWING PAST-DUE CHILD SUPPORT

Present law

Public Law 100–485 required the Secretary to grant waivers to up to five States allowing them to provide JOBS services on a voluntary or mandatory basis to noncustodial parents who are unemployed and unable to meet their child support obligations. (In their report the conferees noted that the demonstrations would not grant any new powers to the States to require participation by noncustodial parents. The demonstrations were to be evaluated.)

House bill

States must have procedures under which the State has the authority to issue an order or request that a court or administrative process issue an order that requires individuals owing past-due child support for a child receiving assistance under the Temporary Family Assistance program either to pay the support due, to have and be in compliance with a plan to pay child support, or to participate in work activities as deemed appropriate by the court or the child support agency. "Past-due support" is defined and a conforming amendment is made to sec. 466 of the Social Security Act.

36. DEFINITION OF SUPPORT ORDER

Present law

No provision.

House bill

A support order is defined as a judgement, decree, or order (whether temporary, final, or subject to modification) issued by a

court or an administrative agency for the support (monetary support, health care, arrearages, or reimbursement) of a child (including a child who has reached the age of majority under State law) or of a child and the parent with whom the child lives, and which may include costs and fees, interest and penalties, income withholding, attorney's fees, and other relief.

Senate amendment

37. REPORTING ARREARAGES TO CREDIT BUREAUS

Present law

Federal law requires States to implement procedures which require them to periodically report to consumer reporting agencies the name of debtor parents owing at least 2 months of overdue child support and the amount of child support overdue. However, if the amount overdue is less than $1,000, information regarding it shall be made available only at the option of the State. Moreover, information may only be made available after the noncustodial parent has been notified of the proposed action and has been given reasonable opportunity to contest the accuracy of the claim against him. States are permitted to charge consumer reporting agencies that request child support arrearage information a fee that does not exceed actual costs.

House bill

States are required to periodically report to consumer credit reporting agencies the name of any noncustodial parent who is delinquent in the payment of support and the amount of overdue support owed by the parent. Before such a report can be sent, the obligor must have been afforded all due process rights, including notice and reasonable opportunity to contest the claim of child support delinquency.

38. LIENS

Present law

Federal law requires States to implement procedures under which liens are imposed against real and personal property for amounts of overdue support owed by a noncustodial parent who resides or owns property in the State.

House bill

States must have procedures under which liens arise by operation of law against property for the amount of overdue support. States must grant full faith and credit to liens of other States if the originating State agency or party has complied with procedural rules relating to the recording or serving of liens, except such rules cannot require judicial notice or hearing prior to enforcement of the lien.

If an individual owes arrearages in excess of $5,000 of child support, the Secretary of HHS must request that the State Department deny, revoke, restrict, or limit the individual's passport. State child support agencies must have procedures for certifying to the Secretary arrearages in excess of $5,000 and for notifying individuals who are in arrears and providing them with an opportunity to contest. These provisions become effective on October 1, 1997.

41. INTERNATIONAL CHILD SUPPORT ENFORCEMENT

Present law

No provision.

House bill

(1) The Secretary of State, with concurrence of the Secretary of HHS, is authorized to declare reciprocity with foreign countries having requisite procedures for establishing and enforcing support orders. The Secretary may revoke reciprocity if she determines that the enforcement procedures do not continue to meet the requisite criteria.

(2) The requirements for reciprocity include procedures in the foreign country for U.S. residents—available at no cost—to establish parentage, to establish and enforce support orders for children and custodial parents, and to distribute payments.

(3) An agency of the foreign country must be designated a central authority responsible for facilitating support enforcement and ensuring compliance with standards by both U.S. residents and residents of the foreign country.

(4) The Secretary in consultation with the States, may establish additional standards that she judges necessary to promote effective international support enforcement.

(5) The Secretary of HHS is required to facilitate enforcement services in international cases involving residents of the United States and of foreign reciprocating countries, including developing uniform forms and procedures, providing information from the FPLS on the State of residence of the obligor, and providing such other oversight, assistance, or coordination as she finds necessary and appropriate.

(6) Where there is no Federal reciprocity agreement, States are permitted to enter into reciprocal agreements with foreign countries.

(7) The State plan must provide that request for services in international cases be treated the same as interstate cases, except that no application will be required and no costs will be assessed against the foreign country or the obligee (costs may be assessed at State option against the obligor).

No provision.

House bill

States are required to implement procedures under which the State child support agency must enter into agreements with financial institutions doing business within the State to develop and operate a data match system, using automated data exchanges to the maximum extent feasible, in which such financial institutions are required to provide for each calendar quarter the name, address, Social Security number, and other identifying information for each noncustodial parent identified by the State who has an account at the institution and owes past-due child support. In response to a notice of lien or levy, the financial institution must encumber or surrender assets held by the institution on behalf of the noncustodial parent who is subject to the child support lien. The State agency may pay a fee to the financial institution. The financial institution is not liable for activities taken to implement the provisions of this section. Definitions of the terms "financial institution" and "account" are included.

43. ENFORCEMENT OF ORDERS AGAINST PATERNAL OR MATERNAL GRANDPARENTS IN CASES OF MINOR PARENTS

Present law

No provision. However, Wisconsin and Hawaii have State laws that make grandparents financially responsible for their minor children's dependents.

House bill

With respect to a child of minor parents receiving support from the Temporary Assistance for Needy Families Block Grant, States have the option to enforce a child support order against the parents of the minor noncustodial parent.

Senate amendment

44. NONDISCHARGEABILITY IN BANKRUPTCY OF CERTAIN DEBTS FOR THE SUPPORT OF A CHILD

Present law

Although child support payments may not be discharged in a filing of bankruptcy (i.e., the debtor parent cannot escape her child support obligation by filing a bankruptcy petition), a bankruptcy filing may cause long delays in securing child support payments.

Pursuant to P.L. 103–394, a filing of bankruptcy will not stay a paternity, child support, or alimony proceeding. In addition, child support and alimony payments will be priority claims and custodial parents will be able to appear in bankruptcy court to protect their interests without paying a fee or meeting any local rules for attorney appearances.

House bill

Title 11 of the U.S. Code and Title IV–D of the Social Security Act are amended to ensure that a debt owed to the State "that is in the nature of support and that is enforceable under this part" cannot be discharged in bankruptcy proceedings. This amendment applies only to cases initiated under Title 11 after enactment of this Act.

45. CHILD SUPPORT ENFORCEMENT FOR INDIAN TRIBES

Present law

There are about 340 federally recognized Indian tribes in the 48 contiguous States. Among these tribes there are approximately 130 tribal courts and 17 Courts of Indian Offenses. Most tribal codes authorize their courts to hear parentage and child support matters that involve at least one member of the tribe or person living on the reservation. This jurisdiction may be exclusive or concurrent with State court jurisdiction, depending on specified circumstances.

House bill

No provision.

Senate amendment

Any State that has Indian country may enter into a cooperation agreement with an Indian tribe if the tribe demonstrates that it has an established tribal court system with several specific characteristics. The Secretary may make direct payments to Indian tribes that have approved child support enforcement plans. Conforming amendments are included.

Subtitle H—Medical Support

46. CORRECTION TO ERISA DEFINITION OF MEDICAL CHILD SUPPORT ORDER

Present law

Public Law 103–66 requires States to adopt laws that require health insurers and employers to enforce orders for medical and child support and that forbid health insurers from denying coverage to children who are not living with the covered individual or who were born outside of marriage. Under Public Law 103–66, group health plans are required to honor "qualified medical child support orders."

House bill

This provision expands the definition of medical child support order in ERISA to clarify that any judgement, decree, or order that is issued by a court of competent jurisdiction or by an administrative process has the force and effect of law.

Senate amendment

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

47. ENFORCEMENT OF ORDERS FOR HEALTH CARE COVERAGE

Present law

Federal law requires the Secretary to require IV–D agencies to petition for the inclusion of medical support as part of child support whenever health care coverage is available to the noncustodial parent at reasonable cost.

House bill

All orders enforced under this part must include a provision for health care coverage. If the noncustodial parent changes jobs and the new employer provides health coverage, the State must send notice of coverage, which shall operate to enroll the child in the health plan, to the new employer.

SUBTITLE I—ENHANCING RESPONSIBILITY AND OPPORTUNITY FOR NON-RESIDENTIAL PARENTS

48. GRANTS TO STATES FOR ACCESS AND VISITATION PROGRAMS

Present law

In 1988, Congress authorized the Secretary to fund for fiscal year 1990 and fiscal year 1991 demonstration projects by States to help divorcing or never-married parents cooperate with each other, especially in arranging for visits between the child and the non-resident parent.

House bill

This proposal authorizes grants to States for access and visitation programs including mediation, counseling, education, development of parenting plans, and visitation enforcement. Visitation enforcement can include monitoring, supervision, neutral drop-off and pick-up, and development of guidelines for visitation and alternative custody agreements. An annual entitlement of $10 million is appropriated for these grants.

The amount of the grant to a State is equal to either 90 percent of the State expenditures during the year for access and visitation programs or the allotment for the State for the fiscal year. The allotment to the State bears the same ratio to the amount appropriated for the fiscal year as the number of children in the State living with one biological parent divided by the national number of children living with one biological parent. The Administration for Children and Families must adjust allotments to ensure that no State is allotted less than $50,000 for fiscal years 1997 or 1998 or less than $100,000 for any year after 1998. Projects are required to supplement rather than supplant State funds. States may use the money to create their own programs or to fund grant programs with courts, local public agencies, or nonprofit organizations. The programs do not need to be Statewide. States must monitor, evaluate, and report on their programs in accord with regulations issued by the Secretary.

Senate amendment

Same, except delays the effective date for 1 year.

Conference agreement

The conference agreement follows the House bill and the Senate amendment except that the House effective date is followed.

SUBTITLE J—EFFECTIVE DATES AND CONFORMING AMENDMENTS

49. EFFECTIVE DATES AND CONFORMING AMENDMENTS

Present law

No provision.

House bill

Except as noted in the text of the House proposal for specific provisions, the general effective date for provisions in the proposal is October 1, 1996. However, given that many of the changes re-

quired by this proposal must be approved by State Legislatures, the proposal contains a grace period tied to the meeting schedule of State Legislatures. In any given State, the proposal becomes effective either on October 1, 1996 or on the first day of the first calendar quarter after the close of the first regular session of the State Legislature that begins after the date of enactment of the proposal. In the case of States that require a constitutional amendment to comply with the requirements of the proposal, the grace period is extended either for one year after the effective date of the necessary State constitutional amendment or five years after the date of enactment of the proposal. This section contains several conforming amendments to title IV–D of the Social Security Act. This section also replaces the term "absent parent" with "noncustodial parent" each place it occurs in title IV–D.

TITLE IV: RESTRICTING WELFARE AND PUBLIC BENEFITS FOR ALIENS

1. STATEMENTS OF NATIONAL POLICY CONCERNING WELFARE AND IMMIGRATION

Present law

No provision.

House bill

The Congress makes several statements concerning national policy with respect to welfare and immigration. These include the affirmation that it continues to be the immigration policy of the United States that noncitizens within the Nation's borders not depend on public resources, that noncitizens nonetheless have been applying for and receiving public benefits at increasing rates, and that it is a compelling government interest to enact new eligibility and sponsorship rules to assure that noncitizens become self-reliant and to remove any incentive for illegal immigration.

Senate amendment

Similar to House bill.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

Subtitle A—Eligibility for Federal Benefits

2. ALIENS WHO ARE NOT QUALIFIED ALIENS INELIGIBLE FOR FEDERAL PUBLIC BENEFITS

Present law

Current law limits alien eligibility for most major Federal assistance programs, including restrictions on, among other programs, Supplemental Security Income, Aid to Families with Dependent Children, housing assistance, and Food Stamps programs. Current law is silent on alienage under, among other programs, school lunch and nutrition, the Special Supplemental Food Program for Women, Infants, and Children (WIC), Head Start, migrant health centers, and the earned income credit. Under the programs with restrictions, benefits are generally allowed for permanent resident aliens (also referred to as immigrants and green card holders), refugees, asylees, and parolees, but benefits (other than emergency Medicaid) are denied to nonimmigrants (or aliens lawfully admitted temporarily as, for example, tourists, students, or temporary workers) and illegal aliens. Benefits are permitted under AFDC, SSI, unemployment compensation, and nonemergency Medicaid to other aliens permanently residing in the United States under color of law (PRUCOL).

House bill

Noncitizens who are "not qualified aliens" (generally, illegal immigrants and nonimmigrants such as students) are ineligible for all Federal public benefits, with limited exceptions for emergency medical services, emergency disaster relief, immunizations and testing and treatment of symptoms of communicable diseases, community programs necessary for the protection of life or safety, certain housing benefits (only for current recipients), licenses and benefits directly related to work for which a nonimmigrant has been authorized to enter the U.S, and certain Social Security retirement benefits protected by treaty or statute.

Federal public benefits include: any grant, contract, loan, professional license or commercial license, and any retirement, welfare, health, disability, food assistance, unemployment or similar benefit provided by an agency or appropriated funds of the United States.

Senate amendment

Similar to House, except that the exception for communicable diseases is limited to treatment of the disease itself and must be triggered by a finding by HHS that testing and treatment of a particular disease is necessary to prevent its spread.

Conference agreement

The conference agreement follows the House bill.

The allowance for treatment of communicable diseases is very narrow. The conferees intend that it only apply where absolutely necessary to prevent the spread of such diseases. This is only a stop-gap measure until the deportation of a person or persons un-

lawfully here. It is not intended to provide authority for continued treatment of such diseases for a long term.

The allowance for emergency medical services under Medicaid is very narrow. The conferees intend that it only apply to medical care that is strictly of an emergency nature, such as medical treatment administered in an emergency room, critical care unit, or intensive care unit. The conferees do not intend that emergency medical services include pre-natal or delivery care assistance that is not strictly of an emergency nature as specified herein.

The intent of the conferees is that title I, part A of the Elementary and Secondary Education Act would not be affected by section 401 because the benefit is not provided to an individual, household, or family eligibility unit.

3. LIMITED ELIGIBILITY OF QUALIFIED ALIENS FOR CERTAIN FEDERAL PROGRAMS

Present law

With the exception of certain buy-in rights under Medicare, immigrants (or aliens) lawfully admitted for permanent residence are eligible for major Federal benefits, but the ability of some immigrants to meet the needs tests for SSI, AFDC, and food stamps may be affected by the sponsor-to-alien deeming provisions discussed below. Refugees, asylees, and parolees also generally are eligible. Benefits are permitted under AFDC, SSI, unemployment compensation, and nonemergency Medicaid to other aliens permanently residing in the United States under color of law (PRUCOL).

House bill

Legal noncitizens who are "qualified aliens" (i.e., permanent resident aliens, refugees, asylees, aliens paroled into the United States for a period of at least 1 year, and aliens whose deportation has been withheld) are ineligible for SSI, Medicaid, and food stamp benefits until they attain citizenship, with exceptions noted below. States are given the option of similarly restricting Federal cash welfare and Title XX benefits for qualified aliens, with the exception of those who are receiving benefits on the date of enactment as described below.

Refugees, asylees, and aliens whose deportation has been withheld are excepted for 5 years after being granted their respective statuses. Also excepted are legal permanent residents who have worked (in combination with their spouse and parents) for at least 10 years, and noncitizens who are veterans or on active duty or their spouse or unmarried child.

To allow individuals time to adjust to the revised policy, otherwise restricted aliens who are receiving SSI, food stamps, cash welfare, Medicaid or Title XX benefits on the date of enactment would remain eligible for at most 1 year after enactment. However, if a review determines the noncitizen would be ineligible if enrolling under the revised standards for SSI, Medicaid, and food stamps (for example, because the noncitizen failed to qualify under the refugee or work exemptions) such benefits would cease immediately. States have the option of ending cash welfare and social services benefits for current recipients after January 1, 1997.

Senate amendment

Similar to House bill, except that Medicaid is included among the programs subject to State option rather than a blanket bar.

Conference agreement

The conference agreement follows the Senate amendment.

4. FIVE-YEAR LIMITED ELIGIBILITY OF QUALIFIED ALIENS FOR FEDERAL MEANS-TESTED PUBLIC BENEFIT

Present law

See above.

House bill

The proposal restricts most Federal means-tested benefits (including SSI, food stamps, cash welfare, Medicaid, and title XX social services benefits) for permanent resident aliens who arrive after the date of enactment for their first 5 years in the United States. Programs that are not restricted to legal noncitizens arriving in the future include emergency medical services, non-cash emergency disaster relief, school lunch and child nutrition benefits, immunizations and testing and treatment for symptoms of communicable diseases, foster care and adoption payments under parts B and E of Title IV of the Social Security Act, community programs for the protection of life or safety, certain elementary and secondary education programs, Head Start, the Job Training Partnership Act, and higher education grants and loans.

Exceptions are made for refugees, asylees, aliens whose deportation is being withheld, and noncitizens who are veterans, on active duty, or the spouse or unmarried child of such an individual.

Senate amendment

Excepted programs are similar to the House with the following differences:

(1) benefits under Head Start Act and the Job Training Partnership Act are not excepted;

(2) the exception for foster care and adoption assistance is limited to Part E of Title IV of the Social Security Act;

(3) the exception for testing and treatment of communicable diseases is more limited and must be triggered by a finding by HHS that detection and treatment of a particular disease is necessary to prevent its spread; and

(4) includes an exception for education assistance under titles III, VII, and VIII of the Public Health Service Act.

Excepted classes are similar to House bill.

Conference agreement

The conference agreement follows the House bill and Senate amendment as follows. (1) The definition of Federal Means Tested Public Benefit (defined as "a public benefit (including cash, medical, housing, and food assistance and social services) of the Federal Government in which the eligibility of an individual, household, or family eligibility unit for benefits, or the amount of such benefits, or both are determined on the basis of income, resources, or finan-

cial need of the individual, household, or unit") was deleted due to the Byrd rule. It is the intent of conferees that this definition be presumed to be in place for purposes of this title. (2) Regarding excepted programs, the conference agreement follows the House bill on testing and treatment of communicable diseases and by adding Head Start and the Job Training Partnership Act as excepted programs; the conference agreement adds refugee and entrant assistance as an excepted program; and the conference agreement follows the Senate amendment by adding education assistance under titles III, VII, and VIII of the Public Health Services Act as an excepted program.

5. NOTIFICATION AND INFORMATION REPORTING

Present law

Notification. Under regulation, individual advance written notice must be given of an intent to suspend, reduce, or terminate SSI benefits.

Information Reporting. AFDC and SSI restrict the use or disclosure of information concerning applicants and recipients to purposes connected to the administration of needs-based Federal programs.

House bill

Each Federal agency that administers an affected program shall post information and provide general notification to the public and to program recipients of changes regarding eligibility.

Agencies that administer SSI, housing assistance programs under the United States Housing Act of 1937, or block grants for temporary assistance for needy families (the successor program to AFDC) are required to furnish information about aliens they know to be unlawfully in the United States to the Immigration and Naturalization Service (INS) at least four times annually and upon INS request.

Senate amendment

Similar to House bill.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

Subtitle B—Eligibility for State and Local Public Benefits Programs

6. ALIENS WHO ARE NOT QUALIFIED ALIENS OR NONIMMIGRANTS INELIGIBLE FOR STATE AND LOCAL PUBLIC BENEFITS

Present law

Under *Plyler* vs. *Doe* (457 U.S. 202 (1982)), States may not deny illegal alien children access to a public elementary education without authorization from Congress. However, the narrow 5–4 Supreme Court decision may imply that illegal aliens may be denied at least some State benefits and that Congress may influence the eligibility of illegal aliens for State benefits. Many, but not all,

State general assistance laws currently deny illegal aliens means-tested general assistance.

House bill

Illegal aliens are ineligible for all State and local public benefits, with limited exceptions for emergency medical services, emergency disaster relief, immunizations and testing and treatment for symptoms of communicable diseases, and programs necessary for the protection of life or safety. States may, however, pass laws after the date of enactment that specify that illegal aliens may be eligible for certain State or local benefits that otherwise would be denied under this section.

Senate amendment

Similar to House bill, except that the exception for communicable diseases is more limited and must be triggered by a finding by HHS that testing and treatment of a particular disease is necessary to prevent its spread.

Conference agreement

The conference agreement follows the House bill.

No current State law, State constitutional provision, State executive order or decision of any State or Federal court shall provide a sufficient basis for a State to be relieved of the requirement to deny benefits to illegal aliens. Laws, ordinances, or executive orders passed by county, city or other local officials will not allow those entities to provide benefits to illegal aliens. Only the affirmative enactment of a law by a State legislature and signed by the Governor after the date of enactment of this Act, that references this provision, will meet the requirements of this section.

The phrase "affirmatively provides for such eligibility" means that the State law enacted must specify that illegal aliens are eligible for State or local benefits. Persons residing under color of law shall be considered to be aliens unlawfully present in the United States and are prohibited from receiving State or local benefits, as defined, regardless of the enactment of any State law.

The conference agreement provides that no State or local government entity shall prohibit, or in any way restrict, any entity or official from sending to or receiving from the INS information regarding the immigration status of an alien or the presence, whereabouts, or activities of illegal aliens. It does not require, in and of itself, any government agency or law enforcement official to communicate with the INS.

The conferees intend to give State and local officials the authority to communicate with the INS regarding the presence, whereabouts, or activities of illegal aliens. This provision is designed to prevent any State or local law, ordinance, executive order, policy, constitutional provision, or decision of any Federal or State court that prohibits or in any way restricts any communication between State and local officials and the INS. The conferees believe that immigration law enforcement is as high a priority as other aspects of Federal law enforcement, and that illegal aliens do not have the right to remain in the United States undetected and unapprehended.

7. STATE AUTHORITY TO LIMIT ELIGIBILITY OF QUALIFIED ALIENS FOR STATE PUBLIC BENEFITS

Present law

Under *Graham* v. *Richardson* (403 U.S. 365 (1971)), States may not deny legal permanent residents State-funded assistance that is provided to equally needy citizens without authorization from Congress.

Currently, there is no Federal law barring legal temporary residents (i.e., nonimmigrants) from State and local needs-based programs. In general, States are restricted in denying assistance to nonimmigrants where the denial is inconsistent with the terms under which the nonimmigrants were admitted. Where a denial of benefits is not inconsistent with Federal immigration law, however, States have broader authority to deny benefits and States often do deny certain benefits to nonimmigrants. Also, aliens in most nonimmigrant categories generally may have difficulty qualifying for many State and local benefits because of requirements that they be State "residents."

House bill

States are authorized to determine the eligibility of "qualified aliens," nonimmigrants, and aliens paroled into the United States for less than 1 year for any State or local means-tested public benefit program. Noncitizens receiving State and local benefits on the date of enactment would remain eligible for benefits until January 1, 1997.

Exceptions to State authority to deny benefits are made for refugees, asylees and aliens whose deportation has been withheld (for 5 years), permanent resident aliens who have worked in the United States (in combination with their spouse or parents) for at least 10 years, and noncitizens who are veterans or on active duty or their spouse or unmarried child.

Senate amendment

Similar to House bill, except that under Byrd rule the definition of "State public benefits" (sec. 2412(c)) is deleted.

Conference agreement

The conference agreement follows the House bill and the Senate amendment. The conference agreement does not include a definition of State public benefits in this section because the definition was dropped due to the Byrd rule. However, it is the intent of House and Senate conferees that the following definition be used by States in carrying out the authority granted by this section: "STATE PUBLIC BENEFITS DEFINED.—The term 'State public benefits' means any means-tested public benefits of a State or political subdivision of a State under which the State or political subdivision specifies the standards for eligibility, and does not include any Federal public benefit."

Subtitle C—Attribution of Income and Affidavits of Support

8. FEDERAL ATTRIBUTION OF SPONSOR'S INCOME AND RESOURCES TO ALIEN

Present law

Federal Benefits. In determining whether an alien meets the means test for AFDC, SSI (except in cases of blindness or disability occurring after entry), and food stamps, the resources and income of an individual who filed an affidavit of support ("sponsor") for the alien (and the income and resources of the individual's spouse) are taken into account during a designated period after entry. Sponsor-to-alien deeming provisions were added to these three programs in part because several courts have found that affidavits of support, under current practice, do not obligate sponsors to reimburse government agencies for benefits provided to sponsored aliens. See below.

Amounts of Income and Resources Deemed. While the offset formulas vary among the programs, the amount of income and resources deemed under AFDC, SSI, and Food Stamps is reduced by certain offsets to provide for some of the sponsor's own needs.

Length of Deeming Period. For AFDC and Food Stamps, sponsor-to-alien deeming applies to a sponsored alien seeking assistance within 3 years of entry. Through September 1996, sponsor-to-alien deeming applies to a sponsored alien seeking SSI within 5 years of entry, after which the deeming period reverts to 3 years.

Review Upon Reapplication. Regulations implementing the food stamp program expressly require providing information on a sponsor's resources as part of recertification.

Application. No provision.

House bill

Federal Benefits. During the applicable deeming period (see "Length of Deeming Period" below), the income and resources of a sponsor and the sponsor's spouse are to be taken into account under all Federally-funded means-tested programs (with the exception of the programs below) in determining the sponsored individual's neediness. Excepted programs are emergency medical services, emergency disaster relief, school lunch and child nutrition assistance, immunizations and testing and treatment for symptoms of communicable diseases, certain programs that protect life, safety, or public health, certain foster care and adoption assistance, Head Start, Job Training Partnership Act programs, certain elementary and secondary education programs, and higher education grants and loans.

Amounts of Income and Resources Deemed. The full income and resources of the sponsor and the sponsor's spouse are deemed to be that of the sponsored alien.

Length of Deeming Period. Deeming extends until citizenship, unless the noncitizen has worked for at least 10 years in the United States (either individually or in combination with the noncitizen's spouse and parents).

Review Upon Reapplication. Whenever a sponsored noncitizen is required to reapply for benefits under any Federal means-tested

public benefits program, the agency must review the income and resources deemed to the sponsored noncitizen.

Application. For programs that already deem income and resources on the date of enactment, the changes in this section apply immediately; other programs must implement changes required within 180 days after the date of enactment.

Senate amendment

Federal Benefits. Under the Byrd rule, the definition of "Federal means-tested program" (sec. 2403(c)(1)) is deleted.

Otherwise similar to House bill, with differences in exceptions to Federal means-tested programs noted above for the 5-year bar.

Amounts of Income and Resources Deemed. Similar to House bill.

Length of Deeming Period. Similar to House bill.

Review Upon Reapplication. Similar to House bill.

Application. Similar to House bill.

Conference agreement

The conference agreement follows the House bill and the Senate amendment, with the modification of certain additional excepted programs as noted in item 4 above.

The allowance for treatment of communicable diseases is very narrow. The conferees intend that it only apply where absolutely necessary to prevent the spread of such diseases. This is only a stop-gap measure until the deportation of a person or persons unlawfully here. It is not intended to provide authority for continued treatment of such diseases for a long term.

The allowance for emergency medical services under Medicaid is very narrow. The conferees intend that it only apply to medical care that is strictly of an emergency nature, such as medical treatment administered in an emergency room, critical care unit, or intensive care unit. The conferees do not intend that emergency medical services include pre-natal or delivery care assistance that is not strictly of an emergency nature as specified herein.

9. AUTHORITY FOR STATES TO PROVIDE FOR ATTRIBUTION OF SPONSOR'S INCOME AND RESOURCES TO THE ALIEN WITH RESPECT TO STATE PROGRAMS

Present law

The highest courts of at least two States have held that the Supreme Court decision barring State discrimination against legal aliens in providing State benefits without Federal authorization (*Graham* v. *Richardson,* 403 U.S. 365 (1971)) prohibits State sponsor-to-alien deeming requirements for State benefits.

House bill

State and local governments may, for the deeming period that applies to Federal benefits, deem a sponsor's income and resources (and those of the sponsor's spouse) to a sponsored individual in determining eligibility for and the amount of needs-based benefits. State and local governments may not require deeming for the following State public benefits: emergency medical services, emer-

gency disaster relief, school lunch and child nutrition assistance, immunizations and testing and treatment for symptoms of communicable diseases, foster care and adoption payments, and certain programs to protect life and safety.

Senate amendment

Similar to House bill, except that the exception for communicable diseases is limited to testing and treatment of the disease itself and must be triggered by a finding by the chief State health official that it is necessary to prevent spread of the disease.

Conference agreement

The conference agreement follows the House bill.

10. REQUIREMENTS FOR SPONSOR'S AFFIDAVIT OF SUPPORT

Present law

In General. Administrative authorities may request an affidavit of support on behalf of an alien seeking permanent residency pursuant to regulation. Requirements for affidavits of support are not specified by statute.

Under the Immigration and Nationality Act, an alien who is likely to become a public charge may be excluded from entry unless this restriction is waived, as is the case for refugees. By regulation and administrative practice, the State Department and the Immigration and Naturalization Service permit a prospective permanent resident alien (also immigrant or green card holder) who otherwise would be excluded as a public charge (i.e., because of insufficient means or prospective income) to overcome exclusion through an affidavit of support or similar document executed by an individual in the United States commonly called a "sponsor." It has been reported that roughly one-half of the aliens who obtain legal permanent resident status have had affidavits of support filed on their behalf.

Various State court decisions and decisions by immigration courts have held that the affidavits of support, as currently constituted, do not impose a binding obligation on the sponsor to reimburse State agencies providing aid to the sponsored alien.

Forms. No statutory provision. The Department of Justice issues a form (Form I–134) that complies with current sponsorship guidelines.

Notification of Change of Address. There is no express requirement under current administrative practice that sponsors inform welfare agencies of a change in address. However, a sponsored alien who applies for benefits for which deeming is required must provide various information regarding the alien's sponsor.

Reimbursement of Government Expenses. Various State court decisions and decisions by immigration courts have held that these affidavits, as currently constituted, do not impose a binding obligation on the sponsor to reimburse State agencies providing aid to the sponsored alien.

Definitions. There are no firm administrative restrictions on eligibility to execute an affidavit of support. There is no definition of "Means-tested Public Benefits Program".

Effective Date. No provision.

Benefits Not Subject to Reimbursement. No provision.

House bill

In General. The proposal provides that when affidavits of support are required, they must comply with the following:

Affidavits of support must be executed as contracts that are legally enforceable against sponsors by Federal, State, and local agencies with respect to any means-tested benefits (with exceptions noted below) paid to sponsored aliens before they become citizens.

Affidavits of support must be enforceable against the sponsor by the sponsored alien.

Reimbursement shall be requested for all Federal, State or local need-based programs with the exceptions noted below.

To qualify to execute an affidavit of support, an individual must meet the revised definition of sponsor below.

Governmental entities that provide benefits may seek reimbursement up to 10 years after a sponsored alien last receives benefits.

Sponsorship extends until the alien becomes a citizen.

Forms. The Attorney General, in consultation with the Secretary of State and the Secretary of HHS, shall formulate an affidavit of support within 90 days after enactment, consistent with this section.

Notification of Change of Address. Until they no longer are potentially liable for reimbursement of benefits paid to sponsored individuals, sponsors must notify the Attorney General and the State, district, territory or possession in which the sponsored individual resides of any change of their address within 30 days of moving. Failure to notify may result in a civil penalty of up to $2,000 or, if the failure occurs after knowledge that the sponsored individual has received a reimbursable benefit, of up to $5,000.

Reimbursement of Government Expenses. If a sponsored alien receives any benefit under any means-tested public assistance program, the appropriate Federal, State, or local official shall request reimbursement by the sponsor in the amount of such assistance. Thereafter the official may seek reimbursement in court if the sponsor fails to respond within 45 days of the request that the sponsor is willing to begin repayments. The official also may seek reimbursement through the courts within 60 days after a sponsor fails to comply with the terms of repayment. The Attorney General in consultation with the Secretary of HHS, shall prescribe regulations on requesting reimbursement. No action may be brought later than 10 years after the alien last received benefits.

Definitions. A "sponsor" is a citizen or an alien lawfully admitted to the United States for permanent residence who petitioned for immigration preference for the sponsored alien, is at least 18 years of age, and resides in any State.

A "Means-Tested Public Benefits Program" is a program of public benefits of the Federal, State or local government in which eligibility for or the amount of, benefits or both are determined on the basis of income, resources, or financial need.

Effective Date. The changes regarding affidavits of support shall apply to affidavits of support executed no earlier than 60 days

or later than 90 days after the Attorney General promulgates the form.

Benefits Not Subject to Reimbursement. Governmental entities cannot seek reimbursement with respect to:

emergency medical services;
emergency disaster relief;
school lunch and child nutrition assistance;
payments for foster care and adoption assistance;
immunizations and testing for and treatment of communicable diseases;
certain programs that protect life, safety, or public health;
postsecondary education benefits;
means-tested elementary and secondary education programs;
Head Start; and
Job Training Partnership Act programs.

Senate amendment

In General. Under the Byrd rule, the definition of "means-tested public benefits program" (sec. 2423(a)) is deleted. Otherwise similar to House bill.

Forms. Similar to House bill.

Notification of Change of Address. Similar to House bill.

Reimbursement of Government Expenses. Similar to House bill.

Definitions. Similar to House bill. Definition for "Means-tested public benefits program" deleted under the Byrd rule.

Effective Date. Similar to House bill.

Benefits Not Subject to Reimbursement. Similar to House bill except:

does not add Head Start and Job Training Partnership Act programs to the list of excepted programs;
the exception for foster care and adoption assistance is limited to part E of Title IV of the Social Security Act;
the exception for testing and treatment of a communicable disease is more limited and must be triggered by a finding by HHS that it is necessary to prevent the disease's spread; and
adds exception for education assistance under titles III, VII, and VIII of the Public Health Service Act.

Conference agreement

The conference agreement generally follows the House bill and Senate amendment. The definition of Means-Tested Public Benefits Program (defined as "a public benefit (including cash, medical, housing, and food assistance and social services) of the Federal Government or of a State or political subdivision of a State in which the eligibility of an individual, household, or family eligibility unit for benefits under the program, or the amount of such benefits, or both are determined on the basis of income, resources, or financial need of the individual, household, or unit") for purposes of this section was deleted due to the Byrd rule. It is the intent of conferees that this definition be presumed to be in place for purposes of this title. With regard to excepted programs, the conference agreement follows the House bill on testing and treatment

of communicable diseases and by adding Head Start and Job Training Partnership Act as excepted programs; the conference agreement follows the Senate amendment by adding education assistance under titles III, VII, and VIII of the Public Health Services Act as an excepted program.

11. DEFINITIONS

Present law

In General. Federal assistance programs that have alien eligibility restrictions generally reference specific classes defined in the Immigration and Nationality Act.

Qualified Alien. Some programs allow benefits for otherwise eligible aliens who are "permanently residing under color of law (PRUCOL)." This term is not defined under the Immigration and Nationality Act, and there has been some inconsistency in determining which classes of aliens fit within the PRUCOL standard.

House bill

In General. Unless otherwise provided, the terms used in this title have the same meaning as defined in Section 101(a) of the Immigration and Nationality Act.

Qualified Alien. An alien who is a lawful permanent resident, refugee, asylee, or an alien who has been paroled into the United States for at least 1 year.

In General. Similar to House bill.

Qualified Alien. Similar to House bill.

12. VERIFICATION OF ELIGIBILITY FOR FEDERAL PUBLIC BENEFITS

Present law

State agencies that administer most major Federal programs with alienage restrictions generally use the SAVE (Systematic Alien Verification for Entitlements) system to verify the immigration status of aliens applying for benefits.

House bill

The Attorney General must adopt regulations to verify the lawful presence of applicants for Federal benefits no later than 18 months after enactment. States must have a verification system that complies with these regulations within 24 months of their adoption, and must authorize necessary appropriations.

13. STATUTORY CONSTRUCTION

Present law

No provision.

House bill

This title addresses only program eligibility based on alienage and does not address whether any individual meets other eligibility criteria. This title does not address alien eligibility for basic education or for any program of foreign assistance.

14. COMMUNICATION BETWEEN STATE AND LOCAL GOVERNMENT AGENCIES AND THE IMMIGRATION AND NATURALIZATION SERVICE

Present law

The confidentiality provisions of various State statutes may prohibit disclosure of immigration status obtained under them. Some Federal laws, including the Family Education Rights and Protection Act, may deny funds to certain State and local agencies that disclose a protected individual's immigration status. Various localities have enacted laws preventing local officials from disclosing the immigration status of individuals to INS.

House bill

No State or local government entity may be prohibited, or in any way restricted, from sending to or receiving from the Immigration and Naturalization Service information regarding the immigration status, lawful or unlawful, of an alien in the United States.

15. QUALIFYING QUARTERS

Present law

No provision.

House bill

In determining whether an alien may qualify for benefits under the exception for individuals who have worked at least 40

quarters while in the United States (see sections 402 and 421 above), work performed by parents and spouses may be credited to aliens under certain circumstances. Each quarter of work performed by the parent while an alien was under the age of 18 is credited to the alien, provided the parent did not receive any Federal public benefits during the quarter. Similarly, each quarter of work performed by a spouse of an alien during their marriage is credited to the alien, if the spouse did not receive any Federal public benefits during the quarter.

Subtitle F—Earned Income Credit Denied to Unauthorized Employees

17. EARNED INCOME CREDIT DENIED TO INDIVIDUALS NOT AUTHORIZED TO BE EMPLOYED IN THE UNITED STATES

[NOTE.—For further description of this and additional earned income credit provisions, see Title IX: Miscellaneous below.]

Present law

Certain eligible low-income workers are entitled to claim a refundable credit of up to $3,556 in 1996 on their income tax return. The amount of the credit an eligible individual may claim depends upon whether the individual has one, more than one, or no qualifying children and is determined by multiplying the credit rate by the taxpayer's earned income up to an earned income amount. The maximum amount of the credit is the product of the credit rate and the earned income amount. For taxpayers with earned income (or adjusted gross income (AGI), if greater) in excess of the beginning of the phaseout range, the maximum credit amount is reduced by the phaseout rate multiplied by the amount of earned income (or

AGI, if greater) in excess of the beginning of the phaseout range. For taxpayers with earned income (or AGI, if greater) in excess of the end of the phaseout range, no credit is allowed.

In order to claim the credit, an individual must either have a qualifying child or meet other requirements. A qualifying child must meet a relationship test, an age test, an identification test, and a residence test. In order to claim the credit without a qualifying child, an individual must not be a dependent and must be over age 24 and under age 65.

To satisfy the identification test, individuals must include on their tax return the name and age of each qualifying child. For returns filed with respect to tax year 1996, individuals must provide a taxpayer identification number (TIN) for all qualifying children born on or before November 30, 1996. For returns filed with respect to tax year 1997 and all subsequent years, individuals must provide TINs for all qualifying children, regardless of their age. An individual's TIN is generally that individual's social security number.

The Internal Revenue Service may summarily assess additional tax due as a result of a mathematical or clerical error without sending the taxpayer a notice of deficiency and giving the taxpayer an opportunity to petition the Tax Court. Where the IRS uses the summary assessment procedure for mathematical or clerical errors, the taxpayer must be given an explanation of the asserted error and a period of 60 days to request that the IRS abate its assessment. The IRS may not proceed to collect the amount of the assessment until the taxpayer has agreed to it or has allowed the 60-day period for objecting to expire. If the taxpayer files a request for abatement of the assessment specified in the notice, the IRS must abate the assessment. Any reassessment of the abated amount is subject to the ordinary deficiency procedures. The request for abatement of the assessment is the only procedure a taxpayer may use prior to paying the assessed amount in order to contest an assessment arising out of a mathematical or clerical error. Once the assessment is satisfied, however, the taxpayer may file a claim for refund if he or she believes the assessment was made in error.

House bill

Individuals are not eligible for the credit if they do not include their taxpayer identification number (and, if married, their spouse's taxpayer identification number) on their tax return. Solely for these purposes and for purposes of the present-law identification test for a qualifying child, a taxpayer identification number is defined as a social security number issued to an individual by the Social Security Administration other than a number issued under section 205(c)(2)(B)(i)(II) (or that portion of sec. 205(c)(2)(B)(i)(III) relating to it) of the Social Security Act (regarding the issuance of a number to an individual applying for or receiving Federally funded benefits).

If an individual fails to provide a correct taxpayer identification number, such omission will be treated as a mathematical or clerical error. If an individual who claims the credit with respect to net earnings from self-employment fails to pay the proper amount of self-employment tax on such net earnings, the failure

will be treated as a mathematical or clerical error for purposes of the amount of credit allowed.

TITLE V: CHILD PROTECTION BLOCK GRANT PROGRAMS AND FOSTER CARE, ADOPTION ASSISTANCE, AND INDEPENDENT LIVING PROGRAMS

Subtitle A—Child Protection Block Grant Program and Foster Care, Adoption Assistance, and Independent Living Programs

Present law

Under current law, there are at least 36 programs designed to help children who are victims of abuse or neglect. These programs address the child protection issue by supporting abuse reporting and investigation; abuse prevention; child and family assessment, preservation, and support; foster care; adoption; and training of social workers, foster parents, judges, and others. These programs can be divided into two general categories. The first are entitlement programs under jurisdiction of the Committee on Ways and Means and the Finance Committee, nearly all of which provide unlimited funding for foster and adoption maintenance payments, administrative costs, and training. The two exceptions are the Family Preservation and Support Program which provides capped entitlement funds to help States provide services that keep families together and prevent abuse, and the Independent Living program which provides capped entitlement funds to help children in foster care make the transition to living on their own. The second group of programs are appropriated programs. These programs are smaller and, except the Child Welfare Services Program, are generally under the jurisdiction of the Economic and Educational Opportunities Committee and the Labor and Human Resources Committee.

House bill

The House provision retains all the open-ended entitlement programs to ensure that States have adequate resources to help abused children that must be removed from their homes. The provision also combines the two capped entitlement programs and many of the smaller programs into two block grants that will simplify administration, promote flexibility, and increase efficiency. Working in conjunction with the Committee on Economic and Educational Opportunity, the Ways and Means Committee has created a block grant that is identical to a block grant created by the Opportunities Committee. Across the two Committees, a total of 11 programs are combined into the new block grant structure. Programs under jurisdiction of the Opportunities Committee are mentioned briefly below to clarify the structure of the overall Federal program for helping abused children and their families.

Senate amendment

The Senate amendment does not include the block grant; the amendment makes no changes in current law.

Conference agreement

The conference agreement follows the Senate amendment.

Chapter 1—Block Grants to States for the Protection of Children

1. PURPOSE

Present law

Child Welfare Services, now provided for in Title IV–B of the Social Security Act, are designed to help States provide child welfare services, family preservation, and community-based family support services.

House bill

The proposed Child Protection Block Grant would replace current law under Title IV–B. The purpose of the Child Protection Block Grant is to:

(1) identify and assist families at risk of abusing or neglecting their children;

(2) operate a system for receiving reports of abuse or neglect of children;

(3) improve the intake, assessment, screening, and investigation of reports of abuse and neglect;

(4) enhance the general child protective system by improving risk and safety assessment tools and protocols;

(5) improve legal preparation and representation, including procedures for appealing and responding to appeals of substantiated reports of abuse and neglect;

(6) provide support, treatment, and family preservation services to families which are, or are at risk of, abusing or neglecting their children;

(7) support children who must be removed from or who cannot live with their families;

(8) make timely decisions about permanent living arrangements for children who must be removed from or who cannot live with their families;

(9) provide for continuing evaluation and improvement of child protection laws, regulations, and services;

(10) develop and facilitate training protocols for individuals mandated to report child abuse or neglect; and

(11) develop and enhance the capacity of community-based programs to integrate shared leadership strategies between parents and professionals to prevent and treat child abuse and neglect at the neighborhood level.

Senate amendment

The amendment does not change current law.

Conference agreement

The conference agreement follows the Senate amendment.

2. ELIGIBLE STATES

Present law

To be eligible for funding under Title IV–B and IV–E, States must have State plans, developed jointly with the Secretary under Title IV–B, and approved by the Secretary under Title IV–E. In addition, to receive funds under the Child Abuse Prevention and Treatment Act (CAPTA), States must comply with certain requirements including submission of a State plan.

States must have a child welfare services plan developed jointly by the Secretary and the relevant State agency which provides for single agency administration and which describes services to be provided and geographic areas where services will be available. The State plan also must meet many other requirements, such as setting forth a 5-year statement of goals for family preservation and family support and assuring the review of progress toward those goals. For foster care and adoption assistance, States must submit for approval a Title IV–E plan providing for a foster care and adoption assistance program and satisfying numerous requirements. The Child Abuse Prevention and Treatment Act (CAPTA) requires States to have in effect a law for reporting known and suspected child abuse and neglect as well as providing for prompt investigation of child abuse and neglect reports, among many other requirements.

To receive funding under Title IV–B and IV–E of the Social Security Act, States must comply with certain procedures for removal of children from their families when necessary, must develop case plans for each child that are reviewed at least every 6 months and contain specified information, and must establish specific goals for the maximum number of eligible children who will remain in foster care for more than 24 months.

Under Title IV–B, for fiscal years beginning on or after April 1, 1996, State plans must provide assurances that:

(1) the State has completed an inventory of all children who, before the inventory, had been in foster care under the responsibility of the State for six months or more, which determined: (i) the appropriateness of, and necessity for, the foster care placement; (ii) whether the child could or should be returned to the parents of the child or should be freed for adoption or other permanent placement; and (iii) the services necessary to facilitate the return of the child or the placement of the child for adoption or legal guardianship;

(2) the State is operating to the satisfaction of the Secretary: (i) a statewide information system on children who are or have been in foster care in the last year; (ii) a case review system for each child receiving foster care under the supervision of the State; (iii) a service program designed to help children return to families from which they have been removed; or be placed for adoption; (iv) a preplacement preventive service program designed to help children at risk remain with their families; and

(3) the State has reviewed State policies and procedures in effect for children abandoned at birth; and is implementing (or, will implement by October 31, 1996) such policies or proce-

dures to enable permanent decisions with respect to the placement of such children to be made expeditiously. (For fiscal years beginning before April 1, 1996, these standards were incentive funding requirements that States had to meet to receive their full Title IV–B allotment, and were known as section 427 protections.)

Title IV–E State plans must provide that reasonable efforts will be made prior to the placement of a child in foster care to prevent or eliminate the need for removal of the child from her home and to make it possible for the child to return to her home.

Title IV–E State plans must provide that, where appropriate, all steps will be taken, including cooperative efforts with State AFDC and child support enforcement agencies, to secure an assignment of any rights to support of a child receiving foster care maintenance payments under Title IV–E.

House bill

An "Eligible State" is one that has submitted to the Secretary, not later than October 1, 1996, and every 3 years thereafter, a plan which has been signed by the Chief Executive Officer of the State. The plan must outline the State's Child Protection Program and provide several certifications regarding the nature of its child protection program.

A State plan must thoroughly describe the State Child Protection Program by describing State activities and procedures to be used for:

(1) receiving and assessing reports of child abuse or neglect;

(2) investigating such reports;

(3) with respect to families in which abuse or neglect has been confirmed, providing services or referral for services for families and children where the State makes a determination that the child may safely remain with the family;

(4) protecting children by removing them from dangerous settings and ensuring their placement in a safe environment;

(5) providing training for individuals mandated to report suspected cases of child abuse or neglect;

(6) protecting children in foster care;

(7) promoting timely adoptions;

(8) protecting the rights of families, using adult relatives as the preferred placement for children separated from their parents if such relatives meet all relevant standards; and

(9) providing services aimed at preventing child abuse and neglect.

The State plan must also certify that the State:

(1) has in effect laws that require reporting of child abuse and neglect;

(2) has in effect procedures for the immediate screening, safety assessment, and prompt investigation of child abuse or neglect reports;

(3) has in effect procedures for the removal and placement of abused or neglected children;

(4) has in effect laws requiring immunity from prosecution under State and local laws for individuals making good faith reports of suspected or known cases of child abuse or neglect;

(5) has in effect no later than 2 years after enactment, laws and procedures affording individuals an opportunity to appeal an official finding of abuse or neglect;

(6) has in effect procedures for developing and reviewing written plans for the permanent placement of each child removed from the family that: specify the goal for achieving a permanent placement for the child in a timely fashion; ensure that the plan is reviewed every 6 months; and ensure that information about the child is gathered regularly and placed in the case record.

(7) has in effect a program to provide independent living services to 16–19 year old youths (and, at State option, youths up to age 22) who are in the foster care system but have no family to support them. (Under the proposal, States also will continue to receive capped entitlement grants for Independent Living services as under current law.)

(8) has in effect procedures or programs (or both) to respond to reports of medical neglect of disabled infants;

(9) has quantitative goals of the State child protection program;

(10) will comply with respect to fiscal years beginning on or after April 1, 1996, with the same child protection standards as under current law. Standards related to abandoned children must be met by October 1, 1997;

(11) will make reasonable efforts to prevent the placement of children in foster care and to make it possible for the child to return home. Each State must also certify that it provides services for children and families where maltreatment has been confirmed but the child remained with the family;

(12) will take all appropriate steps, including cooperative efforts, to secure an assignment to the State of any rights to support on behalf of each child receiving foster care maintenance payments; and

(13) has in effect requirements for disclosure of records only to specified individuals and entities, and provisions that allow for public disclosure of findings or information about cases of child abuse or neglect that have resulted in a child fatality or near fatality (except that such disclosure shall not include identifying information about the individual initiating a report of suspected child abuse or neglect).

The Secretary of HHS must determine whether the State plan includes the required materials and certifications (except material related to the certification of State procedures to respond to reporting of medical neglect of disabled infants). The Secretary cannot add new elements beyond those listed above.

Senate amendment

The amendment does not change current law, except to require that the State plan for foster care and adoption assistance provide for the protection of the rights of families, using adult relatives as the preferred placement for children separated from their parents

where such relatives meet the relevant State child protection standards (see item 8).

Conference agreement

The conference agreement follows the Senate amendment with a modification to delete the proposed amendment dealing with adult relative preferences.

3. GRANTS TO STATES FOR CHILD PROTECTION

Present law

Title IV–B of the Social Security Act contains both discretionary and capped entitlement funding for helping States provide assistance to troubled families and their children. Of capped entitlement funding for family preservation and support, 1 percent is reserved for Indians. For child welfare services under Title IV–B, $325 million is authorized annually. For family preservation and support services, $225 million is authorized in fiscal year 1996; $240 million in fiscal year 1997; and $255 million in fiscal year 1998. State allotments for child welfare services are based on the State's child population and per capita income. State allotments for family preservation and support are based on the number of children in the State receiving Food Stamps. Funds must be used for: "protecting and promoting the welfare of children * * * preventing unnecessary separation of children from their families * * * restoring children to their families if they have been removed * * * family preservation services * * * community-based family support services to promote the well-being of children and families and to increase parents' confidence and competence."

For-profit foster care providers are not eligible for Federal funding under Title IV–E.

Section 1123 of the Social Security Act requires the Secretary to establish by regulation a new Federal review system for child welfare which would allow penalties for misuse of funds. Regulations are expected to be published during the summer of 1996. (This provision would not be affected by the House proposal.)

House bill

The block grant contains both entitlement and appropriated funds. From the entitlement funds, each eligible State must receive from the Secretary an amount equal to the State share of the Child Protection Block Grant amount for the fiscal year (see below). A set-aside is provided for Indians equal to 1 percent of the entitlement money flowing into the block grant.

Each eligible State is also given funds equal to the State share of the authorization component of the block grant that is appropriated each year. Indians are given 0.36 percent of the appropriated money flowing into the block grant. Funds for the authorization component of the block grant under this section are not to exceed $325 million each year. No funds from the block grant can be used to pay for foster care or adoption maintenance payments.

The term "child protection amount" means: $240 million for fiscal year 1997; $255 million for fiscal year 1998; $262 million for fis-

cal year 1999; $270 million for fiscal year 2000; $278 million for fiscal year 2001; $286 million for fiscal year 2002.

The term "State share" means the qualified child protection expenses of a State divided by the sum of the qualified child protection expenses of all of the States. The term "qualified State expenditure" means Federal grants to the State under the Child Welfare Services Grant and the Family Preservation and Support Services Grant in fiscal year 1994 or the average of 1992–94, whichever is greater. In determining amounts for fiscal years 1992 through 1994, the Secretary shall use information listed as actual amounts in the Justification for Estimates for Appropriation Committees of the Administration for Children and Families for fiscal years 1994 through 1996.

A State to which funds are paid under this section may use the money in any manner the State deems appropriate to accomplish the purposes of this part, but the funds must be expended not later than the end of the immediately succeeding fiscal year.

For-profit, foster care facilities are eligible to receive funds from the block grant.

Under the terms and conditions of the block grant, States are subject to several penalties:

(1) For misuse of funds. If an audit determines that any amounts provided to a State have been spent in violation of this part, the Secretary must reduce the grant otherwise payable for the next fiscal year by the amount of the misspent funds, plus 5 percent of the grant;

(2) For failure to maintain effort. If States fail to maintain State spending equal to State expenditures under Part B of Title IV in fiscal year 1994, the Secretary must reduce the grant payable under this section by an amount equal to the previous year's shortfall in maintenance of effort. A penalty of 5 percent of the State grant must also be imposed. States must maintain 100 percent of prior effort in fiscal years 1997 and 1998; and 75 percent in fiscal years 1999 through 2002;

(3) For failure to submit report. If the Secretary determines that the State has not submitted mandatory adoption and foster care data reports within 6 months of the end of the fiscal year, the Secretary must reduce by 3 percent the amount of the State's block grant. If the report is submitted before the end of the immediately succeeding fiscal year, the Secretary shall rescind the penalty.

Except in the case of failure to maintain effort, the Secretary may not impose a penalty if the determination is made that the State has reasonable cause for failing to comply with the requirement. Further, a State must be informed before any penalty is imposed and be given an opportunity to enter into a corrective compliance plan. The provision includes a series of deadlines for submission of such corrective compliance plans and review by the Federal government. No quarterly payment can be reduced by more than 25 percent; penalty amounts above 25 percent must be carried forward to subsequent quarters.

Each territory is entitled to receive from the Secretary for any fiscal year an amount equal to the total obligations due to the territory under the Social Security Act for fiscal year 1995.

Except as expressly provided in this Act, the Secretary may not regulate the conduct of States under this part or enforce any provision of this Act.

Senate amendment

The amendment does not change current law, except that it would amend the definition of "child care institution" to include for-profit providers (see item 6).

Conference agreement

The conference agreement follows the Senate amendment.

4. DATA COLLECTION AND REPORTING

Present law

In 1986, Congress established the National Advisory Committee on Adoption and Foster Care Information to assist HHS in designing a new comprehensive nationwide data collection system with full system implementation expected to be completed by October 1991. However, final regulations were not issued until December 1993 with the first transmission of data due May 1995. All States are now participating in the Adoption and Foster Care Analysis and Reporting System (AFCARS). HHS is currently analyzing the first datasets transmitted from the States. The final rules require semi-annual reporting on all children in foster care. The data collection is child and case specific and is intended to yield a semi-annual snapshot of child welfare trends. It is also intended to yield information that will enable policymakers to "track" children in care and find out the reasons why children enter foster care, how long children stay in foster care, and what happens to children while in foster care as well as after they leave foster care.

In 1993, Congress authorized enhanced funding of 75 percent for both the AFCARS system and for several additional functions not originally envisioned as part of AFCARS capability. These new functions included electronic data exchange within the State, automated data collection on all children in foster care, collection and management of information necessary to facilitate delivery of child welfare services and to determine eligibility for such services, case management, case plan development and monitoring, and information security. Enhanced funding of 75 percent for this second data system, which HHS calls the Statewide Automated Child Welfare Information System (SACWIS), expires on October 1, 1996.

House bill

The House provision leaves unaltered the current State data reporting system on child protection. The enhanced funding rate of 75 percent for the Statewide Automated Child Welfare Information System (SACWIS) is extended for 1 additional year, through fiscal year 1997.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

5. FUNDING FOR STUDIES OF CHILD WELFARE

Present law

Sec. 426 authorizes discretionary funding for child welfare research and demonstration projects. No funds were appropriated in 1996.

House bill

The Secretary is entitled to receive, for each of fiscal years 1996 through 2002, $6 million to conduct a national study based on random samples of children who are at risk of child abuse or neglect, and $10 million for other research.

Senate amendment

The amendment does not change current law.

Conference agreement

The conference agreement follows the House bill. The conferees recommend that the Secretary, in conducting the random sample study, require that the study have a longitudinal component and yield data that is reliable at the State level for as many States as she determines is feasible. The conferees also recommend that the Secretary carefully consider selecting the sample from cases of confirmed abuse or neglect and follow each case for several years while obtaining information on, among other things, the type of abuse or neglect involved, the frequency of contact with State or local agencies, whether the child involved has been separated from the family, and, if so, under what circumstances, the number, type, and characteristics of out-of-home placements of the child, and the average duration of each placement.

6. DEFINITIONS

Present law

The term "child care institution" means a licensed nonprofit private or public facility which accommodates no more than 25 children. The term does not apply to detention facilities, forestry camps, training schools, or centers for delinquent children.

House bill

Same as present law, except the word "nonprofit" is deleted.

Senate amendment

The conference agreement follows the House bill and the Senate amendment.

7. CONFORMING AMENDMENTS

Present law

House bill

This section makes a series of technical and conforming amendments to the Social Security Act and the Omnibus Budget Reconciliation Act of 1986.

Senate amendment

The amendment redesignates section 1123 (42 U.S.C. 1320a–1a) the second place it appears as section 1123A.

Conference agreement

The conference agreement follows the Senate amendment.

Chapter 2—Foster Care, Adoption Assistance, and Independent Living Programs

8. CHANGES IN TITLE IV–E OF THE SOCIAL SECURITY ACT

Present law

Title IV–E Foster Care and Title IV–E Adoption Assistance are intended to help States finance foster care and adoption assistance maintenance payments, administration, child placement services, and training related to foster care and adoption assistance.

The purpose of the Title IV–E Independent Living Program is to help older foster children make the transition to independent living.

House bill

The most notable feature of House action on Title IV–E is that all the entitlement programs remain intact. In addition, the House retains the provision of current law that guarantees Medicaid coverage for children who receive maintenance payments from either the foster care or adoption programs. On the other hand, the House provision does change current law in three ways.

First, the current law guarantee of eligibility for foster care and adoption maintenance payments for children eligible for the Aid to Families with Dependent Children (AFDC) program was disrupted because the AFDC statute was completely rewritten to give States the authority to establish their own welfare programs. To ensure that the eligibility of poor children for maintenance payments continues, the House provision guarantees eligibility for all children from families that would have been eligible for the AFDC program as it existed in each State on the day before enactment of this legislation.

Second, the House provision allows States to use private for-profit foster care facilities. The House believes that States should be allowed to use private child care organizations because they are fully capable of providing quality services. States are responsible for ensuring that children are in safe and reliable care whether it is provided by public or private entities. The House can see no reason to automatically refuse participation by an entire sector of the child caring community.

Third, the House provided enhanced funding for the Statewide Automated Child Welfare Information System (SACWIS) because automation is a vital part of providing quality child protection services. The House has investigated progress by the States in creating SACWIS and has found that several States are now ready to begin actual implementation and that as many as half the States can be expected to have operational systems by next year if funding remains available. Thus, the House is extending the enhanced funding rate of 75 percent to encourage States to invest money in these important systems.

Senate amendment

The amendment amends Title IV–E to include for-profit providers in the definition of "child care institutions" (see item 6). The provision also amends Title IV–E to require that the State plan for foster care and adoption assistance provide for the protection of the rights of families, using adult relatives as the preferred placement for children separated from their parents where such relatives meet the relevant State child protection standards.

Conference agreement

The conference agreement follows the Senate amendment with a modification to delete the proposed amendment dealing with adult relative preference.

Chapter 3—Miscellaneous

9. SECRETARIAL SUBMISSION OF LEGISLATIVE PROPOSAL FOR TECHNICAL AND CONFORMING AMENDMENTS

10. SENSE OF THE CONGRESS REGARDING TIMELY ADOPTION OF CHILDREN

Present law

No provision.

House bill

This section expresses the sense of Congress that too many adoptable children are spending too much time in foster care, that

States must take steps to increase the number of children who are adopted in a timely manner, and that States could achieve savings if they offered incentives for the adoption of special needs children, among other provisions.

Subtitle B—Child and Family Services Block Grant

Present law

No provision.

House bill

The block grant and associated activities under Subtitle B are under the jurisdiction of the Economic and Educational Opportunities Committee in the House and the Labor and Human Resources Committee in the Senate. The Child and Family Services Block Grant created by Subtitle B consolidates the following programs into a single block grant: The Child Abuse Prevention and Treatment Act, the Abandoned Infants Assistance Act, adoption opportunities under the Child Abuse Prevention and Treatment and Adoption Reform Act, the family support centers under the McKinney Homeless Assistance Act, and the Temporary Child Care and Crisis Nurseries Act. The Child and Family Services Block Grant has the same State plan and certification requirements as the Child Protection Block Grant created by Subtitle A. The two Block Grants also have the same data collection and reporting requirements for child abuse incidence data and for the implementation of foster care and adoption tracking systems. The Child and Family Services Block Grant is authorized at $230 million for fiscal year 1996 and "such sums as may be necessary" are authorized for fiscal year 1997

through fiscal year 2002. Title II of the Child and Family Services Block Grant provides that funds be available for research, demonstrations, training and technical assistance to better protect children from maltreatment. Funds under this block grant also will establish a National Clearinghouse for Information Relating to Child Abuse, provide demonstration grants for the development of innovative programs, provide technical assistance to States to assist with child abuse investigation and the termination of parental rights proceedings, and provide training for professionals in related fields. For these Title II activities, 12 percent of the $230 million provided for this Block Grant is authorized of which 40 percent must be available for demonstration projects. The Missing Children's Assistance Act and the Victims of Child Abuse Act of 1990 are both reauthorized.

2. GOALS

Present law

No provision.

House bill

This section establishes the following goals for the Child Care and Development Block Grant:

(1) to allow each State maximum flexibility in developing child care programs and policies that best suit the needs of children and parents within the State;

(2) to promote parental choice in making decisions on the child care that best suits their family's needs;

(3) to encourage States to provide consumer information to help parents make informed child care choices;

(4) to assist States in providing child care to parents trying to become independent of public assistance; and

(5) to assist States in implementing the health, safety, licensing and registration standards established in State regulations.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

3. AUTHORIZATION OF APPROPRIATIONS AND ENTITLEMENT AUTHORITY

Present law

The authorization of appropriations for the Child Care and Development Block Grant expires at the end of fiscal year 1995. Appropriations in fiscal year 1996 are $935 million. (Sec. 658B of the CCDBG Act)

[Note.—In addition to appropriated funds, entitlement funds are available for the Child Care Block Grant under the AFDC Child Care, Transitional Child Care, and At-Risk Child Care programs authorized by Title IV–A of the Social Security Act.]

House bill

Authorization of Appropriations. There are authorized to be appropriated $1,000,000,000 for each of fiscal years 1996 through 2002. (Additional mandatory funding will be provided for child care under the Social Security Act so that a total of $22 billion will be provided for child care over the 7-year period fiscal years 1996–2002.)

Child Care Entitlement. The proposal establishes a single child care block grant and State administrative system by adding mandatory funds to the existing Child Care and Development Block Grant (CCDBG). Specifically, one discretionary and two mandatory streams of funding will be consolidated in a reconstituted CCDBG.

a. State General Entitlement. From the stream of entitlement funding, each State will receive the amount of funds it received for child care under all of the entitlement programs currently under Title IV–A of the Social Security Act (AFDC Child Care, Transitional Child Care, and At-Risk Child Care) in fiscal year 1994, in fiscal year 1995, or the average amount in fiscal years 1992 through 1994, whichever is greater. This source of funds will provide States with approximately $1.2 billion for child care each year between 1997 and 2002.

b. Remainder. The mandatory funds remaining after the allocation to Indians (see below) and the State General Entitlement (see above) will be distributed among the States based on the formula currently used in the Title IV-A At-Risk Child Care Grant. Specifically, funds will be distributed based on the proportion of the number of children under age 13 residing in the State to the num-

ber of all of the Nation's children under age 13. States must provide matching funds at the fiscal year 1995 State Medicaid rate to receive these funds and must maintain spending at their fiscal year 1994 or 1995 level, whichever is greater, under the Title IV–A child care programs. The money available to States through this source of funds for fiscal years 1997 through 2002, respectively, will be: $0.76 billion, $0.86 billion, $0.96 billion, $1.16 billion, $1.36 billion, and $1.51 billion.

If a State does not use its full portion of funds, the remaining portion will be redistributed to other States according to section 402(i) of the At-Risk Child Care Grant (as such section was in effect before October 1, 1995). Thus, each State applying for these remaining funds will receive the percentage of funds that equals the percentage of children under age 13 residing in that State of all children under age 13 residing in all the States that apply for funds. The Secretary must determine whether States will use their entire portion of funds no later than the end of the first quarter of the subsequent fiscal year.

c. Appropriation. Total child care funds under this proposal will equal $22 billion for child care over the 7-year period fiscal years 1996–2002, including both the $15 billion in mandatory funds discussed above and $7 billion in discretionary funds. Under current law for the three existing AFDC-related child care programs, $1.1 billion in mandatory funds will be spent in fiscal year 1996. In addition, a total of $13.85 billion in mandatory funds would be authorized for child care in fiscal years 1997–2002, starting at $2.0 billion in fiscal year 1997 and rising to $2.7 billion in fiscal year 2002. Finally, as stated earlier, $1 billion will be authorized annually in discretionary funds for the Child Care and Development Block Grant.

d. Indian Tribes. One percent of all funds under the section are provided to Indian tribes.

Use of Funds. Funds shall only be used to provide child care assistance. Amounts received by a State, based on the amounts received in previous years, shall be available for use by the State without fiscal year limitation. All funds from both mandatory and discretionary sources must be transferred to the lead agency under the Child Care and Development Block Grant and integrated into the State child care programs.

Not less than 70 percent of the total amount of mandatory funds received by the State in a fiscal year must be used to provide child care assistance to families that are receiving assistance under a State program, families that are attempting to transition off public assistance, and families at risk of becoming dependent on public assistance.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and Senate amendment, with a modification. The Secretary shall reserve not less than 1 percent and not more than 2 percent of the total

amount appropriated (both mandatory and discretionary) in each fiscal year for payments to Indian tribes and tribal organizations.

4. LEAD AGENCY

Present law

The Chief Executive Officer of a State is required to designate an appropriate State agency to act as the lead agency in administering financial assistance under the Act. (Sec. 658D of the CCDBG Act)

House bill

The proposal requires States to identify a lead agency to administer all the child care funds received under the Act, including funds received through other "governmental or nongovernmental" agencies (instead of other "State" agencies). States must ensure that "sufficient time and statewide distribution of the notice" be given of the public hearing on the development of the State plan. This section strikes language in current law specifying issues that may be considered during consultation with local governments on development of the State plan.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

5. APPLICATION AND PLAN

Present law

States are required to prepare and submit to the Secretary an application that includes a State plan. The initial plan must cover a 3-year period, and subsequent plans must cover 2-year periods. Required contents of the plan include designation of a lead agency; outline of policies and procedures regarding parental choice of providers, summary of policies that guarantee unlimited parental access, parental complaints, and consumer education; and overview of policies that ensure compliance with State and local regulatory requirements, establishment of and compliance with health and safety requirements, and review of State licensing and regulatory requirements.

In addition, the State plan must provide that all funds will be used for child care services, and that 25 percent of funds will be reserved for activities to improve the quality of child care and to increase the availability of early childhood development and before- and after-school child care. (Sec. 658E of the CCDBG Act)

State plans must also assure that payment rates will be adequate to provide eligible children with equal access to child care as compared with children whose families are not eligible for subsidies, and must assure that the State will establish and periodically revise a sliding fee scale that provides for cost sharing by families that receive child care subsidies.

House bill

The proposal requires the State plan to cover a 2-year period. States must provide a detailed description of procedures to be used to assure parental choice of providers. Instead of "providing assurances," States must "certify" that procedures are in effect within the State to ensure unlimited parental access to the families providing care to children and to ensure parental choice of child care provider; the proposal also requires that the State plan provide a detailed description of such procedures. Instead of "providing assurances," a State must "certify" that it maintains a record of parental complaints and requires the State to provide a detailed description of how such a record is maintained and made available. The proposal changes the consumer education part of the State plan to require assurances that the State will collect and disseminate consumer education information. States must certify that they have in effect child care licensing requirements and provide a detailed description of the requirements and how they are enforced. This provision does not require that licensing requirements be applied to specific types of child care providers.

States must "certify" that procedures are in effect to ensure that child care providers receiving funds under this Act comply with applicable State or local health and safety requirements. The Secretary is required to develop minimum standards for Indian tribes and tribal organizations receiving assistance.

The proposal eliminates review of State licensing and regulatory requirements, notification to the Department of Health and Human Services (HHS) when standards are reduced, and supplementation. The proposal also eliminates the requirement that unlicensed providers be registered. The House decided to retain a current law requirement that all States establish health and safety standards. The House provision does not specify the particular standards that must be established, but all States must have requirements on prevention and control of infectious diseases (including immunizations), building and physical premises safety, and minimum health and safety training.

A summary of the facts relied upon by the State to determine that payment rates are sufficient to ensure equal access to child care must be included in the State plan. Funds must be used for child care services, for activities to improve the quality and availability of such services, and for any other activity that the State deems appropriate to realize the goals specified above. The proposal deletes the current law requirement that States reserve 25 percent of funds for activities to improve the quality of child care and to increase availability of early childhood development and before- and after-school care. States may spend no more than 5 percent on administrative costs.

States must spend a substantial portion of the amounts available to provide child care to low-income working families who are not working their way off welfare or are at risk of becoming welfare dependent. However, States first must comply with requirement that at least 70 percent of mandatory funds must be used for welfare or at-risk families. States must demonstrate how they will meet the child care needs of welfare and at-risk families.

Senate amendment

Same, except the Senate maintains current law (which requires States to "provide assurances" that child care providers receiving funds under this Act comply with applicable State or local health and safety requirements).

Conference agreement

The conference agreement follows the House bill with a modification. The provision requires States to "certify" that health and safety requirements are in effect within a State applicable to child care providers.

Nothing in the legislation either prohibits or requires States to differentiate between federally subsidized child care and nonsubsidized child care regarding the application of specific standards and regulations. The cap of 5 percent on administrative costs is included in both the House and Senate passed bills. To help States implement this provision, the Department of Health and Human Services should issue regulations, in a timely manner and prior to the deadline for submission of State plans, that define and determine true administrative costs, as distinct from expenditures for services. Eligibility determination and redetermination, preparation and participation in judicial hearings, child care placement, the recruitment, licensing, inspection, reviews and supervision of child care placements, rate setting, resource and referral services, training, and the establishment and maintenance of computerized child care information are an integral part of service delivery and should not be considered administrative costs.

6. ACTIVITIES TO IMPROVE THE QUALITY OF CHILD CARE

Present law

As stated above, 25 percent of State allotments must be reserved for activities to improve child care quality and to increase the availability of early childhood development and before- and after-school child care. Section 658G specifies how these funds are to be used. Of reserved funds, States are required to use no less than 20 percent for improving the quality of care, including resource and referral programs, making grants or loans to assist providers in meeting State and local standards, monitoring of compliance with licensing and regulatory requirements, training of child care personnel, and improving compensation for child care personnel. (Sec. 658G of the CCDBG Act).

House bill

A State that receives child care funds must use at least 4 percent of all funds received (both mandatory and discretionary) for activities designed to provide comprehensive consumer education to parents and the public, for activities that increase parental choice, and for activities designed to improve the quality and availability of child care.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

7. REPEAL OF EARLY CHILDHOOD DEVELOPMENT AND BEFORE- AND AFTER-SCHOOL CARE REQUIREMENT

Present law

States are required to use no less than 75 percent of funds reserved for quality improvement for activities to expand and conduct early childhood development programs and before- and after-school child care. (Sec. 658H of the CCDBG Act)

House bill

The set-aside for early childhood development programs and before- and after-school care is repealed.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

8. ADMINISTRATION AND ENFORCEMENT

Present law

The Secretary of Health and Human Services (HHS) is required to coordinate HHS and other Federal child care agencies, to collect and publish a list of State child care standards every 3 years, and to provide technical assistance to States. The Secretary must also review, monitor, and enforce compliance with the Act and the State plan by withholding payments and imposing additional sanctions in certain cases. (Sec. 658I of the CCDBG Act)

House bill

This section strikes the current law requirement that the Secretary withhold further payments to a State in case of a finding of noncompliance until the noncompliance is corrected. Instead, the Secretary is authorized, in such cases, to require that the State reimburse the Secretary for any improperly spent funds, or the Secretary may deduct from the administrative portion of the State's subsequent allotment an amount equal to or less than the misspent funds, or a combination of such options.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

9. PAYMENTS

Present law

Payments received by a State for a fiscal year may be expended in that fiscal year or in the succeeding 3 fiscal years. (Sec. 658J of the CCDBG Act)

House bill

The bill replaces the word "expended" with "obligated". However, the bill contains a drafting error. A provision that would have struck "3 fiscal years" and inserted "fiscal year" was inadvertently dropped.

Senate amendment

The Senate amendment contains the same drafting error.

Conference agreement

The conference agreement corrects a previous drafting error by striking "3 fiscal years" and inserting "fiscal year".

10. ANNUAL REPORT AND AUDITS

Present law

States must prepare and submit to the Secretary every year a report specifying how funds are used; presenting data on the manner in which the child care needs of families in the State are being fulfilled, including information on the number of children served, child care programs in the State, compensation provided to child care staff, and activities to encourage public-private partnerships in child care; describing the extent to which affordability and availability of child care has increased; summarizing findings from a review of State licensing and regulatory requirements, if applicable; explaining any action taken by the State to reduce standards, if applicable; and describing standards and health and safety requirements applied to child care providers in the State, including a description of efforts to improve the quality of child care. (Sec. 658K of the CCDBG Act)

House bill

The title of the section is changed from "Annual Report and Audits" to "Reports and Audits." States must collect on a monthly basis, and report to HHS on a quarterly basis, the following information on each family receiving assistance:

(1) family income;
(2) county of residence;
(3) the gender, race, age of children receiving benefits;
(4) whether the family includes only one parent;
(5) the sources of family income, including:
    (a) the amount obtained from employment, including self-employment;
    (b) cash assistance or other assistance under Part A;
    (c) housing assistance;
    (d) food stamps; and
    (e) other public assistance;

(6) the number of months the family has received benefits;

(7) the type of care in which the child was enrolled (family day care, center, own home);

(8) whether the provider was a relative;

(9) the cost of care; and

(10) the average hours per week of care.

Twice each year, the State must submit the following aggregate data to HHS:

(1) the number of providers separately identified in accord with each type of provider that received funding under this subchapter;

(2) the monthly cost of child care services and the portion of such cost paid with assistance from this Act by type of care;

(3) the number of payments by the State in vouchers, contracts, cash, and disregards from public benefit programs by type of care;

(4) the manner in which consumer education information was provided and the number of parents who received it; and

(5) total number (unduplicated) of children and families served.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

11. REPORT BY THE SECRETARY

Present law

The Secretary is required to prepare and submit an annual report, summarizing and analyzing information provided by States, to the House Education and Labor Committee and the Senate Labor and Human Resources Committee. This report must contain an assessment and, where appropriate, recommendations to Congress regarding efforts that should be taken to improve access of the public to quality and affordable child care. (Sec. 658L of the CCDBG Act)

House bill

The Secretary must prepare and submit biennial reports, rather than annual reports, with the first report due no later than July 31, 1997; the reference to the House Education and Labor Committee is replaced with the House Economic and Educational Opportunities Committee.

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

12. ALLOTMENTS

Present law

The Secretary must reserve one-half of 1 percent of appropriations for payment to Guam, American Samoa, the Virgin Islands, the Northern Marianas, and the Trust Territory of the Pacific Islands. The Secretary also must reserve no more than 3 percent for payment to Indian tribes and tribal organizations with approved applications. Remaining funds are allocated to the States based on the States' proportion of children under age 5 and the number of children receiving free or reduced-price school lunches, as well as the States' per capita income. Any portion of a State's reallotment that the Secretary determines is not needed by the State to carry out its plan for the allotment period must be reallotted by the Secretary to the other States in the same proportion as the original allotments. (Sec. 658O of the CCDBG Act)

House bill

Set-asides for the Territories, Indian tribes, and tribal organizations are maintained, except that the Trust Territory of the Pacific Islands is deleted from the set-aside for Territories. Indian tribes are provided with a 1 percent set-aside of all funds, both entitlement and appropriated, authorized by this section each year. Under some circumstances, and with approval from the Secretary, Indian tribes are authorized to use a portion of their funds for renovation and construction of child care facilities. Within the overall block grant for social programs provided to the territories, each territory is authorized to spend whatever portion they choose of their capped amount on child care (for additional details see item 79 of Title I). Allotments to States were described in item 3 above.

Senate amendment

Same as the House bill except the Indian tribes are provided with a 3-percent set-aside for child care.

Conference agreement

The conference agreement follows the House bill with a modification. The Secretary shall reserve not less that 1 percent and not more than 2 percent of the total amount appropriated (both mandatory and discretionary) in each fiscal year for payments to Indian tribes and tribal organizations.

13. DEFINITIONS

Present law

The following terms are defined: caregiver, child care certificate, elementary school, eligible child, eligible child care provider, family child care provider, Indian tribe, lead agency, parent, secondary school, Secretary, sliding fee scale, State, and tribal organization. (Sec. 658P of the CCDBG Act)

House bill

Child care deposits are added as an allowable use of a child care certificate. The definition of "eligible child" is revised to one

whose family income does not exceed 85 percent of the State median, instead of 75 percent. The definition of "relative child care provider" is revised by adding great grandchild and sibling (if the provider lives in a separate residence) to the list of eligible relative providers and the requirement that relatives providing care be registered is struck. Relative providers are required to comply with any applicable requirements governing child care provided by a relative, rather than State requirements. The definition for elementary and secondary school is eliminated. The Trust Territory of the Pacific Islands is dropped from the definition of "State." Native Hawaiian Organization is added to the definition of "tribal organization."

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

14. REPEALS

Present law

No provision.

House bill

The proposal repeals the following programs: (1) Child Development Associate (CDA) Scholarship Assistance; (2) State Dependent Care Development Grants; (3) Programs of National Significance under Title X of the Elementary and Secondary Education Assistance Act of 1965 (child care related to Cultural Partnerships for At-Risk Children and Youth, and Urban and Rural Education Assistance); and (4) Native-Hawaiian Family-Based Education Centers.

[NOTE.—Title I of the proposal also repeals child care assistance provided under current law by Title IV–A of the Social Security Act. This assistance is provided under three programs known as AFDC Child Care, Transitional Child Care, and At-Risk Child Care. Thus, the total number of child care programs merged into the Child Care and Development Block Grant is seven.]

Senate amendment

The Senate amendment does not repeal the following programs: (1) Child Development Associate (CDA) Scholarship Assistance; (2) State Dependent Care Development Grants; (3) Programs of National Significance under Title X of the Elementary and Secondary Education Assistance Act of 1965; and (4) Native Hawaiian Family-Based Education Centers.

The conference agreement follows the Senate amendment.

15. EFFECTIVE DATE

Senate amendment

Same.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

TITLE VII: CHILD NUTRITION PROGRAMS

Subtitle A—National School Lunch Act

1. STATE DISBURSEMENT TO SCHOOLS

Present law

State Agency Authority. The provision of law requiring that agreements between State education agencies and schools be permanent may not be "construed" as limiting the ability of State agencies to suspend or terminate agreements in accordance with the Secretary's regulations. [Sec. 8 of the NSLA]

Technical Amendments. "Child" for purposes of the NSLA is defined to include individuals, regardless of age, who are (a) determined to have 1 or more disabilities and (b) attending an institution for the purpose of participating in a program for individuals with mental or physical disabilities. [Sec. 8 of the NSLA]

House bill

State Agency Authority. Clarifies State education agencies' authority to terminate or suspend agreements with schools participating in school meal programs. [Sec. 3401]

Technical Amendments. Makes a technical amendment placing this definition of child in the section of the NSLA containing other general definitions. [Sec. 3401]

[NOTE.—Sec. 3401 also makes conforming amendments to cross-references in sec. 8 of the NSLA.]

Senate amendment

State Agency Authority. Same provision. [Sec. 1201]

Technical Amendments. Same provision with technical differences. [Sec. 1201]

Present law

Lowfat Cheese Purchases. Each calendar year, the Secretary is required to purchase specific amounts of lowfat cheese on a bid basis. [Sec. 9(a)(2) of the NSLA]

Food Waste Procedures. The Secretary is required to establish administrative procedures designed to diminish food waste in schools. [Sec. 9(a)(3) of the NSLA]

Announcing Guidelines. Each school year, State education agencies and schools are required to announce income eligibility guidelines to be used for free and reduced price lunches. [Sec. 9(b)(2) of the NSLA]

Commodities. Schools in the school lunch program are required to use, as far as practicable, commodities designated by the Secretary as being in "abundance."

The Secretary is authorized to prescribe terms and conditions under which donated commodities will be used in schools and other participating institutions. [Sec. 9(c) of the NSLA]

Nutrition Information/Requirements. By the first day of the 1996–1997 school year, the Secretary, State education agencies, schools, and school food service authorities are required, to the maximum extent practicable, to inform students and parents of the nutrition content of school meals and their consistency with the most recent Dietary Guidelines for Americans. [Sec. 9(f)(1) of the NSLA]

Unless a waiver is granted by a State education agency, schools must serve meals that are consistent with the Dietary Guidelines for Americans (using the weekly average nutrient content of the meals) by the beginning of the 1996–1997 school year. [Sec. 9(f)(2) of the NSLA]

Use of Resources. State education agencies may use resources provided under the nutrition education and training program for training aimed at improving the quality and acceptance of school meals. [Sec. 9(h) of the NSLA]

House bill

Lowfat Cheese Purchases. Deletes the lowfat cheese purchase requirement. [Sec. 3402(a)]

Food Waste Procedures. Deletes the requirement for the Secretary to establish procedures to diminish food waste. [Sec. 3402(a)]

Announcing Guidelines. Deletes the requirements to annually announce income eligibility guidelines. [Sec. 3402(b)]

Makes a technical/conforming amendment to delete a provision dealing with discrimination against and identification of children receiving free or reduced price lunches found elsewhere in the law. [Sec. 3402(b) & (d)]

Nutrition Information/Requirements. Deletes the requirement to inform students and parents about the nutrition content of meals and their consistency with the Dietary Guidelines. [Sec. 3402(e)]

Replaces the existing requirement to serve meals consistent with the Dietary Guidelines. Unless a waiver is granted by a State education agency, schools must serve meals that are consistent with the Dietary Guidelines by the beginning of the 1996–1997 school year. The meals must provide, on average over each week, at least one-third of the National Academy of Sciences' daily recommended dietary allowances (in the case of lunches) or one-quarter of the allowances (in the case of breakfasts). [Sec. 3402(e)]

Use of Resources. Deletes the authority to use nutrition education and training funding for improving school meals (this authority is provided elsewhere in law). [Sec. 3402(f)]

3. FREE AND REDUCED PRICE POLICY STATEMENT

Present law

No provision.

House bill

Provides that schools may not be required to submit free and reduced price "policy statements" to State education agencies unless there is a substantive change in the free and reduced price policy of the school. Routine changes (e.g., adjusting income eligibility standards) are not sufficient cause for requiring a school to submit a policy statement. [Sec. 3403]

Senate amendment

Same provisions with a technical difference clarifying that school food authorities, rather than schools, are the entities that may not be required to submit a policy statement. [Sec. 1203]

Conference agreement

The conference agreement adopts the Senate provisions. [Sec.703]

4. SPECIAL ASSISTANCE

Present law

"Provision 2." Schools electing to serve all children free meals for 3 successive years may be paid special assistance payments for free and reduced price meals based on the number of meals served free or at a reduced price in the first year ("provision 2"). Schools electing this option as of November 1994 may receive a 2-year extension from the State if it determines that the income level of the school's population has remained stable. Schools receiving a 2-year extension may receive subsequent 5-year extensions (except that the Secretary may require that applications be taken at the beginning of any 5-year period). [Sec. 11(a)(1) of the NSLA]

Terms and Conditions. The terms and conditions governing the operation of the school lunch program (set forth in other sections of the NSLA, except for matching requirements) apply to special assistance under the school lunch program, to the extent they are not inconsistent with the express requirements of the section governing special assistance. [Sec. 11(d) of the NSLA]

Monthly Reports. State education agencies must report each month the average number of children receiving free and reduced price lunches during the immediately preceding month. [Sec. 11(e)(2) of the NSLA]

Terms and Conditions. Same provision. [Sec. 1204(b)]

Monthly Reports. Same provision. [Sec. 1204(b)]

Conference agreement

The conference agreement adopts the provisions that are common to both bills. [Sec.704]

5. MISCELLANEOUS PROVISIONS AND DEFINITIONS

Present law

Accounts and Records. States, State education agencies, and schools must make accounts and records available for inspection and audit by the Secretary "at all times." [Sec. 12(a) of the NSLA]

Restrictions on Requirements. Neither the Secretary nor States may impose any requirement with respect to teaching personnel, curriculum, and instruction in any school when carrying out the provisions of the NSLA. [Sec. 12(c) of the NSLA]

Definitions. "State" is defined to include the Trust Territory of the Pacific Islands. [Sec. 12(d)(1) of the NSLA]

"Participation rate" is defined as the number of lunches served in the second prior fiscal year. [Sec. 12(d)(3) of the NSLA]

"Assistance need rate" is defined as a rate relative to States' annual per capita income. [Sec. 12(d)(4) of the NSLA]

The Secretary is permitted to adjust reimbursement rates for Alaska, Hawaii, and outlying areas (including the Trust Territory of the Pacific Islands). [Sec. 12(f) of the NSLA]

Expedited Rulemaking. The Secretary is required to issue proposed regulations on food-based menu systems prior to the publication of final regulations for compliance with the Dietary Guidelines for Americans and must hold public meetings on the proposed regulations. Final regulations must reflect public comments. [Sec. 12(k) of the NSLA]

Waivers. The Secretary may waive any Federal requirements if the requesting State or service provider demonstrates, to the Secretary's satisfaction, that the waiver will not increase the overall Federal cost of the program and, if it does increase costs, they will be paid from non-Federal funds.

Waiver applications must describe "management goals" to be achieved, a timetable for implementation, and the process to be used for monitoring progress in implementing the waiver (including cost implications).

The Secretary must state in writing the expected outcome of any approved waivers.

The results of the Secretary's decision on any waiver must be disseminated through "normal means of communication."

Waivers may not exceed 3 years (unless extended by the Secretary).

Reimbursements for family or group day care homes are specific amounts set by law and indexed for inflation. All homes receive the same reimbursements, and reimbursements are not differentiated by family income of the child receiving a subsidized meal/supplement. For July 1996 through June 1997, these rates are: $1.575 for each lunch/supper, 86.25 cents for each breakfast, and 47 cents for each supplement.

Rates are adjusted each July to reflect changes in the food away from home component of the CPI–U for the most recent 12-month period for which data are available. Each adjustment is rounded to the nearest quarter cent. [Sec. 17(f)(3)(A) of the NSLA]

The Secretary must instruct States to provide information and training about child health and development through day care home sponsors. [Sec. 17(k) of the NSLA]

Reimbursement of Child Care Institutions. Removes authority for reimbursement for more than 2 meals and 1 supplement for children in care for 8 or more hours. [Sec. 3408(d)]

Improved Targeting of Day Care Home Reimbursements: Restructured Day Care Home Reimbursements. Establishes new reimbursement rates for day care homes as follows:

"Tier I" homes receive the meal/supplement rates in effect on July 1, 1996 (see present law), adjusted annually for inflation.

"Tier I" homes are (1) those located in areas, defined by the Secretary based on Census data, in which at least 50 percent of children are in households with income below 185 percent of the Federal poverty guidelines, (2) those located in an area served by a school enrolling elementary students in which at least 50 percent of the children are certified eligible to receive free or reduced price school meals, or (3) those operated by a provider whose household income is verified by a sponsor (under the Secretary's regulations) to be below 185 percent of the poverty guidelines.

"Tier II" homes are homes that do not meet tier I standards, but they may, at their option, receive the substantially higher tier I reimbursement rates under certain conditions (see below).

In general, tier II home rates are 90 cents for each lunch/supper, 25 cents for each breakfast, and 10 cents for each supplement, adjusted annually for inflation. Tier II homes can elect to receive higher tier I rates for meals/supplements served to children who are members of households with income below 185 percent of the

Federal poverty guidelines, if the sponsor collects the necessary income information and makes the appropriate eligibility determinations in accordance with the Secretary's rules. Tier II homes also can elect to receive tier I rates for meals/supplements served to children (or children whose parents are) participating in or subsidized under a federally or State-supported child care or other benefit program with an income eligibility limit that does not exceed 185 percent of the poverty guidelines, and may restrict their claim for tier I reimbursements to these children if they choose not to collect income statements from all parents/caretakers.

The Secretary is required to prescribe simplified meal counting and reporting procedures for use by tier II homes (and their sponsors) that elect to claim tier I reimbursements for children meeting the income or program participation requirements. These procedures can include (1) setting an annual percentage of meals/supplements to be reimbursed at tier I rates based on the family income of children enrolled in a specific month or other period, (2) placing a home in a reimbursement category based on the percentage of children with household income below 185 percent of the poverty guidelines, or (3) other procedures determined by the Secretary.

The Secretary is authorized to establish minimum requirements for verifying income and program participation for tier II homes electing to claim tier I reimbursement rates.

Inflation indexing of rates for day care homes also is revised. The rates set for tier I homes (see present law) and the new tier II rates are adjusted July 1, 1997, and each July thereafter, based on the unrounded rates for the previous 12-month period, then *rounded down* to nearest lower cent increment. Inflation adjustments are based on changes in the *food at home* component of the CPI–U for the most recent 12-month period for which data are available. [Sec. 3408(e)(1)]

Improved Targeting of Day Care Home Reimbursements: Grants to States. Provides grants to States to assist family or group day care homes and their sponsors in implementing the new reimbursement rate system. For fiscal year 1997, the Secretary is required to reserve for this purpose $5 million of the amounts made available for the child care food program and allocate it to States based on the number of homes participating in fiscal year 1995 (with a minimum of $30,000 for each State). [Sec. 3408(e)(2)]

Improved Targeting of Day Care Home Reimbursements: Provision of Data. Requires that the Secretary provide Census data necessary for determining homes' tier I/II status and that States provide school enrollment data necessary to determine tier I/II status. In determining homes' tier I/II status, the most current available data (Census, enrollment, income) must be used. In general, a determination that a home is located in a tier I area is effective for 3 years. [Sec. 3408(e)(3)]

Reimbursement. Deletes the out-of-date requirement to reduce administrative payments to sponsors.

Deletes the authority to use administrative expense funding for outreach and recruitment.

Makes the provision of advance payments a State option. [Sec. 3408(f)]

Nutritional Requirements. Deletes a redundant provision requiring that free meals be served to needy children (this requirement is found elsewhere in law).

Deletes the requirement to provide additional technical assistance. [Sec. 3408(g)]

Elimination of State Paperwork/Outreach Burden. Removes the noted requirements in present law and replaces them with a requirement that States provide sufficient training, technical assistance, and monitoring to facilitate effective operation of the child care food program. Requires the Secretary to assist States in developing plans to do so. [Sec. 3408(h)]

Records. Revises the requirement to make accounts and records available at all times to a requirement that they be available at "any reasonable time." [Sec. 3408(i)]

Modification of Adult Care Food Program. Deletes authority for reimbursements for meals to those in adult day care centers who are not chronically impaired disabled persons. Deletes authority for any reimbursements to adult day care centers that do not serve chronically impaired disabled persons. [Sec. 3408(j)]

[Note.—Section 3408(a) & (l) make conforming amendments.]

Unneeded Provision. Deletes requirements to provide WIC information through the child care food program. [Sec. 3408(k)]

Effective Date. Establishes effective dates for changes affecting the child care food program. In general, they are effective on enactment, but amendments restructuring day care home reimbursement rates are effective July 1, 1997.

Requires the Secretary to issue interim regulations related to restructuring day care home reimbursement rates, provision of data to implement the restructured rates, and changes to sponsors' use of administrative funds by January 1, 1997. Final regulations on these changes must be issued by July 1, 1997. [Sec. 3408(m)]

A demonstration project for grants to provide meals and supplements to adolescents in programs outside school hours is required; assistance is in accordance with that provided under the child and adult care food program. For each of fiscal years 1996 and 1997, the Secretary must expend $475,000 ($525,000 in 1998), unless there is an insufficient number of suitable applicants. [Sec. 18(e) of the NSLA]

The managers note that no provisions of the Child Nutrition Act prohibit States from using State administrative expense (SAE) funds to administer the Commodity Distribution Program, which is authorized through the National School Lunch Act, and stress that the repeal of Section 7(e) should not be construed as barring or discouraging States from using SAE funds for this purpose.

1. DEFINITION OF CERTIFICATION PERIOD

Present law

For households subject to periodic (monthly) reporting, eligibility certification periods must be 6–12 months, but the Secretary may waive this rule. For households receiving federally aided public assistance or general assistance, certification periods must coincide with the certification periods for the other public assistance programs. For other households, certification periods generally must not be less than 3 months—but they can be (1) up to 12 months for those consisting entirely of unemployable, elderly, or primarily self-employed persons or (2) as short as circumstances require for those with a substantial likelihood of frequent changes in income or other circumstances and for any household on initial determination. The Secretary may waive the maximum 12-month period to improve program administration. [Sec. 3(c)]

House bill

Replaces existing provisions as to certification periods with a requirement that certification periods not exceed 12 months—but can be up to 24 months if all adult household members are elderly or disabled. Present law

Parents and their children 21 years of age or younger who live together must apply for food stamps as a single household (thereby reducing aggregate household benefits)—except for children who are themselves parents living with their children and children who are married and living with their spouses. [Sec. 3(i)]

House bill

Removes the exception, from the requirement that related persons apply together as a single household, for children who are themselves parents living with their children and children who are married and living with their spouses. [Sec. 1013]

Senate amendment

Same provision. [Sec. 1113]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 803]

4. OPTIONAL ADDITIONAL CRITERIA FOR SEPARATE HOUSEHOLD DETERMINATIONS

Present law

Certain persons who live together may apply for food stamps as separate households (thereby increasing aggregate household benefits) if they purchase food and prepare meals separately and (1) are unrelated or (2) are related but are not spouses or children living with their parents [see item 3 for the proposed change in the household definition]. In addition, elderly persons who live with others and cannot purchase food and prepare meals separately because of a substantial disability may apply as separate "households" as long as their co-residents' income is below prescribed limits. [Sec. 3(i)]

House bill

Permits States to establish criteria that prescribe when persons who live together (and might otherwise be allowed to apply as separate households) must apply for food stamps as a single household—without regard to common purchase of food and preparation of meals. [Sec. 1014]

Senate amendment

No provision.

Conference agreement

The conference agreement adopts the Senate provision.

5. ADJUSTMENT OF THE THRIFTY FOOD PLAN

Present law

Maximum food stamp benefits are defined as 103 percent of the cost of the Agriculture Department's "Thrifty Food Plan," ad-

justed for food-price inflation each October to reflect the plan's cost in the immediately preceding June—and rounded down to the nearest dollar. [Sec. 3(o)]

House bill

Sets maximum monthly food stamp benefits at 100 percent of the cost of the Thrifty Food Plan, effective October 1, 1996, adjusted annually as under present law. Requires that the October 1996 adjustment not reduce maximum benefit levels. [Sec. 1015]

Senate amendment

Same provision. [Sec. 1114]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 804]

6. DEFINITION OF HOMELESS INDIVIDUAL

Present law

For food stamp eligibility and benefit determination purposes, a "homeless individual" is a person lacking a fixed/regular nighttime residence or one whose primary nighttime residence is a shelter, a residence intended for those to be institutionalized, a temporary accommodation in the residence of another, or a public or private place not designed to be a regular sleeping accommodation for humans. [Sec. 3(s)]

House bill

Provides that persons whose primary nighttime residence is a temporary accommodation in the home of another may only be considered homeless if the accommodation is for no more than 90 days. [Sec. 1016]

Senate amendment

Same provision. [Sec. 1115]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 805]

7. STATE OPTION FOR ELIGIBILITY STANDARDS

Present law

The Secretary is directed to establish uniform national standards of eligibility for food stamps, with certain variations allowed for Alaska, Hawaii, Guam, and the Virgin Islands, and in other cases (e.g., imposition of monthly reporting requirements). States may not impose any other standards of eligibility as a condition of participation in the program. [Sec. 5(b)]

House bill

Explicitly permits nonuniform standards of eligibility for food stamps. [Sec. 1017]

Senate amendment

Same provision. [Sec. 1116]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 806]

8. EARNINGS OF STUDENTS

Present law

The earnings of an elementary/secondary student are disregarded as income until the student's 22nd birthday. [Sec. 5(d)(7)]

House bill

Provides an earnings disregard for elementary/secondary students until the student's 20th birthday. [Sec. 1018]

Senate amendment

Same provision, except that during fiscal year 2002 earnings will be disregarded until the student's 18th birthday. [Sec. 1117]

Conference agreement

The conference agreement adopts the House provision with an amendment providing for the counting of earnings of elementary/secondary students once they reach age 18. [Sec. 807]

9. ENERGY ASSISTANCE

Present law

Payments or allowances for energy assistance provided by State or local law are, under rules set by the Secretary, disregarded as income. [Sec. 5(d)(11) and 5(k)]

Payments or allowances for weatherization assistance are disregarded as energy assistance (although weatherization payments could otherwise be disregarded as lump-sum payments, vendor payments, or reimbursements). [Sec. 5(d)(11) and 5(k)]

Federal Low-Income Home Energy Assistance Program (LIHEAP) benefits are disregarded as income. [Sec. 5(d)(11) and 5(k) of the Food Stamp Act and sec. 2605(f) of the Low-Income Home Energy Assistance Act]

Certain utility allowances/reimbursements under Department of Housing and Urban Development (HUD) programs are disregarded as income. [Sec. 5(d)(11) and 5(k)]

Shelter expense deductions may be claimed for utility costs covered by LIHEAP benefits, but not in the case of other disregarded energy assistance—unless the household has out-of-pocket expenses. [Sec. 5(e) of the Food Stamp Act and sec. 2605(f) of the Low-Income Home Energy Assistance Act]

House bill

Requires that State/local energy assistance be counted as income. [Sec. 1019]

Requires an income disregard for one-time payments/allowances under a Federal or State law for the costs of weatherization

or emergency repair/replacement of unsafe/inoperative furnaces or other heating/cooling devices. [Sec. 1019]

Requires that LIHEAP benefits be counted as income. [Sec. 1019]

Requires that HUD utility allowances/reimbursements be counted as income. [Sec. 1019]

Allows claiming shelter expense deductions for utility costs covered directly or indirectly by the LIHEAP or other counted energy assistance. [Sec. 1019]

[NOTE.—Sec. 2131 amends sec. 2605(f) of the Low-Income Home Energy Assistance Act to delete that Act's requirement that LIHEAP recipients must be allowed to claim the amount of their LIHEAP benefits as a shelter expense.]

Senate amendment

State/local assistance. Same provision (technical differences). [Sec. 1118]

Weatherization assistance. Same provision (technical differences). [Sec. 1118]

LIHEAP. Present law (technical differences). [Sec. 1118]

HUD assistance. Present law (technical differences). [Sec. 1118]

Shelter expense deductions. Present law (technical differences). [Sec. 1118]

Conference agreement

The conference agreement adopts the Senate provisions with a technical amendment. [Sec. 808]

10. DEDUCTIONS FROM INCOME

Present law

Standard Deductions. All households are allowed standard deductions from their otherwise countable income. Standard deductions are indexed annually (each October) for inflation based on the Consumer Price Index for urban wage earners (CPI–U) for items other than food and rounded down to the nearest dollar. For fiscal year 1995, standard deductions were: $134 a month for the 48 contiguous States and the District of Columbia, $229 for Alaska, $189 for Hawaii, $269 for Guam, and $118 for the Virgin Islands. For fiscal year 1996, they were "scheduled" to rise to: $138, $236, $195, $277, and $122, respectively. This was barred by the fiscal year 1996 appropriations measure, and fiscal year 1996 standard deduction levels are at the fiscal year 1995 amounts. [Sec. 5(e)]

Earned Income Deduction. Households may claim a deduction for 20 percent of any earnings. This deduction is not allowed with respect to any income that a household willfully or fraudulently fails to report in a timely manner, as proven in a fraud hearing proceeding (i.e., it is not allowed when determining the amount of a benefit overissuance). [Sec. 5(e)]

Homeless Shelter Allowance. For homeless households not receiving free shelter throughout the month, States may develop a homeless shelter expense estimate (a standard allowance) to be used in calculating an excess shelter expense deduction. States must use this amount unless the household verifies higher expenses. The Secretary may prohibit the use of the allowance for

households with extremely low shelter costs. The maximum allowance amount is inflation indexed annually and currently stands at $143 a month (fiscal year 1996). [Sec. 11(e)(3)]

Excess Shelter Expense Deduction. Households may claim excess shelter expense deductions from their otherwise countable income—in the amount of any shelter expenses (including utility costs) above 50 percent of their countable income after all other deductions have been applied. For households with elderly or disabled members, these deductions are unlimited. For other households, they are limited to: $247 a month in the 48 contiguous States and the District of Columbia, $429 in Alaska, $353 in Hawaii, $300 in Guam, and $182 in the Virgin Islands. Effective January 1, 1997, these limits on excess shelter expense deductions for households without elderly or disabled members are lifted. [Sec. 5(e)]

States may develop and use "standard utility allowances" (as approved by the Secretary) in calculating households' shelter expenses. However, households may (1) claim actual expenses instead of the allowance and (2) switch between an actual expense claim and the standard allowance at the end of any certification period and 1 additional time during any 12-month period. [Sec. 5(e)]

House bill

Standard Deductions. Indefinitely freezes standard deduction amounts at their present levels (e.g., $134 for the 48 contiguous States and the District of Columbia). [Sec. 1020]

Earned Income Deduction. Disallows an earned income deduction for any income not reported in a timely manner and for the public assistance portion of income earned under a work supplementation/support program. [Sec. 1020]

Homeless Shelter Allowance. Indefinitely freezes the maximum homeless shelter allowance at its present level ($143). States may use it in calculating an excess shelter expense deduction (without regard to actual costs) and may prohibit its use for households with extremely low shelter costs. [Sec. 1020]

Excess Shelter Expense Deduction. Indefinitely retains current limits on excess shelter expense deductions for households without elderly or disabled members (e.g., $247 for the 48 contiguous States and the District of Columbia). [Sec. 1020]

Permits States to make use of standard utility allowances mandatory for all households if (1) the State has developed separate standards that do and do not include the cost of heating and cooling and (2) the Secretary finds that the standards will not result in increased Federal costs. [Sec. 1020]

Senate amendment

Standard Deductions. Extends the present standard deduction levels (e.g., $134 for the 48 contiguous States) through November 1996. For December 1996 through September 2001, sets standard deduction at $120, $206, $170, $242, and $106. For October 2001 through August 2002, sets standard deductions at $113, $193, $159, $227, and $100. For September 2002, sets standard deductions at $120, $206, $170, $242, and $106. Beginning with fiscal year 2003, standard deductions are indexed for inflation as under present law. [Sec. 1119]

Earned Income Deduction. Same provision. [Sec. 1119]

Homeless Shelter Allowance. Same provision. [Sec. 1119]

Excess Shelter Expense Deduction. Effective January 1, 1997, increases the current limits on excess shelter expense deductions to $342 in the 48 contiguous States and the District of Columbia, $594 in Alaska, $489 in Hawaii, $415 in Guam, and $252 in the Virgin Islands. No further increases are provided. [Sec. 1119]

Includes the same provision as in the House bill in regard to mandatory standard utility allowances. [Sec. 1119]

Conference agreement

The conference agreement adopts the provisions that are common to both bills. With regard to the provisions in disagreement:

the conference agreement adopts the House provision as to standard deductions; and

the conference agreement adopts the Senate provision as to limits on the excess shelter expense deduction with an amendment (1) requiring that they continue at their present-law levels (e.g. $247 for the 48 contiguous States and the District of Columbia) through December 31, 1996, (2) for January 1, 1997, through fiscal year 1998, increasing the limits to $250 for the 48 States and the District of Columbia, $434 for Alaska, $357 for Hawaii, $304 for Guam, and $184 for the Virgin Islands, (3) for fiscal years 1999 and 2000, increasing the limits to $275, $478, $393, $334, and $203, and (4) for fiscal years 2001, 2002, and each subsequent fiscal year, increasing the limits to $300, $521, $429, $364, and $221.

[Sec. 809]

11. VEHICLE ALLOWANCE

Present law

In determining a household's liquid assets for food stamp eligibility purposes, a vehicle's fair market value in excess of $4,600 is counted. This threshold is scheduled to rise to an estimated $5,150 on October 1, 1996, and be adjusted each October thereafter to reflect changes in the new car component of the CPI-U for the 12-month period ending the immediately preceding June (rounded to the nearest $50). Excluded from this rule are vehicles used to produce income, necessary for transportation of a disabled household member, or depended on to carry fuel or water. [Sec. 5(g)]

House bill

Retains the threshold above which the fair market value of a vehicle is counted as a liquid asset at the current level—$4,600. [Sec. 1021]

Senate amendment

Effective October 1, 1996, sets the threshold above which the fair market value of a vehicle is counted as a liquid asset to $4,650. No further increases are provided. [Sec. 1120]

Conference agreement

The conference agreement adopts the Senate provision. [Sec. 810]

12. VENDOR PAYMENTS FOR TRANSITIONAL HOUSING COUNTED AS INCOME

Present law

AFDC, or general assistance housing aid, provided to a third party on behalf of a food stamp household is considered paid directly to the household (and thus counted as household income) unless, among other exceptions, it is housing assistance paid on behalf of households residing in "transitional housing for the homeless." [Sec. 5(k)]

House bill

Removes the exception for vendor payments for transitional housing for the homeless. [Sec. 1022]

Senate amendment

Same provision. [Sec. 1121]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 811]

13. SIMPLIFIED CALCULATION OF INCOME FOR THE SELF-EMPLOYED

Present law

The cost of producing self-employment income is disregarded (subtracted out) in calculating household income. [Sec. 5(d)]

House bill

No provision.

Senate amendment

Provides that the Secretary establish a procedure (designed not to increase Federal costs) by which States may use a reasonable estimate of the cost of producing self-employment income in lieu of calculating actual costs, not later than 1 year after enactment. The procedure must allow States to estimate costs for all types of self-employment income and may differ for different types of self-employment income. [Sec. 1122]

Conference agreement

The conference agreement adopts the Senate provision with an amendment providing that the Secretary establish a procedure by which States may submit a method for determining reasonable estimates of the cost of producing self-employment income designed not to increase Federal costs. [Sec. 812]

14. DOUBLED PENALTIES FOR VIOLATING FOOD STAMP PROGRAM REQUIREMENTS

Present law

The disqualification period for the first intentional violation of program requirements is 6 months. The penalty for a second intentional violation (and the first violation involving trading of a controlled substance) is 1 year. [Sec. 6(b)(1)]

House bill

Increases the disqualification penalty for a first intentional violation to 1 year. Increases the penalty for a second intentional violation (and the first involving a controlled substance) to 2 years. [Sec. 1023]

Senate amendment

Same provision. [Sec. 1123]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 813]

15. DISQUALIFICATION OF CONVICTED INDIVIDUALS

Present law

Permanent disqualification is required for the third intentional violation of program requirements, the second violation involving trading of a controlled substance, and the first violation involving trading of firearms, ammunition, or explosives. [Sec. 6(b)(1)]

House bill

Adds a requirement for permanent disqualification of persons convicted of trafficking in food stamp benefits where the benefits have a value of $500 or more. [Sec. 1024]

Senate amendment

Same provision. [Sec. 1124]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 814]

16. DISQUALIFICATION

Present law

Conditions of Participation. Non-exempt individuals between 16 and 60 are ineligible if they: (1) refuse to register for employment, (2) refuse without good cause (including lack of adequate child care) to participate in an employment or training program when required to do so by the State, or (3) refuse, without good cause, a job offer meeting minimum standards. In addition, if the individual is head of household and fails to comply with one of the above-noted conditions or voluntarily quits a job without good cause, the entire household is ineligible. [Sec. 6(d)(1)]

Duration of Ineligibility/Household Ineligibility. Disqualification periods for failure to meet work/training conditions of participation are (1) 2 months or until compliance (whichever is first) for most failures and (2) 90 days in the case of a voluntary quit. [Sec. 6(d)(1)]

House bill

Conditions of Participation. Adds conditions making individuals ineligible if they (1) refuse without good cause to provide sufficient information to allow the State agency to determine their employment status or job availability or (2) voluntarily and without good cause reduce work effort and (after the reduction) are working less than 30 hours a week. Makes ineligibility for failure to comply with workfare requirements explicit and covered by new (see below) duration of ineligibility rules. Adds a condition making all individuals (in addition to heads of household) ineligible if they voluntarily quit a job without good cause. Lack of adequate child care, as an explicit good cause exemption for refusal to participate in an employment or training program, is removed. [Sec. 1025]

Duration of Ineligibility/Household Ineligibility. Establishes new mandatory minimum disqualification periods for individuals failing to comply with any work/training condition of participation. For the first violation, individuals are ineligible until they fulfill work/training conditions, for 1 month, or for a period (determined by the State) not to exceed 3 months—whichever is later. For the second violation, individuals are ineligible until they fulfill work/training conditions, for 3 months, or for a period (determined by the State) not to exceed 6 months—whichever is later. For a third or subsequent violation, individuals are ineligible until they fulfill work/training conditions, for 6 months, until a date set by the State agency, or (at State option) permanently. [Sec. 1025]

Establishes a new household ineligibility rule: if any individual who is head of household is disqualified under a work/training condition of participation, the entire household is, at State option, ineligible for a period not to exceed the lesser of the duration of the individual's ineligibility or 180 days. [Sec. 1025]

Administration. In establishing cases of good cause, voluntary quit, and reduction of work effort, the Secretary determines the meaning of the terms. States determine the meaning of other terms related to work/training conditions of participation and the procedures for making compliance decisions, but cannot make determinations that are less restrictive than a comparable one under the State's family assistance block grant (TANF) program. [Sec. 1025]

Senate amendment

Conditions of Participation. Same provision. [Sec. 1125]

Duration of Ineligibility/Household Ineligibility. Same provision. [Sec. 1125]

Administration. Same provision. [Sec. 1125]

Conference agreement

The conference agreement adopts the provisions that are common to both bills. [Sec. 815]

17. CARETAKER EXEMPTION

Present law

Parents or other household members with responsibility for the care of a dependent child under age 6 are exempt from food stamp work/training conditions of participation. [Sec. 6(d)(2)]

House bill

Permits States to lower the age at which a child "exempts" a parent or caretaker from age 6 to not under the age of 1. [Sec. 1026]

Senate amendment

No provision.

Conference agreement

The conference agreement adopts the House provision with an amendment to permit a State to lower the age at which a child exempts a parent or caretaker from age 6 to not under age 1, if the State requested a waiver to lower the age of a dependent child that exempts the parent or caretaker and had the waiver denied by the Secretary as of August 1, 1996. The State may lower the age of the child for not more than 3 years. [Sec. 816]

18. EMPLOYMENT AND TRAINING

Present law

Programs. States must operate employment and training programs for nonexempt food stamp recipients and place a minimum proportion of those covered in a program component. Program components can range from job search or education activities to work experience/training and workfare assignments.

Work experience/training program components must limit assignments to projects serving a useful public purpose, use the prior training/experience of assignees, not provide work that has the effect of replacing others, and provide the same benefits and working conditions provided others.

States and political subdivisions also may operate workfare programs under which nonexempt recipients may be required to perform work in return for the minimum wage equivalent of their household's monthly food stamp allotment. Workfare assignments may not replace or prevent the employment of others and must provide the same benefits and working conditions provided others.

The total hours of work required of a household under an employment/training program (including workfare) cannot exceed the minimum wage equivalent of the household's monthly allotment. Monthly participation in an employment/training program required of any household member cannot exceed 120 hours (when added to other work). And workfare hours (when added to other work) cannot exceed 30 hours a week for a household member.

Under employment and training programs for food stamp recipients, States must provide or pay for transportation and other costs directly related to participation (up to $25 a month for each participant) and necessary dependent care expenses (in general, up

to local market rates). Under workfare program, States must reimburse participants for transportation and other costs directly related to participation (up to $25 a month for each participant). [Sec. 6(d)(4) and sec. 20]

Funding. To support employment and training programs for food stamp recipients, States receive a formula share of required spending of $75 million a year. Each State's share is based on its share of nonexempt recipients and its share of those placed in employment/training program components. [Sec. 16(h)]

In addition, States receive a 50 percent match for any additional administrative or participant support costs. [Sec. 16(h)]

House bill

Programs. Revises the existing requirements for State-operated employment and training programs for food stamp recipients:

makes clear that work experience is a purpose of employment and training programs;

requires that each component of an employment/training program be delivered through a "statewide workforce development system," unless the component is not available locally through the system;

expands the existing State option to apply work/training requirements to applicants to include all work/training requirements, not only job search;

removes specific Federal rules governing job search components (i.e., those tied to rules in the AFDC program);

removes provisions for employment/training components related to work experience requiring that they be in public service work and use recipients' prior training/experience;

removes specific Federal rules as to States' authority to exempt categories and individuals from employment/training requirements, giving States full latitude to determine exemptions;

removes a requirement to serve volunteers;

removes the requirement for "conciliation procedures" for resolving disputes involving participation in employment/training programs;

limits employment and training funding provided by the food stamp program for services to family assistance block grant (TANF) recipients to the amount used by the State for AFDC recipients in fiscal year 1995; and

removes provisions for Federal performance standards on States. [Sec. 1027]

Funding. Provides for required Federal spending of increasing amounts for employment and training programs: $79 million in fiscal year 1997, $81 million in 1998, $84 million in 1999, $86 million in 2000, $88 million in 2001, and $90 million in 2002. State allocations are based on a "reasonable formula" (determined by the Secretary) that gives consideration to each State's population of persons subject to the new work requirement (see item 25). [Sec. 1027]

Provides that the 50 percent match for additional administrative costs can include costs for case management/casework to facilitate the transition from economic dependency to self-sufficiency through work. [Sec. 1027]

Deletes a requirement for a report from the Secretary on modifying Federal employment and training program payments to States to reflect their effectiveness in carrying out employment and training programs. [Sec. 1027]

Senate amendment

Programs. Same provisions. [Sec. 1126]

Funding. Same provisions, except that required Federal spending is $85 million a year for fiscal years 1997–2002. [Sec. 1126]

Conference agreement

The conference agreement adopts the provisions that are common to both bills and adopts House provision with regard to Funding. [Sec. 817]

19. FOOD STAMP ELIGIBILITY

Present law

The income and resources of aliens ineligible under Food Stamp Act provisions are counted as available to the remainder of the household, less a pro rata share for the ineligible alien. [Sec. 6(f)]

House bill

Permits States the option to count all of the income and resources of an alien ineligible under Food Stamp Act provisions as available to the remainder of the household. [Sec. 1066]

Senate amendment

Same provision, with technical differences. [Sec. 1127]

Conference agreement

The conference agreement adopts the Senate provision. [Sec. 818]

20. COMPARABLE TREATMENT FOR DISQUALIFICATION

Present law

Households penalized for an intentional failure to comply with a Federal, State, or local welfare program may not, for the duration of the penalty, receive an increased food stamp allotment because the welfare payment has been reduced. [Sec. 8(d)]

Persons are exempt from food stamp work/training conditions of participation if they are currently subject to and complying with AFDC or unemployment insurance work registration requirements. Failure to comply with an AFDC/unemployment insurance work registration requirement that "is comparable to" a food stamp work requirement results in disqualification as if the food stamp requirement had been violated. [Sec. 6(d)(2)]

House bill

If an individual is disqualified for failure to perform an action required under a Federal, State, or local law relating to means-tested public assistance, the State agency is permitted to impose the same disqualification for food stamps.

If a disqualification is imposed under the family assistance block grant (TANF) rules, States are permitted to use the TANF rules and procedures to impose the same disqualification for food stamps.

Permits individuals disqualified from food stamps because of failure to perform a required action under another public assistance program to apply for food stamps as new applicants after the disqualification period has expired, except that a prior disqualification under food stamp program work/training rules must be considered in determining eligibility.

Requires States to include in their State plans the guidelines they use in carrying out food stamp disqualification for failure to perform another program's required action(s). [Sec. 1028]

Removes the requirement that an AFDC/unemployment insurance work requirement be "comparable" to a food stamp requirement to bring on disqualification from food stamps. [Sec. 1028]

Senate amendment

Same provisions. [Sec. 1128]

Conference agreement

The conference agreement adopts the provisions that are common to both bills. [Sec. 819]

21. DISQUALIFICATION FOR RECEIPT OF MULTIPLE FOOD STAMP BENEFITS

Present law

No comparable provision.

House bill

Adds a provision making individuals ineligible for 10 years if they are found by a State agency (or Federal or State court) to have made a fraudulent statement with respect to identity or residence in order to receive multiple food stamp benefits simultaneously. [Sec. 1029]

Senate amendment

Same provision. [Sec. 1129]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 820]

The conferees note that State agency hearing processes have sufficient recipient protections to warrant a decision to impose a 10-year disqualification in these cases.

22. DISQUALIFICATION OF FLEEING FELONS

Present law

No provision.

House bill

Adds a provision making individuals ineligible while they are fleeing to avoid prosecution, custody, or confinement for a felony or

attempted felony or violating a condition of probation or parole. [Sec. 1030]

Senate amendment

Same provision. [Sec. 1130]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 821]

23. COOPERATION WITH CHILD SUPPORT AGENCIES

Present law

Custodial Parents. No provisions.
Noncustodial Parents. No provisions.

House bill

Custodial Parents. Permits States to disqualify custodial parents of children under the age of 18 who have an absent parent, unless the parent cooperates with the State child support agency in establishing the child's paternity and obtaining support for the child and the parent. Cooperation is not required if the State finds there is good cause (in accordance with Federal standards taking into account the child's best interest). Fees or other costs for services may not be charged. [Sec. 1031]

Noncustodial Parents. Permits States to disqualify putative or identified noncustodial parents of children under 18 if they refuse to cooperate with the State child support agency in establishing the child's paternity and providing support for the child. The Secretary and the Secretary of Health and Human Services must develop guidelines as to what constitutes a refusal to cooperate, and States must develop procedures (using these guidelines) for determining whether there has been a refusal to cooperate. Fees or other costs for services may not be charged. States must provide privacy safeguards. [Sec. 1031]

Senate amendment

Custodial Parents. Same provisions. [Sec. 1131]
Noncustodial Parents. Same provisions. [Sec. 1131]

Conference agreement

The conference agreement adopts the provisions that are common to both bills. [Sec. 822]

24. DISQUALIFICATION RELATING TO CHILD SUPPORT ARREARS

Present law

No provisions.

House bill

Allows States to disqualify individuals during any period in which the individual is delinquent in any court-ordered child support payment, unless the court is allowing a delay or the individual is complying with a payment plan approved by the court or a State child support agency. [Sec. 1032]

Senate amendment

Same provision. [Sec. 1132]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 823]

25. WORK REQUIREMENT

Present law

No comparable provisions.

House bill

Requirement. After the date of enactment, no nonexempt individual may be eligible for food stamps for more than 3 months during which the individual does not (1) work at least 20 hours a week (averaged monthly), (2) participate in and comply with a "work program" for at least 20 hours a week (as determined by the State agency), or (3) participate in a workfare program. A work program is defined as a program under the Job Training Partnership Act, a Trade Adjustment Assistance Act program, or a program of employment and training operated or supervised by a State or political subdivision that meets standards approved by the Governor (including a Food Stamp Act employment and training program), other than job search or job search training. [Sec. 1033]

General Exemptions. The new work requirement does not apply to (1) those under 18 or over 50, (2) those who are medically certified as physically or mentally unfit for employment, (3) parents or other household members with the responsibility for a dependent child, (3) those otherwise exempt from work registration requirements (e.g., those caring for incapacitated persons), and (4) pregnant women. [Sec. 1033]

Other Provisions. On a State agency's request, the Secretary may waive application of the new work requirement to any group of individuals if the Secretary determines that the area where they reside (1) has an unemployment rate over 10 percent or (2) does not have a sufficient number of jobs to provide them employment. The Secretary must report the basis for any waiver to Congress. [Sec. 1033]

Senate amendment

Requirement. No nonexempt individual may be eligible for food stamps if, during the preceding 12-month period, the individual received food stamp benefits for 4 months or more while not (1) working at least 20 hours a week (averaged monthly), (2) participating in and complying with a "work program" for at least 20 hours a week (as determined by the State agency), or (3) participating in and complying with a workfare program. A work program is defined as in the House bill, with a technical difference. [Sec. 1133]

General Exemptions. Same provisions. [Sec. 1133]

Other Provisions. Provisions for unemployment-rate and job-availability waivers are the same as in the House bill, except that the Secretary must respond to a State agency request within 15 days. [Sec. 1133]

The disqualification imposed under the new work requirement ceases to apply if, during a 30-day period, an individual works 80 hours or more, participates in and complies with a work program (defined above) for at least 80 hours, or participates in and complies with a workfare program. After regaining eligibility, the individual again is subject to the new work requirement, except that a new 12-month period begins. [Sec. 1133]

State agencies may exempt an individual from the new work requirement: (1) by reason of "hardship" or (2) for up to 2 months (in any 12-month period), if the individual participates in and complies with a job search or job search training program under the Food Stamp Act's employment and training program provisions that requires an average of at least 20 hours a week of participation. The fiscal year average monthly number of individuals participating because of a hardship exemption may not exceed 20 percent of the fiscal year average number of individuals receiving food stamps who are not exempt from the new work requirement because of the general exemptions or waivers (noted above). [Sec. 1133]

Provides for a transition to the new work requirement. Prior to 1 year after enactment, administrators would not "look back" a full 12 months; they would look back only to the date of enactment. [Sec. 1133]

Conference agreement

The conference agreement adopts the provisions that are common to both bills: General Exemptions and provisions for waivers in cases of high unemployment and lack of sufficient jobs. With respect to the provisions in disagreement, the conference agreement adopts the Senate provisions with an amendment:

No nonexempt individual may be eligible for food stamps if, during the preceding 36-month period, the individual received food stamp benefits for 3 months or more while not (1) working at least 20 hours a week (averaged monthly), (2) participating in and complying with a work program for at least 20 hours a week (as determined by the State agency), or (3) participating in and complying with a workfare program. A work program is defined as in the House bill. Receipt of benefits while exempt (including participation under the additional 3-month eligibility provision described below) or covered by a waiver would not count toward an individual's basic 3-month eligibility period.

Individuals denied eligibility under the new work rule would regain eligibility if, during a 30-day period, the individual (1) works 80 or more hours, (2) participates in and complies with the requirements of a work program for 80 or more hours (as determined by the State agency), or (3) participates in and complies with the requirements of a workfare program. After having met this 30-day work/training requirement, the individual could remain eligible for a consecutive period of 3 months without working at least 20 hours a week or participating in an employment/training or workfare program. For example, if an individual works 20 hours a week for at least 30 days and then loses a job, the individual could retain food stamp eligibility for 3 consecutive months without working or being in a training/workfare program.

But individuals could not take advantage of this provision for an additional 3 months of eligibility, while not working or in an employment/training or workfare program, for more than a single 3-month period in a 36-month period. Individuals regaining eligibility also would remain eligible as long as they continued to meet requirements to work at least 20 hours a week or participate in a training/workfare program.

Transition provisions are included that provide that the 36-month period established by the new work requirement will not include any period before the earlier of the date the State notifies recipients (through means such as individual notices at certification, recertification, otherwise, mass mailings, media announcements, or otherwise) about the new work requirement or 3 months after enactment.

[Sec. 824]

26. ENCOURAGEMENT OF ELECTRONIC BENEFIT TRANSFER SYSTEMS

Present law

Rules for EBT Systems. State agencies, with the Secretary's approval, may implement on-line electronic benefit transfer (EBT) systems for delivering food stamp benefits. No State may implement or expand an EBT system without prior approval from the Secretary. States are responsible for 50 percent of EBT system costs. The Secretary's regulations for approval must include (1) standards that require that, in any 1 year, the operational cost of an EBT system does not exceed costs of prior issuance systems and (2) system security standards. [Sec. 7(i)]

Regulation E. The Federal Reserve Board has ruled that, as of March 1997 (and with some minor modifications), its "Regulation E" will apply to EBT systems. Regulation E provides certain protections for consumers using cards to access their accounts. It limits the liability of cardholders for unauthorized withdrawals (to $50 if timely notification is made) and requires periodic account statements and certain error resolution procedures. [Federal Register of March 7, 1994]

Anti-tying Restrictions. No provision.

House bill

Rules for EBT Systems. Provides that States must implement EBT systems (on-line or off-line) before October 1, 2002, unless the Secretary waives the requirement because a State agency faces unusual barriers to implementation. States are encouraged to implement an EBT system as soon as practicable. [Sec. 1034]

Subject to Federal standards, permits State agencies to procure and implement an EBT system under the terms, conditions, and design the agency considers appropriate. Adds a new requirement for Federal procurement standards and deletes the requirement for the Secretary's prior approval. [Sec. 1034]

Adds a requirement for EBT standards following generally accepted operating rules based on commercial technology, the need to permit interstate operation and law enforcement, and the need to permit monitoring and investigations by law enforcement officials. [Sec. 1034]

Adds requirements that the Secretary's standards include (1) measures to maximize security and (2) effective not later than 2 years after enactment, measures to permit EBT systems to differentiate among food items. [Sec. 1034]

Deletes the requirement that EBT systems be cost neutral in any one year. [Sec. 1034]

Adds a requirement that regulations regarding the replacement of benefits and liability for replacement under an EBT system be similar to those in effect for a paper food stamp issuance system. [Sec. 1034]

Permits State agencies to collect a charge for replacing EBT cards by reducing allotments. [Sec. 1034]

Permits State agencies to require that EBT cards contain a photograph of one or more household members and requires that, if a State requires a photograph, it must establish procedures to ensure that other appropriate members of the household and authorized representatives may use the card. [Sec. 1034]

Declares it the sense of Congress that States operate EBT systems that are compatible with other States' systems. [Sec. 1034]

Regulation E. Provides that Regulation E will not apply to any EBT system, established under, or administered by, State or local governments, distributing needs-tested benefits. [Sec. 1091]

Anti-tying Restrictions. Provides that a company may not sell or provide EBT services, or fix or vary the consideration for such services, on the condition or requirement that the customer obtain, or not obtain, some additional point-of-sale service from the company or any affiliate. Requires the Secretary to consult with the Governors of the Federal Reserve before issuing regulations to carry out this provision. [Sec. 1034]

Senate amendment

Rules for EBT Systems. Same provisions. [Sec. 1134]

Regulation E. Same provision. [Sec. 2809]

Also provides that Regulation E will not apply to food stamp benefits delivered through an EBT system. [Sec. 1134]

Anti-tying Restrictions. No provision.

Conference agreement

The conference agreement adopts the provisions that are common to both bills, with a technical amendment, and adopts the Senate provision providing that Regulation E will not apply to food stamp benefits. The conferees intend that regulations issued by the Secretary regarding the replacement of benefits and liability for replacement of benefits under an EBT system will not require greater replacement of benefits or impose greater liability than those regulations in effect for a paper-based food stamp issuance system. [Sec. 825 and sec. 891]

The conference agreement also adopts the House provision applying anti-tying restrictions of the Bank Holding Company Act Amendments of 1970 to EBT services offered by nonbanks. The conferees intend that, in applying the anti-tying restrictions to nonbanks, the Secretary implement the anti-tying provision consistent with the anti-tying restrictions that apply to banks. [Sec. 825]

27. VALUE OF MINIMUM ALLOTMENT

Present law

The minimum monthly allotment for 1- and 2-person households is set at $10. It is indexed for inflation and rounded to the nearest $5. [Sec. 8(a)]

House bill

Deletes the requirement for inflation indexing of the minimum allotment. [Sec. 1035]

Senate amendment

Same provision. [Sec. 1135]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 826]

28. BENEFITS ON RECERTIFICATION

Present law

Recipient households not fulfilling eligibility recertification requirements in the last month of their certification period are allowed a 1-month "grace period" in which to fulfill the requirements before their benefits are pro-rated (reduced) to reflect the delay. [Sec. 8(c)]

House bill

For those who do not complete all eligibility recertification requirements in the last month of their certification period, but are then determined to be eligible after their certification period has expired, requires that they receive reduced benefits in the first month of their new certification period (i.e., their benefits would be pro-rated to the date they met the requirements and were judged eligible). [Sec. 1036]

Senate amendment

Same provision. [Sec. 1136]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 827]

29. OPTIONAL COMBINED ALLOTMENT FOR EXPEDITED HOUSEHOLDS

Present law

For households applying after the 15th of the month, States may provide an allotment that is the aggregate of the initial (prorated) allotment and the first regular allotment. However, combined allotments must be provided to households applying after the 15th who are entitled to expedited service. [Sec. 8(c)]

House bill

Makes provision of combined allotments a State option both for regular and expedited service applicants. [Sec. 1037]

Senate amendment

Same provision. [Sec. 1137]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 828]

30. FAILURE TO COMPLY WITH OTHER MEANS-TESTED PUBLIC ASSISTANCE PROGRAMS

Present law

Households penalized for intentional failure to comply with a Federal, State, or local welfare program may not, for the duration of the penalty, receive an increased food stamp allotment because their welfare income has been reduced. [Sec. 8(d)]

House bill

Bars increased food stamp allotments when the benefits of a household are reduced under a Federal, State, or local means-tested public assistance program for failure to perform a required action. Permits States also to reduce a household's food stamp allotment by up to 25 percent. If the allotment is reduced for failure to perform an action under a family assistance block grant (TANF) program, the State may use the rules and procedures of that program to reduce the food stamp allotment. [Sec. 1038]

Senate amendment

Same provision. [Sec. 1138]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 829]

31. ALLOTMENTS FOR HOUSEHOLDS RESIDING IN CENTERS

Present law

Residential substance abuse centers may be designated as recipients' authorized representatives, and benefits generally are provided to the center.

House bill

Permits State agencies to divide a month's food stamp benefits between the center and an individual who leaves the center and permits States to require center residents to designate centers as authorized representatives. [Sec. 1039]

Senate amendment

Same provisions. [Sec. 1139]

[Sec. 1040]

The conference agreement adopts the provision that is common to both bills. [Sec. 832]

34. INFORMATION FOR VERIFYING ELIGIBILITY FOR AUTHORIZATION

Present law

No provisions.

House bill

Permits the Secretary to require that retailers and wholesalers seeking approval to accept and redeem food stamp benefits submit relevant income and sales tax filing documents. Permits regulations requiring retailers and wholesalers to provide written authorization for the Secretary to verify all relevant tax filings and to obtain corroborating documentation from other sources in order to verify the accuracy of information provided by the retailer/wholesaler. [Sec. 1042]

Senate amendment

Same provision. [Sec. 1142]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 833]

35. WAITING PERIOD FOR STORES THAT FAIL TO MEET AUTHORIZATION CRITERIA

Present law

No provisions.

House bill

Provides that retailers and wholesalers that have failed to be approved for participation may not submit a new application to participate for at least 6 months. Senate amendment

Same provision. [Sec. 1143]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 834]

36. OPERATION OF FOOD STAMP OFFICES

Present law

State Plans. States must:

allow households contacting a food stamp office in person during office hours to make an oral/written request for aid and receive and file an application on the same day;

use a simplified, uniform, federally designed application, unless a waiver is approved;

include certain, specific information in applications;

waive in-person interviews under certain circumstances and use telephone interviews or home visits instead;

provide for telephone contact and mail application by households with transportation or similar difficulties;

require an adult representative of the household to certify as to household members' citizenship/alien status;

assist households in obtaining verification and completing applications;

not require additional verification of currently verified information (unless there is reason to believe that the information is inaccurate, incomplete, or inconsistent);

not deny an application solely because a nonhousehold member fails to cooperate;

process applications if the household meets cooperation requirements;

provide households with a statement of reporting responsibilities at certification and recertification;

provide a toll-free or local telephone number at which households can reach State agency personnel;

display and make available nutrition information; and

use mail issuance in rural areas where low-income households face substantial difficulties in obtaining transportation. [Sec. 11(e) (2), (14), & (25)]

Application and Denial Procedures. A single interview for determining AFDC and food stamp benefits is required. Food stamp applications generally are required to be contained in public assistance applications, and applications and information about how to apply for food stamps must be provided local assistance applicants. Applicants (including those who have recently lost or been denied public assistance) must be certified eligible for food stamps based on their public assistance casefile (to the extent it is reasonably verified). No household may be terminated from or denied food stamps solely on the basis of termination/denial of other public assistance without a separate food stamp determination. [Sec. 11(i)]

House bill

State Plans. Replaces noted existing State plan requirements with requirements that the State:

establish procedures governing the operation of food stamp offices that it determines best serve households in the State, including those with special needs (such as households with elderly or disabled members, those in rural areas, the homeless, households residing on reservations, and households speaking a language other than English);

provide timely, accurate, and fair service to applicants and participants;

permit applicants to apply and participate on the same day they first contact a food stamp office during office hours;

consider an application filed on the date the applicant submits an application with the applicant's name, address, and signature;

require that an adult representative certify as to the truth of the information on the application and citizenship/alien status; and

have a method for certifying homeless households. [Sec. 1044]

Permits States to establish operating procedures that vary for local food stamp offices. [Sec. 1044]

Stipulates that the signature of a single adult will be sufficient to comply with any provision of Federal law requiring applicant signatures. [Sec. 1044]

Makes clear that nothing in the Food Stamp Act prohibits electronic storage of application and other information. [Sec. 1044]

Application and Denial Procedures. Deletes noted existing requirements for single interviews, applications, and food stamp determinations based on public assistance information. Permits disqualification for food stamps based on another public assistance program's disqualification for failure to comply with its rules or regulations. [Sec. 1044]

Senate amendment

37. STATE EMPLOYEE AND TRAINING STANDARDS

Present law

States must employ agency personnel responsible for food stamp certifications in accordance with current Federal "merit system" standards. States must provide continuing, comprehensive training for all certification personnel. States may undertake intensive training of personnel to ensure they are qualified for certifying farm households. States may provide or contract for the provision of training and assistance to persons working with volunteer or nonprofit organizations that provide outreach and eligibility screening. [Sec. 11(e)(6)]

Requires State food stamp agencies to make available to law enforcement officers the address, social security number, and a photograph (when available) of a food stamp recipient if the officer furnishes the recipient's name and notifies the agency that the individual is fleeing to avoid prosecution, custody, or confinement for a felony, is violating a condition of parole or probation, or has information necessary for the officer to conduct an official duty related to a felony/parole violation. [Sec. 1046]

Senate amendment

Same provision. [Sec. 1146]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 837]

39. EXPEDITED COUPON SERVICE

Present law

States must provide expedited benefits to applicant households that (1) have gross income under $150 a month (or are "destitute" migrant or seasonal farmworker households) and have liquid re-

sources of no more than $100, (2) are homeless, or (3) have combined gross income and liquid resources less than the household's monthly shelter expenses. Expedited service means providing an allotment no later than 5 days after application. [Sec. 11(e)(9)]

House bill

Deletes noted requirements to provide expedited service to the homeless and those with shelter expenses in excess of their income/resources. Lengthens the period in which expedited benefits must be provided to 7 days. [Sec. 1047]

Senate amendment

No provision.

Conference agreement

The conference agreement adopts the House provisions with an amendment to retain the requirement for expedited service to those with income and liquid resources less than their monthly shelter expenses. [Sec. 838]

40. WITHDRAWING FAIR HEARING REQUESTS

Present law

No provisions.

House bill

At State option, permits households to withdraw fair hearing requests orally or in writing. If it is an oral request, the State must provide written notice confirming the request and providing the household with another chance to request a fair hearing. [Sec. 1048]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 839]

41. INCOME, ELIGIBILITY, AND IMMIGRATION STATUS VERIFICATION SYSTEMS

Present law

States must use the "income and eligibility verification systems" established under section 1137 of the Social Security Act to assist in verifying household circumstances; this includes a system for verifying financial circumstances (IEVS) and a system for verifying alien status (SAVE). [Sec. 11(e)(19)]

No provisions.

House bill

Retailers/wholesalers who knowingly submit an application to accept and redeem food stamp benefits that contains false information about a substantive matter must be disqualified for a reasonable period of time to be determined by the Secretary (including permanent disqualification). [Sec. 1050]

Senate amendment

Same provision. [Sec. 1149]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 842]

43. DISQUALIFICATION OF RETAILERS WHO ARE DISQUALIFIED UNDER THE WIC PROGRAM

Present law

No provisions.

House bill

Requires the Secretary to issue regulations providing criteria for disqualifying from food stamp program participation retailers/wholesalers disqualified from the WIC program. Disqualification must be for the same length of time, may begin at a later date, and is not subject to separate food stamp administrative/judicial review provisions. [Sec. 1051]

Senate amendment

Same provisions. [Sec. 1150]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 843]

44. COLLECTION OF OVERISSUANCES

Present law

In the case of overissuances due to an intentional program violation, households must agree to repayment by either a reduction in future benefits or cash repayment; States also are required to collect overissuances to these households through other means such as tax refund or unemployment compensation collections if other repayment is not forthcoming (unless they demonstrate that the other means are not cost effective). In cases of overissuance be-

cause of inadvertent household error, States must collect the overissuance through a reduction in future benefits, except that households must be given 10 days notice to elect another means and collections are limited to 10 percent of the monthly allotment or $10 a month (whichever would result in faster collection). Otherwise uncollected overissued benefits, except those arising from State agency error, may be recovered from Federal pay or pensions. [Sec. 13 (b) & (d) and sec. 11(e)(8)]

States may retain 25 percent of "nonfraud" collections not arising from State agency error and 50 percent of "fraud" collections (increased from 10 percent and 25 percent on October 1, 1995). [Sec. 16(a)]

House bill

Replaces existing overissuance collection rules with provisions requiring States to collect any overissuance by reducing future benefits, withholding unemployment compensation, recovering from Federal pay or income tax refunds, or any other means—unless the State demonstrates that all of the means are not cost effective. Limits benefit reductions (absent intentional program violation) to the greater of 10 percent of the monthly allotment or $10 a month. Provides that States must collect overissued benefits in accordance with State-established requirements for notice, electing a means of payment, and setting a schedule for payment. [Sec. 1052]

Permits States to retain 25 percent of all collections other than those arising from State agency error. [Sec. 1052]

Senate amendment

Same provision, except permits States to retain 20 percent of nonfraud collections other than those arising from State agency error and 35 percent of fraud collections. [Sec. 1151]

The conference agreement adopts the Senate provisions. [Sec. 844]

45. AUTHORITY TO SUSPEND STORES VIOLATING PROGRAM REQUIREMENTS PENDING ADMINISTRATIVE AND JUDICIAL REVIEW

Present law

No provisions.

House bill

Senate amendment

Same provision. [Sec. 1152]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 845]

46. EXPANDED CRIMINAL FORFEITURE FOR CRIMINAL VIOLATIONS

Present law

"Administrative forfeiture" rules allow the Secretary to subject property involved in a program violation to forfeiture to the United States. [Sec. 15(g)]

House bill

Establishes "criminal forfeiture" rules. Requires courts, in imposing sentence on those convicted of trafficking in food stamps, to order that the person forfeit property to the United States. Property subject to forfeiture would include all property (real and personal) used in a transaction (or attempted transaction) to commit (or facilitate the commission of) a trafficking violation (other than a misdemeanor); proceeds traceable to the violation also would be subject to forfeiture. An owner's property interest would not be subject to forfeiture if the owner establishes that the violation was committed without the owner's knowledge or consent.

Requires that the proceeds from any sale of forfeited property, and any money forfeited, be used to reimburse Federal and State agencies for costs and, by the Secretary, to carry out store monitoring activities. [Sec. 1054]

Senate amendment

Same provisions. [Sec. 1153]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 846]

47. LIMITATION OF FEDERAL MATCH

Present law

If a State opts to conduct informational ("outreach") activities for the food stamp program, the Federal Government shares half the cost. [Sec. 11(e)(1) and sec. 16(a)]

House bill

Terminates the Federal share for any "recruitment activities." [Sec. 1055]

Senate amendment

Same provision. [Sec. 1154]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 847]

48. STANDARDS FOR ADMINISTRATION

Present law

The Secretary is required to (1) establish standards for efficient and effective administration of the program, including standards for review of food stamp office hours to ensure that employed individuals are adequately served and (2) instruct States to submit reports on administrative actions taken to meet the standards. [Sec. 16(b)]

House bill

Deletes the noted requirements relating to Federal standards for efficient and effective administration. [Sec. 1056]

Senate amendment

Same provision. [Sec. 1155]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 848]

49. WORK SUPPLEMENTATION OR SUPPORT PROGRAM

Present law

No provisions.

House bill

Establishes a new option for States to operate work supplementation or support programs under which the value of public assistance benefits are provided to employers who hire recipients and, in turn, use the benefits to supplement the wages paid the recipient. Work supplementation/support programs would have to adhere to standards set by the Secretary, be available for new employees only, and not displace employment of those who are not supplemented/supported. The food stamp benefit value of the supplement could not be considered income for other purposes. Opting States would be required to provide a description of how recipients in their program will, within a specific period of time, be moved to unsubsidized employment. [Sec. 1057]

Senate amendment

Same provision. [Sec. 1156]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 849]

50. WAIVER AUTHORITY

Present law

The Secretary may waive Food Stamp Act requirements to the degree necessary to conduct pilot/demonstration projects, but, in general, no project may be implemented that would lower or further restrict food stamp income/resource eligibility standards or benefit levels. [Sec. 17(b)(1)]

House bill

Permits the Secretary to conduct pilot and demonstration projects and waive Food Stamp Act requirements as long as the project is consistent with the food stamp program goal of providing food to increase the level of nutrition among low-income individuals. The Secretary is permitted to conduct projects that will improve the administration of the program, increase self-sufficiency of food stamp participants, test innovative welfare reform strategies, or allow greater conformity among public assistance programs than is otherwise allowed under the Food Stamp Act. The Secretary is not permitted to conduct projects that involve issuing benefits in cash (beyond those approved at enactment), substantially transfer program benefits to other public assistance programs, or are not limited to specific time periods. [Sec. 1058]

Senate amendment

No provision.

Conference agreement

The conference agreement adopts the House provision with an amendment. The Secretary is permitted to conduct pilot and demonstration projects and waive Food Stamp Act requirements to the extent necessary, with certain limitations and conditions. Projects must be consistent with the food stamp program goal of providing food assistance to raise levels of nutrition among low-income individuals and must include an evaluation.

Permissible projects are those that will improve the administration of the program, increase self-sufficiency of food stamp participants, test innovative welfare reform strategies, or allow greater conformity with the rules of other programs than is otherwise allowed under the Food Stamp Act. However, if the Secretary finds that a project would require the reduction of benefits by more than 20 percent, for more than 5 percent of households subject to the project (not including those whose benefits are reduced because of a failure to comply with work or other conduct requirements), the project (1) cannot include more than 15 percent of the State's food stamp population and (2) is limited to 5 years (unless an extension is approved).

The Secretary may not conduct a project that (1) involves the payment of food stamp allotments in cash (unless the project was approved prior to enactment), (2) has the effect of substantially transferring food stamp funds to services or benefits provided through another public assistance program, (3) has the effect of using food stamp funds for any purpose other than the purchase of food, program administration, or an employment or training program, (4) has the effect of granting or increasing shelter expense deductions to households with either no out-of-pocket shelter expenses or shelter expenses that represent a low percentage of their income, (5) has the effect of absolving the State from acting with reasonable promptness on substantial reported changes in income or household size (other than those related to deductions), (6) is not limited to a specific time period, or (7) waives a simplified food stamp program provision in carrying out a simplified program.

The Secretary also may not conduct a project that is inconsistent with certain Food Stamp Act requirements: (1) the bar against providing benefits to those in institutions (with certain exceptions), (2) the requirement to provide assistance to all those eligible, so long as they have not failed to comply with any food stamp or other program's work, behavioral, or other conduct requirements, (3) the gross income eligibility limit (130 percent of the Federal poverty guidelines) for households without elderly or disabled members, (4) the rule that no parent or caretaker of a dependent child under age 6 will be subject to work/training requirements [see item 17], (5) the rule that total hours of work required in an employment/training or workfare program be limited to the household's allotment divided by the minimum wage, (6) the limit on the amount of employment and training funding under the Food Stamp Act that can be used for TANF recipients, (7) the requirement that the value of food stamp benefits not be considered income or resources for any other purpose, (8) application and application processing requirements (including the rule that benefits must be provided within 30 days, but not including expedited service requirements), (9) Federal-State cost-sharing rules (including those for computerization, employment and training programs, and workfare), (10) "quality control" requirements, and (11) the waiver limits set in law.

[Sec. 850]

51. RESPONSE TO WAIVERS

Present law

No provisions.

House bill

Requires that, not later than 60 days after receiving a demonstration project waiver request, the Secretary must (1) approve the request, (2) deny it and explain any modifications needed for approval, (3) deny it and explain the grounds for denial, or (4) ask for clarification of the request. If a response is not forthcoming in 60 days, the waiver is considered approved. If a waiver is denied, the Secretary must provide a copy of the request and the grounds for denial to Congress. [Sec. 1059]

Senate amendment

Same provision. [Sec. 1157]

52. EMPLOYMENT INITIATIVES PROGRAM

Present law

No provisions.

House bill

Provides a new option for a limited number of States (those with not less than half of their food stamp households receiving AFDC benefits in 1993) to issue food stamps in cash to households

participating in both the State's family assistance block grant (TANF) program and food stamps, if a member of the household has been working for at least 3 months and earns at least $350 a month in unsubsidized employment. Households receiving cash payments may continue to receive them after leaving a TANF program because of increased earnings, and a household eligible to receive its allotment in cash may opt for food stamps instead. States opting for these cash payments must increase food stamp benefits (and pay for the increase) to compensate for State/local sales taxes on food purchases and must provide a written evaluation. [Sec. 1060]

Senate amendment

Same provisions. [Sec. 1158]

Conference agreement

The conference agreement adopts the provisions that are common to both bills. [Sec. 852]

53. REAUTHORIZATION

Present law

Food Stamp Act appropriations are authorized through fiscal year 1997. [Sec. 18(a)]

House bill

Extends the Food Stamp Act authorization of appropriations through fiscal year 2002. [Sec. 1061]

Senate amendment

Same provision. [Sec. 1159]

Conference agreement

The conference agreement adopts the provision that is common to both bills. [Sec. 853]

54. SIMPLIFIED FOOD STAMP PROGRAM

Present law

No provision.

House bill

Permits States to determine food stamp benefits for households receiving family assistance block grant (TANF) aid using TANF rules and procedures, food stamp rules/procedures, or a combination of both. States may operate a simplified program statewide or in regions of the State and may standardize deductions. However, States must comply with the following food stamp rules:

requirements governing issuance procedures;

the requirement that benefits be calculated by subtracting 30 percent of household income (as determined by State-established, not Federal, rules under the simplified program option) from the maximum food stamp benefit;

the bar against counting food stamp benefits as income or resources in other programs;

requirements that State agencies assume responsibility for eligibility certification and issuance of benefits and keep records for inspection and audit;

the bar against discrimination by reason of race, sex, religious creed, national origin, or politics;

requirements related to submission and approval of plans of operation and administration of the food stamp program on Indian reservations;

limits on the use and disclosure of information about food stamp households;

requirements for notice to and fair hearings for aggrieved households (or comparable requirements established by the State);

requirements for submission of reports and other information required by the Secretary;

the requirement to report illegal aliens to the INS;

provisions for the use of certain Federal and State data sources in verifying eligibility;

requirements to ensure that households are not receiving duplicate benefits; and

requirements for the provision of social security numbers as a condition of eligibility and for their use by State agencies.

Households may not receive benefits under a simplified program unless the Secretary determines that any household with income above 130 percent of the Federal poverty guidelines is ineligible for the program.

The Secretary must determine whether a simplified program is increasing Federal costs above costs incurred in operations for the fiscal year prior to implementation, adjusted for changes in participation, the income of participants not attributable to public assistance, and the cost of the thrifty food plan. The determination is made for each fiscal year, not later than 90 days after the end of the year.

If the Secretary determines that there has been a cost increase, the State must be notified within 30 days. If a State does not then submit or carry out a "corrective action" plan approved by the Secretary to prevent increased Federal costs, approval of the State's simplified program is terminated, and the State is ineligible for further operation of a simplified program.

States opting for a simplified program must include in their State plans the rules and procedures to be followed, how they will address the needs of households with high shelter costs, and a description of the method by which they will carry out their quality control obligations. [Sec. 1062]

Senate amendment

Same provisions, except that the Senate amendment (1) stipulates that only households in which "all members" receive TANF benefits may receive benefits under a simplified program and (2) requires that States opting for a simplified program follow food stamp rules regarding providing benefits within 30 days of application. Also provides that (1) the Secretary will determine whether a simplified program is increasing Federal costs, (2) States will not be required to collect information on households not in the sim-

plified program in cost increase determinations, and (3) the Secretary may approve "alternative accounting periods" in making cost determinations. [Sec. 1160]

Conference agreement

The conference agreement adopts the House provision with an amendment providing that: (1) only households in which all members receive TANF benefits may receive benefits under a simplified program, (2) the Secretary will determine whether a simplified program is increasing Federal costs, (3) States will not be required to collect information on households not in the simplified program in cost increase determinations, and (4) the Secretary may approve alternative accounting periods in making cost determinations. In addition, the conference agreement adopts an amendment that provides that a simplified program may include households in which 1 or more members are not TANF recipients, if approved by the Secretary. The conferees encourage the Secretary to work with States to test methods for applying a single set of rules and procedures to households in which some, but not all, members receive cash welfare benefits under State rules. [Sec. 854]

55. STATE FOOD ASSISTANCE BLOCK GRANT

Present law

No provision.

House bill

Establishes an optional food assistance block grant. States that meet one of three conditions may elect to receive the block grant in lieu of participating in the regular food stamp program. The conditions are: (1) a statewide EBT system, (2) a payment error rate of 6 percent or less, or (3) if there is a payment error rate of higher than 6 percent, payment to the Federal government of the benefit cost of the difference. States electing a block grant would receive the greater of: (1) the amount received for benefits in fiscal year 1994 (or the 1992–1994 average) plus (2) the amount received for administration in fiscal year 1994 (or the 1992–1994 average). States electing a block grant and then terminating their option may not again elect a block grant.

Block grant funding may only be used for food assistance to needy persons and administrative costs for providing the assistance—so long as not more than 6 percent of total funds expended (other than State funds not otherwise required to be spent) are used for administrative costs and limits on carryover funds are followed. While States have control over most features of their block grant program, certain rules specified in law must be followed: provisions for notice and hearing for those aggrieved; bars against receipt of benefits in more than 1 jurisdiction, benefits for fleeing felons, and benefit for aliens otherwise barred under Federal law; privacy and nondiscrimination safeguards; and quality control requirements of the Food Stamp Act. In addition, States opting for a block grant would continue to be covered under the Food Stamp Act's employment and training program provisions (and receive separate funding for this) and would be required to bar benefits to

those not meeting food stamp work requirements (including the new requirement). [Sec. 1063]

Senate amendment

Senate amendment

No provision.

Conference agreement

The conference agreement adopts the House provision with a technical amendment. [Sec. 856]

Defines "Additional commodities", "average monthly number of unemployed persons", "poverty line", "Total value of additional commodities", Value of additional commodities." [Sec. 214 of EFAA]

House bill

Incorporates into one section current law and regulatory definitions of terms used in TEFAP and section 110 of the Hunger Prevention Act. Definitions include "eligible recipient agencies", as well as "emergency feeding organization," "additional commodities", "average monthly number of unemployed persons", "food bank", "food pantry", "poverty line", "soup kitchen", "total value of additional commodities", and "value of additional commodities allocated to each State." House bill

Strikes obsolete provision and moves definitions to a new section of the Act (see item 2 above). Replaces Sec. 202A with new provisions governing State plans (See item 5 below). [Sec. 1071]

Requires States to expeditiously distribute commodities to eligible recipient agencies, and to encourage distribution to rural areas. Also requires Secretary to distribute commodities only to agencies that serve needy persons and set their own need criteria, with the approval of the Secretary. [Sec. 203B (a) and (c) of EFAA]

House bill

Requires States seeking commodities under the new EFA program to submit a plan of operation and administration every 4 years for approval by the Secretary and allows amendment of the plan at any time.

Requires that at a minimum the State receiving commodities include in its plan: designation of responsible State agency; plan of operation and administration to expeditiously distribute commodities; standards of eligibility for recipient agencies; individual and household eligibility standards that require that they be needy and residing in the geographic area served by the recipient agency. [Sec. 1071]

7. AUTHORIZATION OF APPROPRIATIONS FOR ADMINISTRATIVE FUNDS

Present law

Authorizes $50 million annually for fiscal year 1991–2002 for Secretary to make available to States for State and local costs associated with the distribution of commodities. Requires that funds be distributed on an advance basis in the same proportion as commodities are distributed. Allows for reallocation of unused funds among other States. Specifically allows States to use funds to help with distribution of commodities provided to soup kitchens and food banks under section 110 of the Hunger Prevention Act.

House bill

Revises language regarding availability of funds to States for State and local costs to require that such funds be used "to pay for the direct and indirect administrative costs of the State related to processing, transporting, and distributing [commodities] to eligible recipient agencies." Drops separate reference to soup kitchen and food banks because this program is incorporated into the new TEFAP. [Sec. 1071]

Senate amendment

Same provisions. [Sec. 1171]

Conference agreement

The conference agreement adopts the provisions that are common to both bills. [Sec. 871]

8. REQUIRED PURCHASES OF COMMODITIES

Present law

Authorizes $175 million for fiscal year 1991, $190 million for FY 1992, and $200 million for each of fiscal years 1993 through 2002 for the Secretary to purchase, process and distribute additional commodities to the extent that appropriations are provided. Establishes a formula for distribution of commodities to States whereby 60 percent of commodities are allocated based on a State's share of persons in households with incomes below the poverty

level and 40 percent upon a State's share of unemployed persons, and defines related terms.

House bill

Strikes provisions authorizing funds for commodity purchases. Instead, amends the Food Stamp Act to add a new section 28 requiring the Secretary to spend $300 million annually for each of fiscal years 1997 through 2002 from funds appropriated under the Food Stamp Act to buy commodities for the new TEFAP; requires the Secretary to take into account agricultural market conditions, and State, agency, and recipient preferences when buying commodities with these funds. Specifies that these commodities be distributed under the current-law allocation formula. [Sec. 1071]

Senate amendment

Similar to House bill, except that $100 million is required to be used from food stamp funds annually to buy commodities for the new TEFAP. [Sec.]

Conference agreement

The conference agreement adopts the Senate provision with a technical amendment. [Sec. 871]

Subtitle C—Electronic Benefit Transfer System

See Item 26 of Subtitle A—Food Stamp Program for a description of the conference agreement on this subtitle.

TITLE IX: MISCELLANEOUS

1. APPROPRIATION BY STATE LEGISLATURES

Present law

According to the National Conference of State Legislatures, there are six States in which under court rulings of interpretations of State constitutions, certain Federal funds are controlled by the Executive branch rather than the State legislature. (An example would be action on funds when the legislature is out of session.) These States are Arizona, Colorado, Connecticut, Delaware, New Mexico, and Oklahoma.

House bill

The proposal stipulates that funds from certain Federal block grants to the States are to be expended in accordance with the laws and procedures applicable to the expenditure of the State's own resources (i.e., appropriated through the State legislature in all States). This provision applies to the following block grants: temporary assistance to needy families block grant, the optional State food assistance block grant, and the child care block grant. Thus, in the States in which the Governor previously had exclusive control over Federal block grant funds, the State legislatures now would share control through the appropriations process. However, States would continue to spend Federal funds in accord with Federal law.

Senate amendment

Identical provision.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

2. SANCTIONING FOR TESTING POSITIVE FOR CONTROLLED SUBSTANCES

Present law

Eligibility and benefit status for most Federal welfare programs are not affected by a recipient's use of illegal drugs.

House bill

States are not prohibited by the Federal Government from testing welfare recipients for use of controlled substances nor for sanctioning welfare recipients who test positive for the use of controlled substances.

Senate amendment

Identical provision.

Conference agreement

The conference agreement follows the House bill and the Senate amendment.

3. ELIMINATION OF HOUSING ASSISTANCE WITH RESPECT TO FUGITIVE FELONS AND PROBATION AND PAROLE VIOLATORS

Present law

No provision.

House bill

The amendment states that the person's flight shall be cause for immediate termination of their housing aid.

Requires specified public housing agencies to furnish any Federal, State, or local law enforcement officer, upon the request of the officer, with the current address, social security number, and photograph (if applicable) of any SSI recipient, if the officer furnishes the public housing agency with the person's name and notifies the agency that the recipient is a fugitive felon (or in the case of New Jersey a person fleeing because of a high misdemeanor) or a probation or parole violator or that the person has information that is necessary for the officer to conduct his official duties, and the loca-

tion or apprehension of the recipient is within the officer's official duties.

Senate amendment

It is the Sense of the Senate that States should pursue child support payments under all circumstances even if the noncustodial parent is unemployed or his or her whereabouts are unknown; and that States are encouraged to pursue pilot programs in which the parents of a minor non-custodial parent who refuses or is unable to pay child support contribute to the child support owed.

Conference agreement

The conference agreement follows the Senate amendment.

6. ESTABLISHING NATIONAL GOALS TO PREVENT TEENAGE PREGNANCIES

Present law

No provision.

House bill

No provision.

Senate amendment

Requires the Secretary to establish and implement by January 1, 1997, a strategy to: (1) prevent a 2 percent increase in out-of-wedlock teenage pregnancies, and (2) assure that at least 25 percent of U.S. communities have teenage pregnancy programs in place. HHS is required to report to Congress by June 30, 1998, on progress made toward meeting these 2 goals.

Conference agreement

The conference agreement generally follows the Senate amendment, except a specified level of reduction is not established.

7. SENSE OF THE SENATE REGARDING ENFORCEMENT OF STATUTORY RAPE LAWS

Present law

No provision.

House bill

No provision.

Senate amendment

Includes language that states that it is the sense of the Senate that States and local jurisdictions should aggressively enforce statutory rape laws.

Not later than January 1, 1997, the Attorney General shall establish and implement a program that studies the linkage between statutory rape and teenage pregnancy and educates States and local criminal law enforcement officials on the prevention and prosecution of statutory rape. The Attorney General shall ensure the DOJ Violence Against Women initiative addresses the issue of statutory rape.

Conference agreement

The conference agreement follows the Senate amendment.

8. PROVISIONS TO ENCOURAGE ELECTRONIC BENEFIT TRANSFER SYSTEMS

Present law

In 1978, Congress passed the Electronic Fund Transfer Act to provide a basic framework establishing the rights, liabilities, and responsibilities of participants in electronic fund transfer systems and required the Federal Reserve Board to develop implementing regulations, which generally are referred to as Regulation E.

House bill

See food stamp title, which exempts from Regulation E any food stamp electronic benefit transfers.

Senate amendment

Exempts from Regulation E requirements any electronic benefit transfer program (distributing needs-tested benefits) established under State or local law or administered by a State or local government.

Conference agreement

The conference agreement follows the Senate amendment.

9. REDUCTION OF BLOCK GRANTS TO STATES FOR SOCIAL SERVICES; USE OF VOUCHERS

Present law

The Social Services Block Grant (Title XX) provides funds to States in order to provide a wide variety of social services, including child care, family planning, protective services for children and adults, services for children and adults on foster care, and employment services. States have wide discretion over how they use Social Services Block Grant funds. States set their own eligibility requirements and are allowed to transfer up to 10 percent of their allotment to certain Federal health block grants, and for low-income home energy assistance (LIHEAP). Funding for the Social Services Block Grant is capped at $2.8 billion a year. Funds are allocated among States according to the State's share of its total population. No State matching funds are required to receive Social Services Block Grant money.

House bill

For fiscal years 1997 through 2002, the Social Services Block Grant is reduced by 10 percent.

Senate amendment

For fiscal years 1997 through 2002, the Social Services Block Grant is reduced by 20 percent.

Requires that States receiving Title XX funds to dedicate 1 percent to programs and services for minors to avoid out-of-wedlock pregnancies.

Conference agreement

The conference agreement follows the House bill and the Senate amendment regarding the reduction in funding for the Social Services block grant, with the modification that the reduction is 15 percent. The conference agreement follows the House bill so that there is no special dedication of funds for programs and services for minors. The agreement specifically states that Title XX funds may be used to provide assistance to families who have lost assistance because of time limits on benefits.

10. EARNED INCOME CREDIT PROVISIONS

A. Deny earned income credit to individuals not authorized to be employed in the United States

[NOTE.—For additional discussion of this provision, refer to Title IV: Restricting Welfare and Public Benefits for Aliens, above.]

Present law

In general. Certain eligible low-income workers are entitled to claim a refundable credit on their income tax return. The amount of the credit an eligible individual may claim depends upon whether the individual has one, more than one, or no qualifying children and is determined by multiplying the credit rate by the individual's [1] earned income up to an earned income amount. The maximum amount of the credit is the product of the credit rate and the earned income amount. For individuals with earned income (or adjusted gross income (AGI), if greater) in excess of the beginning of the phaseout range, the maximum credit amount is reduced by the phaseout rate multiplied by the amount of earned income (or AGI, if greater) in excess of the beginning of the phaseout range. For individuals with earned income (or AGI, if greater) in excess of the end of the phaseout range, no credit is allowed.

The parameters for the credit depend upon the number of qualifying children the individual claims. For 1996, the parameters are given in the following table:

	Two or more children	One qualifying child	No qualifying children
Credit rate (percent)	40.00	34.00	7.65
Earned income amount	$8,890	$6,330	$4,220
Maximum credit	$3,556	$2,152	$323
Phaseout begins	$11,610	$11,610	$5,280
Phaseout rate (percent)	21.06	15.98	7.65
Phaseout ends	$28,495	$25,078	$9,500

For years after 1996, the credit rates and the phaseout rates will be the same as in the preceding table. The earned income amount and the beginning of the phaseout range are indexed for inflation; because the end of the phaseout range depends on those amounts as well as the phaseout rate and the credit rate, the end of the phaseout range will also increase if there is inflation.

In order to claim the credit, an individual must either have a qualifying child or meet other requirements. A qualifying child must meet a relationship test, an age test, an identification test, and a residence test. In order to claim the credit without a qualifying child, an individual must not be a dependent and must be over age 24 and under age 65.

To satisfy the identification test, individuals must include on their tax return the name and age of each qualifying child. For returns filed with respect to tax year 1996, individuals must provide

[1] In the case of a married individual who files a joint return with his or her spouse, the income for purposes of these tests is the combined income of the couple.

a taxpayer identification number (TIN) for all qualifying children born on or before November 30, 1996. For returns filed with respect to tax year 1997 and all subsequent years, individuals must provide TINs for all qualifying children, regardless of their age. An individual's TIN is generally that individual's social security number.

An individual with qualifying children may elect to receive a portion of the credit on an advance basis by furnishing an advance payment certificate to his or her employer. For such an individual, the employer makes an advance payment of the credit at the time wages are paid. The amount of advance payment allowable in a taxable year is limited to 60 percent of the maximum credit available to an individual with one qualifying child.

Mathematical or clerical errors. The Internal Revenue Service may summarily assess additional tax due as a result of a mathematical or clerical error without sending the taxpayer a notice of deficiency and giving the taxpayer an opportunity to petition the Tax Court. Where the IRS uses the summary assessment procedure for mathematical or clerical errors, the taxpayer must be given an explanation of the asserted error and a period of 60 days to request that the IRS abate its assessment. The IRS may not proceed to collect the amount of the assessment until the taxpayer has agreed to it or has allowed the 60-day period for objecting to expire. If the taxpayer files a request for abatement of the assessment specified in the notice, the IRS must abate the assessment. Any reassessment of the abated amount is subject to the ordinary deficiency procedures. The request for abatement of the assessment is the only procedure a taxpayer may use prior to paying the assessed amount in order to contest an assessment arising out of a mathematical or clerical error. Once the assessment is satisfied, however, the taxpayer may file a claim for refund if he or she believes the assessment was made in error.

House bill

Individuals are not eligible for the credit if they do not include their taxpayer identification number (and, if married, their spouse's taxpayer identification number) on their tax return. Solely for these purposes and for purposes of the present-law identification test for a qualifying child, a taxpayer identification number is defined as a social security number issued to an individual by the Social Security Administration other than a number issued under section 205(c)(2)(B)(i)(II) (or that portion of sec. 205(c)(2)(B)(i)(III) relating to it) of the Social Security Act (regarding the issuance of a number to an individual applying for or receiving Federally funded benefits).

If an individual fails to provide a correct taxpayer identification number, such omission will be treated as a mathematical or clerical error. If an individual who claims the credit with respect to net earnings from self-employment fails to pay the proper amount of self-employment tax on such net earnings, the failure will be treated as a mathematical or clerical error for purposes of the amount of credit allowed.

Effective date. The provision is effective for taxable years beginning after December 31, 1995.

Senate amendment

The provision in the Senate amendment is identical to that in the House bill.

Conference agreement

The conference agreement follows the House bill and the Senate amendment with a modification to the effective date. The conference agreement is effective with respect to returns the due date for which (without regard to extensions) is more than 30 days after the date of enactment of this Act.

B. Change disqualified income test for earned income credit

Present law

For taxable years beginning after December 31, 1995, an individual is not eligible for the earned income credit if the aggregate amount of "disqualified income" of the taxpayer for the taxable year exceeds $2,350. This threshold is not indexed. Disqualified income is the sum of:

(1) interest (taxable and tax-exempt),
(2) dividends, and
(3) net rent and royalty income (if greater than zero).

House bill

No provision.

Senate amendment

For purposes of the disqualified income test for the earned income credit, the following items are added to the definition of disqualified income: capital gain net income and net passive income (if greater than zero) that is not self-employment income.

The threshold above which an individual is not eligible for the credit is reduced from $2,350 to $2,200, and the threshold is indexed for inflation after 1996.

Effective date. The provision generally is effective for taxable years beginning after December 31, 1995. For individuals who, as of June 26, 1996, had made an election to receive the current-year credit on an advance basis, the provision is effective for taxable years beginning after December 31, 1996.

Conference agreement

The conference agreement follows the Senate amendment.

C. Modify definition of adjusted gross income used for phasing out the earned income credit

Present law

For taxpayers with earned income (or AGI, if greater) in excess of the beginning of the phaseout range, the maximum earned income credit amount is reduced by the phaseout rate multiplied by the amount of earned income (or AGI, if greater) in excess of the beginning of the phaseout range. For taxpayers with earned income (or AGI, if greater) in excess of the end of the phaseout range, no credit is allowed.

House bill

No provision.

Senate amendment

The provision modifies the definition of AGI used for phasing out the earned income credit by including certain nontaxable income and by disregarding certain losses. The nontaxable items included are:

(1) tax-exempt interest, and

(2) nontaxable distributions from pensions, annuities, and individual retirement arrangements (but only if not rolled over into similar vehicles during the applicable rollover period).

The losses disregarded are:

(1) net capital losses (if greater than zero),

(2) net losses from trusts and estates,

(3) net losses from nonbusiness rents and royalties, and

(4) net losses from businesses, computed separately with respect to sole proprietorships (other than in farming), sole proprietorships in farming, and other businesses.

For purposes of item (4), above, amounts attributable to a business that consists of the performance of services by the taxpayer as an employee are not taken into account.

Effective date. The provision generally is effective for taxable years beginning after December 31, 1995. For individuals who, as of June 26, 1996, had made an election to receive the current-year credit on an advance basis, the provision is effective for taxable years beginning after December 31, 1996.

Conference agreement

The conference agreement modifies the definition of AGI used for phasing out the earned income credit by disregarding certain losses. The losses disregarded are:

(1) net capital losses (if greater than zero),

(2) net losses from trusts and estates,

(3) net losses from nonbusiness rents and royalties, and

(4) 50 percent of the net losses from businesses, computed separately with respect to sole proprietorships (other than in farming), sole proprietorships in farming, and other businesses.

For purposes of item (4), above, amounts attributable to a business that consists of the performance of services by the taxpayer as an employee are not taken into account.

Effective date. Same as the Senate amendment provision.

D. Suspend inflation adjustments for earned income credit for individuals with no qualifying children

Present law

To claim the earned income credit, an individual must either have a qualifying child or meet other requirements. In order to claim a credit without a qualifying child, an individual must not be a dependent and must be over age 24 and under age 65.

The earned income amount and the beginning of the phaseout range are indexed for inflation; because the end of the phaseout range depends on these amounts as well as the phaseout rate and

the credit rate, the end of the phaseout range will also increase if there is inflation.

House bill

No provision.

Senate amendment

In the case of individuals with no qualifying children there will be no adjustment for inflation after 1996 to the earned income amount or the beginning of the phaseout range.

Effective date. The provision is effective for taxable years beginning after December 31, 1996.

Conference agreement

The conference agreement follows the House bill (no provision).

11. REDUCTIONS IN FEDERAL GOVERNMENT POSITIONS

A. Reductions

Present law

No provision

House bill

A covered activity is defined as one that the Department must carry out under a provision of this Act or a provision of Federal law that is amended or repealed by the Act. It also requires the Secretaries of Agriculture, Education, Labor, HHS, and Housing and Urban Development to report to Congress by December 31, 1996 on the number of full-time equivalent (FTE) positions required to carry out "covered" activities before and after enactment of the amendment and to reduce the number of employees by the difference in numbers. The Comptroller General of the United States shall prepare and submit to Congress by July 1, 1997, a report analyzing the determinations made by each Secretary.

Senate amendment

Similar to House bill, except:

requires the Secretaries to report the number of FTEs not later than December 31, 1996 (rather than January 1, 1997);

requires the Secretaries to prepare and submit a report of changes not later than December 31, 1997 (rather than December 31, 1996); and

adjusts discretionary spending limits downward for fiscal years 1997 and 1998 to account for savings achieved by this provision. (This provision was deleted due to the Byrd Rule.)

Conference agreement

This provision was deleted due to the Byrd rule. For additional discussion of related provisions, see Title I: Block Grants for Temporary Assistance for Needy Families, above.

B. Reductions in Federal Bureaucracy

Present law

No provision

House bill

The Department of Health and Human Services (HHS) reports that 118 employees in the Office of Family Assistance (OFA) work on AFDC and 209 (full-time equivalent positions) in regional offices of the Administration on Children and Families. The OFA employees include 30 who spend some time interpreting AFDC/JOBS policy and participating with States in State plan development.

Senate amendment

Similar to House bill. (This provision was deleted due to the Byrd Rule.)

Conference agreement

This provision was deleted due to the Byrd rule. For additional discussion of related provisions, see Title I: Block Grants for Temporary Assistance for Needy Families, above.

C. Reducing Personnel in Washington, DC Area

Present law

No provision.

House bill

The Secretary is encouraged to reduce personnel in the Washington, D.C. office (agency headquarters) before reducing field personnel.

Senate amendment

Similar to House bill. (This provision was deleted due to the Byrd Rule.)

Conference agreement

This provision was deleted due to the Byrd rule. For additional discussion of related provisions, see Title I: Block Grants for Temporary Assistance for Needy Families, above.

12. REFORM OF PUBLIC HOUSING

A. Fraud under Means-Tested Welfare and Public Assistance Programs

Present law

No provision.

House bill

If a person's means-tested benefits from a Federal, State, or local welfare program are reduced because of an act of fraud, their benefits from public or assisted housing may not be increased in response to the income loss caused by the penalty.

Senate amendment

Similar to House bill.

Conference agreement

The conference agreement follows the House bill.

B. Failure to Comply with other Welfare and Public Assistance Programs

Present law

If a family's adjusted cash income declines—no matter what the reason—its housing benefit is increased (that is, its rental payment is decreased, by 30 cents per dollar). This applies to cash income from any source, including means-tested benefit programs. However, the housing programs take no account of noncash income. Thus, if food stamp benefits decline, housing benefits are unaffected.

House bill

No provision.

Senate amendment

Provides that there be no reduction in public or assisted housing rents in response to a tenant's reduced income resulting from non-compliance with welfare or public assistance program requirements; permits reduction where State or local law limits the period during which benefits may be provided.

Conference agreement

The conference agreement follows the House bill (no provision).

13. ABSTINENCE EDUCATION

Present law

The Maternal and Child Health (MCH) block grants (title V of the SSA, 42 USC 701) provides grants to States and insular areas to fund a broad range of preventive health and primary care activities to improve the health status of mothers and children, with a special emphasis on those with low income or with limited availability of health services. Sec. 502 includes a set-aside program for projects of national or regional significance. (The FY1995 appropriation for MCH was $684 million.) See also: Title XX of the Public Health Service Act establishes the Adolescent Family Life (AFL) program to encourage adolescents to delay sexual activity and to provide services to alleviate the problems surrounding adolescent parenthood. One-third of all funding for AFL program services go to projects that provide "prevention services." The purpose of the prevention component is to find effective means within the context of the family of reaching adolescents, both male and female, before they become sexually active to maximize the guidance and support of parents and other family members in promoting abstinence from adolescent premarital sexual relations. (The FY1995 appropriation for AFL was $6.7 million.)

House bill

Increases the authorization level to $761 million for FY 96 and each subsequent fiscal year. Adds abstinence education to the services to be provided. Defines abstinence education as an educational or motivational program which:

(A) teaches the gains to be realized by abstaining from sexual activity;

(B) teaches abstinence from sexual activity outside of marriage as the expected standard for all school age children;

(C) teaches that abstinence is the only certain way to avoid out-of-wedlock pregnancy, sexually transmitted diseases, and other health problems;

(D) teaches that a monogamous relationship in context of marriage is expected standard of human sexual activity;

(E) teaches that sexual activity outside of marriage is likely to have harmful effects;

(F) teaches that bearing children out-of-wedlock is likely to have harmful consequences;

(G) teaches young people how to avoid sexual advances and how alcohol and drug use increases vulnerability to sexual advances; and

(H) teaches the importance of attaining self-sufficiency before engaging in sexual activity.

Senate amendment

Amends the Maternal and Child Health (MCH) block grants (title V of the SSA) to set aside $75 million to provide abstinence education—defined as an educational or motivational program that has abstaining from sexual activity as its exclusive purpose—and to provide at the option of the State mentoring, counseling and adult supervision to promote abstinence with a focus on those groups most likely to bear children out-of-wedlock. Also increases the authorization level of MCH to $761 million. (This provision was deleted due to the Byrd Rule.)

Conference agreement

The conference agreement follows the House bill with modification that $50 million for each of fiscal years 1998-2002 is directly appropriated for this purpose.
