Re: Senate Bill #'s S.2709, S/2710, S.2711, S.2112

We manufacture dog collars and leads in the United States. All our labor is done, and has been done, in the country. We plan to continue to operate in this manner, supporting the local economy.

We would like to object to the above mentioned Senate Bills. We are hoping for a no vote.

Thank you for your time and consideration.

Cordially,

Robin Crocker, Owner
