Hi Matt—

My husband and I made a conservation/easement charitable investment last year with your firm. We are looking to do the same again this year - - realizing it is only a few weeks until 12/31. Can you let us know what our options might be? Thank you.

Hi Laura,

I'll actually need to revisit end of year numbers to give you an update on a recommended amount. But, easy math is that at the highest tax brackets, every dollar of investment equals two dollars of tax savings.

If you want to send me your latest pay stubs and any input on year end bonuses, that would help me.

My contact at Evrgreen is Matt Campbell,

Thanks,
Peter

Hi Peter —

Hope you are well and happy holidays.

I believe [REDACTED] and I want to try to do an investment again similar to last year to help with our tax risk. Do you mind sending me the best contact at Evergreen to work with? I can't seem to find the right contact in my old emails.

Also -- I believe your reco was a \$10K investment to break-even on taxes -- was that correct? Thanks.
