

## NEW 2022 BENEFIT UPDATE FOR GEORGIA CITIZENS ONLY

Dear [REDACTED]

If you are between the ages of 50 and 85, the Federal government provides funeral expense benefits that many seniors are not aware they qualify for. However, these benefits are thousands of dollars below the expense of today's funerals estimated by the National Funeral Directors' Association to be approximately between \$7,000 and \$10,000.

**\*\*\*YOUR FAMILY IS RESPONSIBLE FOR THE UNPAID FUNERAL BALANCE\*\*\***

Thousands of Seniors nationwide are applying for the **\*\*New State Regulated Life Insurance Program\*\*** which may pay up to \$35,000 in benefits. To receive information on the new program designed for today's Seniors, along with a **FREE** no-cost dental, vision, hearing, and prescription discount plan, please respond prior to your next birthday to lock in rates.
