

2020 has been a very different year thus far, but one thing has stayed the same; **MEDICARE OPEN ENROLLMENT!** It is an honor to be your trusted Medicare agent and resource as I am maintaining all of my mother's client relationships to assist her for 2021 enrollments. I am reaching out to you as a courtesy reminder of important dates coming up.

**Medicare Annual Enrollment Period:** October 15<sup>th</sup> - December 7<sup>th</sup> 2020.

This period allows anyone on a Medicare or Prescription drug plan to make a coverage change for their 2021 coverage. **If you are happy with your current coverages you do not need to do anything.** Your current coverages will continue with some potential changes to your benefits. If you are not happy with your current coverages, please call us to discuss and make an evaluation appointment.

**2021 Medicare Open enrollment period:**

Again in 2021, there will be a Medicare Advantage Open Enrollment Period will run from January 1 - March 31. This means that if you're enrolled in a Medicare Advantage plan, that you'll have another one-time opportunity to still:

- ❖ Drop your Medicare Advantage plan and return to Original Medicare, Part A and Part B
- ❖ Sign up for a stand-alone Medicare Part D Prescription Drug Plan (if you return to Original Medicare).
