Hi Nick,

This is very strange and unusual that I got the email that you sent me on Monday, March 16, 2015 at 5:23 PM only now.

Thank you so much for the information! I added this to the schedule of Mr. Torshin. When you have any additional details or changes please let me know and I will correct it.

I have some questions to you about the details of our trip.

1. State Secretary Torshin would very much like to offer brief remarks of news and thanks at either the Friday Ring of Freedom Celebration brunch or some other event that you deem appropriate. Would this be possible or proper?
2. I noticed that on Saturday, April, 11 we have only The NRA Annual Meeting in our schedule. I'm afraid I just got only the part of your email and do not see the rest of it. Could you please specify is there any other events for us on Saturday night?
3. We would like to bring a few things for The NRA auction. Is it possible or proper that these things will be placed on an auction?
4. Also, I ask you please to specify which hotel we stay in. I noticed that there are 2 hotels where the most of events take part - The Omni Hotel and The Renaissance Hotel. Do I understand correctly that we will stay in The Omni Hotel?
5. Mr. Torshin asks me about the officials on the event. Is there a list of U.S. Governors or Members of Congress that might be present at some time during the Annual Meeting?

I completely understand how busy you are now, so please take your time with answers to my questions. Thanks to you I already have the main information for the schedule.

Sincerely,

Maria

Hi Maria,

Thank you for this. I will send you a draft list of events today. Please do confirm one thing for me though – it was my understanding that Mr. Torshin was not arriving until Wednesday, April 8th. Right now I have him checking-in on that day. Do I need to change his arrival to April 7th?

Thank you,

Nick
