Dear Steve,

It was so nice to meet you at The NASGW Convention and share some drinks with you in the bar and reception. You are actually the first American who noticed that I might have Irish roots in my generations and even more you guessed right!

I am so sorry that we did not have time to talk more and hope to correct this mistake someday)). I might have an another trip to Iowa to visit Pete Brownell again (after 9th of November) and will be happy to have lunch with you if you do not mind, of course. Just let me know your schedule for this November and let's make it real.

I asked my Russian gun manufactories about The Barnaul Cartridge Plant and will have an answer and options soon.

I hope that you made your return home well and safe... I am still recovering from a lot of fun and...tequila that I had in New Orleans.

Good luck!

Sincerely,

Special assistant to The State Secretary - Deputy Governor of The Central Bank of Russia Alexander Torshin

Founding Chairman / Board Member of The All-Russian Public Organization "The Right to Bear Arms"
