Source: Congressional Budget Office

Notes: Components may not sum to totals because of rounding. Budget Authority = Outlays.

All Medicare provisions include interactions with MA payments, the effect on Medicare Part A and B premiums, and TRICARE.

ACO = Accountable Care Organization; GAO = Government Accountability Office; MA = Medicare Advantage; TRICARE = the health plan operated by the Department of Defense; VBID = value based insurance design.

a/ Estimate reflects modified specifications provided by staff.

b/ Section would not affect direct spending but would affect spending subject to future appropriations action.
