Subject: RE: FEMA Notice of Inclusion in Senate Report

[REDACTED]

Apologies for the delay, please see FEMA's comments below.

The report appears to rely heavily on secondary news sources and was done without substantive and timely consultation with FEMA, HHS or our mission partners in government. We always stand ready to work with Congress in fulfilling information requests and substantive engagements on the whole-of-America response to COVID-19.

Kindly,

[REDACTED]
